SOLID FOR SILVER.

Congressman Shafroth Speaks For Himself and Teller.

DEMOCRATS' GREAT OPPORTUNITY.

If they Nominate a Gold or Bimetallist the Scattered Forces May Unite on Him.

KANSAS CITY, MO., June 26.—Congressman John F. Shafroth of Colorado is at the Midland. He was on his way home to Denver from the St. Louis convention, but today changed his plans and will leave for Chicago tomorrow instead.

"I have just received a telegram from Senator Dubois," he said, "asking me to meet him in Chicago Monday to work in Senator Teller's interest.

"Oh, I am one of 'those silers,' he went on, laughing. "I am for free coinage of silver before everything else. And yet I am a Republican, too, from the bottom of my heart. I hope to save the old party. We are in earnest earnest, and election day will show it.

"Whom will we vote for? Senator Teller, of course. That is why I am going to Chicago. We believe the Democratic free silver men have now a glorious opportunity, and we want them to do so as well. But even if we cannot persuade them, if they nominate a true free silver man, a good man, a good man, we shall be for him. The silver vote must be solid this year.

"I left Mr. Teller only day before yesterday at his mother's home in Morrisville, Ill. He expressed the same enthusiasm I have just given. We are right and we shall win."
