OGDEN NEWS.

OGDEN, - - - May 23, 1900.

IN JUSTICE HALL'S COURT.

W. H. Lucas is Fined $25 for Assault and Disturbing the Peace.

Carbreakers Arrested — Case of Alleged Assault — Hauser Club Elects Officers—Higby-Simpson Nuptials.

Before Justice Hall in police court, yesterday, the case of W. H. Lucas, charged with disturbing the peace, was tried. The State was represented by Attorney Halverson, and the defendant by Attorney Weber. A number of witnesses were examined for both sides. The main witness for the prosecution was John M. Klenke, the man who was assaulted by the defendant a few days ago. The testimony showed that on the day of the trouble, Mr. Klenke, who had rented the restaurant part of the Union House from Mr. Lucas, had decided to move out, but that objections were made by the defendant and his wife unless Klenke would pay them some money which they claimed was due, but he refused and commenced carrying out his dishes, etc., whereupon Mr. Lucas picked up two of the doors and some lively words ensued. The two men closed and Mr. Klenke was hit over the head with a hatchet. Mr. Lucas was found guilty and fined $25.

Mrs. Lucas, his wife, has also been charged with the same offense, she will have her hearing on Thursday morning at 10 o'clock.

Five tags were also given a hearing. They all plead guilty and were given three days each on the rock pile.

CARBREAKERS ARRESTED.

Captain Browning and Detective Pender arrested two men last evening in a Union Pacific freight car. The men gave their names as Joe Lee and Tom Davis. They had evidently broken the car open as it had been sealed and was loaded with merchandise. Some of the goods were missing. On one of the men some powders were found, and the other man had on a new pair of shoes, manufactured by the same factory as the shoes that were missing from one of the boxes that had been broken open. The men are a hard looking pair, and are possibly of the gang who have been breaking into some of the houses here as soon of late.

A man giving his name as John Doe was also arrested for vagrancy.

ARRESTED FOR ASSAULT.

Deputy Sheriff Bailey arrested Edward Shaw, Jr., of Pleasant View, on the charge of assault upon the little son of Al. Montgomery. The complaint was sworn to by Mr. Montgomery, the father of the boy, and alleges that on Sunday last the defendant struck the Montgomery boy with a whip. It appears that the lad hit Mr. Shaw's horse with a stick and made the horse jump, nearly tipping the buggy over, which was occupied by Shaw and two ladies, and upon this provocation he hit the boy with his whip.

THE MAUSER CLUB.

The Mauser club met last evening in the office of M. D. Lessenger in the W. C. T. U. building for the purpose of making preparations to turn out on Decoration day in a body to show respect to their departed comrade, James Downing. Committees were appointed to arrange for flowers and flags, and to confer with the G. A. R. as to the line of procedure for the day. A new constitution and by-laws were adopted. The following officers for the ensuing year were elected: J. K. Birch, president; P. J. Hall, vice president; Clyde Gourley, secretary; Samuel Tyree, treasurer.

The club will meet again next Saturday evening at the same place, at 8 o'clock, to receive the reports of the committees and complete their preparations for Decoration day. A most cordial invitation is extended to all volunteers to meet with the club on the date mentioned.

FILLMORE.

Irrigation Hearing Still in Progress—Cases for Regular Term of Court.

Fillmore City, Utah, May 22.—Proceedings in the trial of the water controversy involving the rights of the parties located on the Sevier river are progressing very slowly. Attorney S. A. King, representing the Robins and Kearns Canal company, has been putting in his evidence today, and it is thought likely that testimony will be concluded tonight, and that the arguments will be made tomorrow, then the case will be in the hands of the court. The parties whose rights are being litigated appear to take a deep interest in the trial and are seldom found outside the court room during the time court is in session. This has been a very interesting case, and has established the fact that water rights in this county are not yet settled and the future promises to develop further litigation, involving the legal title to water for irrigation.

The regular term of the court will not commence until after the termination of the present suit. The calendar was called this morning, and the cases set for trial at a later date, coming on the latter part of this and first part of next week.

A Woman's Awful Peril.

Then she began to use Electric Bitters which wholly cured her. It's a wonderful Stomach, Liver and Kidney remedy. Cures Dyspepsia, Loss of Appetite. Try it. Only 50 cents. Guaranteed. For sale by Z. OUR NEIGHBORS.

LIBERTY, IDAHO.

Ward Conference—Encouraging Crop Prospects—News Briefs.

Special Correspondence.

Liberty, Bear Lake Co., Idaho, May 13.—Last Sunday our ward conference was held. We were favored with the presence of Stake Presidents William Budge and James H. Hart.

At this writing the ground is just barely covered with snow. We have had an ideal spring. Plenty of showers, warm days, and little or no frost at night. The prospects for a first class farming season are plentiful.

The health of the people is good and everybody seems busy. School is still in session; our enterprising trustees and teacher are doing all possible for the education of the young.

The saw mill is still running, and under new management bids fair to be a blessing to this section of country.

The sheep have not yet arrived, but they are daily expected.

The branch organization effected here some years ago has done an incalculable amount of spiritual good. Altogether we are prospering financially, intellectually and spiritually. We have no postoffice here, but we hope to soon have one.

GOOD CROP PROSPECTS.

While we have had a dry winter and no water in our reservoir, the frequent showers this spring have put the ground in excellent condition and farmers hope to raise a crop.

If the Elders who have labored in the Norwich conference, but especially those who have partaken of the hospitality of Sister Elizabeth Titchmarsh will communicate with J. D. Lee of this place he will consider it a great favor.

M'PARTLAND'S EASY VICTORY

The Bout Was Stopped in the Sixth Round.

New York, May 22.—Kid McPartland had an easy time with Billy Ernst at the Seaside Sporting club, Coney Island, tonight. Young Starr of Philadelphia, who was to have met McPartland, failed to appear, and Ernst, who was billed to go in the preliminary, was substituted. They were to have gone twenty-five rounds at catchweights, but the referee stopped them in the sixth and awarded McPartland the decision. Ernst had no chance at any time. In the fourth round Ernst commenced to go to the floor. After he had been down almost a dozen times, the referee interfered.

THE RACES.

Cincinnati.

Cincinnati, May 22.—A good colt showed up at Newport today in Sam Lyons, winner of the third race. The youngster won galloping by five lengths over a high class field. Sam Lyons is a son of Mary Alice Lawrence, famous throughout the west as the prize maiden thoroughbred, having started more than a hundred times without winning a purse. Sam Lyons is owned by Dave Prewitt, who also has the colt's dam on his Kentucky farm. Weather fine and track fast. Results:

First race, seven furlongs—Enghurst won, Zelmet second, Miss Hudson third. Time, 1:28¾.

Accident to Jockey.

New York, May 22.—A good day's sport at Morris Park today was marred by an accident which may result fatally to T. Walsh, the jockey. He had the mount on Movay in the third race which was at five furlongs down the Eclipse course chute. Just inside the last sixteenth, Movay apparently crossed his legs and turned a complete somersault, falling on his rider. The boy was carried to the jockey room unconscious and later was sent to the hospital. He was suffering from concussion of the brain. Results:

Sixth race, one mile—Queen of Song won, Voter second, Half Time third. Time, 1:42.

St. Louis.

St. Louis, May 22.—With one exception, favorite swept the card at the fair grounds today. The feature of the day's card was the fourth event, which brought Yellow Tail, the winner of the Inaugural handicap, and The Conqueror together. The California colt was installed as the favorite, but many of the talent favored the Conqueror, and big wads of money went in on him at 9 to 5. Yellow Tail never caused his backers any uneasiness, for, taking the lead at the very start, he made the race a procession, winning pulled up by six lengths from Wounded Knee, who in turn passed the post a length in front of Capron, third. The Conqueror barely beat Hottentot, against whose chances as high as 150 to 1 was laid by the bookies, a head for the last position. Results:

First race, for 3-year-olds, selling, seven furlongs—Morris Volmer won, Georgetown II second, Wig third. Time, 1:29¾.

Second race, maiden 2-year-olds, four and a half furlongs—Alard Sheik won, Siddara second, Sculptress third. Time, 56½ seconds.

Third race, for 3-year-olds and upward, selling, one mile—Easter Card won, Iron Chancellor second, Connie Lee third. Time, 1:42.

Fourth race, purse $400, for 2-year-old colts, six furlongs—Yellow Tail won, Wounded Knee second, Capron third. Time, 1:14¾.

Fifth race, purse, 2-year-olds, five furlongs—Ampere won, Money second, Fred Hessig third. Time, 1:02¼.

Sixth race, six furlongs—Barney Seal won, Balkine second, Maryland Reserve third. Time, 1:16½.

BROOKLYN HANDICAP.

Nineteen Starters Will Face the Flag Saturday.

A New York dispatch today says: There is every indication that a field of nineteen starters will face the flag for the Brooklyn handicap, which will be run at Gravesend on Saturday next. Of these no fewer than thirteen already have been returned winners either at Aqueduct or at Morris Park and the remaining six are perfectly fit to do strenuous battle for the great prize.

The majority of them will get their final trial today and then will come the beginning of the speculation. By common consent Jean Beraud, the property of Wm. C. Whitney, the kingpin of the 2-year-olds of 1898 and the winner of the Wither's and the Belmont in 1899, will share the honor of public favoritism with Perry Belmont's Ethelbert, who began the season so brilliantly by capturing the Metropolitan. But Ethelbert will have no such gallop to the wire as he had at Morris Park and Jean Beraud must needs be in the pink of condition and have more than a moderate share of good racing luck to be the first to catch the eye of the judges at the finish.

The west—that is the distinctive west, because we do not say with class Mr. Madden or Mr. Wimmer or the others whom we surely have with us in the festal season as westerners—will be represented by its best horse, Batten, who arrived here on Monday. He has been handicapped at his best form but last night it looked as though he would have the services of Spencer in his saddle, and that means much in a race in which the judgment of the jockeys necessarily will come into play after the first mad rush for position will have been gone through. Tommy Burns has an engagement to ride Wait Not, and if the Messrs. Schorr will consent he will leave St. Louis this morning to fulfill it.

At the present writing the probable starters, their weights and jockeys are: Imp, 128 Clay; Jean Beraud, 127 Turner; Ethelbert, 127 Maher; Batten, 124 Spencer; Kinley Mack, 122 McCue; Box, 118 O'Connor; Approval, 114 Odom; Rafaello, 113 Jenkins; Half Time, 108 Bullman; Lothario, 107 Shaw; Kriss Kringle, 106 ——; The Kentuckiana, 106 Clawson; Wait Not 103 Burns; Latson, 103 Pickering; Survivor, 100 ——; Knight of the Garter, 100 Slack; Herbert, 98 Mitchell; Advance Guard, 96 Dangman; Strathcona, 93 Henry.
