LOGAN.

"SMALLPOX" SITUATION.

Christian Snyder Meets With Frightful Accident—Local Politics.

Special Correspondence.

Logan, Cache Co., Aug. 19.—The "smallpox" situation remains unchanged from last reports, no new cases having developed in the infected towns—Paradise, Wellsville and Logan. The county and city authorities have taken all needful measures to check the spread of the disease, and have the matter now well in hand. Dr. Boynton of this city was yesterday appointed to take care of the county cases, and he at once left for Paradise, where he will put into effect strict quarantine regulations. He will then proceed to Wellsville and report the condition existing there. In case the Wellsville authorities persist in refusing to deal with the matter, the county officials will again quarantine the town. It is said that the reason the Wellsville authorities have not acted is because the chairman of the board of health, who claims to be a doctor, said the disease was not smallpox and quarantine was unnecessary. In the case of Paradise, while the town had been granted a village organization, the trustees had failed to qualify, and therefore could not act.

Dr. Budge, the Logan City physician, reports that the two cases now existing in this city are getting along nicely, and thinks the disease will soon be stamped out.

SHOCKING ACCIDENT.

Last evening about 8 o'clock Mr. Christian Snyder, an aged resident of the Fourth ward, met with a serious accident. He was driving homewards from the fields in a single buggy when his horse became frightened and started to run. In trying to stop him, Mr. Snyder got his foot into a wheel and was thrown forward and dragged for nearly a block. Dr. Budge was summoned and found the old gentleman's knee to be badly dislocated and fearfully lacerated, as well as two long and deep cuts on his head, requiring sixteen stitches to close them. The shock to Mr. Snyder's system was so severe that he is in a critical condition as a result, although his friends hope for the best.

LOCAL POLITICS.

As fall draws nigh the political caldron begins to warm up and the parties in Cache are bobbing up with nice new candidates for any amount of political offices, both State and local. For instance the Democrats are pumping air into the boom of a Loganite for gubernatorial honors, as well as having an aspirant for the secretaryship of State and State game wardenship. The Republicans want something from the State, too, and it is said that a supreme judgship is one of their desires. The Democrats have already named their candidates for the First judicial district officers, Judge Hart being nominated to succeed himself and F. K. Nebeker of this city being their candidate for district attorney. The Republicans will name their ticket next Saturday, and it is probable that one of the offices will be awarded to Boxelder county. If Cache be given the judgship nomination, it seems likely that Attorney W. W. Maughan will be named. On account of disaffection in the local Jeffersonian ranks, the Republicans think they have a fighting chance, and are making preparations to give their friends the enemy a run for their money.

DEMOCRATIC COUNTY CONVENTION.

The Democratic county convention to elect 37 delegates to the State Democratic convention in Salt Lake, Sept. 6 and 7, has been called to meet in Logan on Saturday, Sept. 1st, at 2 p. m. The apportionment of delegates is as follows: Avon, 1; Benson, 2; College, 2; Cove, 2; Clarkston, 6; Greenville, 1; Hyrum, 16; Hyde Park, 6; Lewiston, 8; Millville, 7; Mendon, 6; Newton, 5; Peterboro, 2; Providence, 10; Paradise, 6; Richmond, 13; Smithfield, 15; Mt. Sterling, 2; Trenton, 1; Wellsville, 17; Logan No. 1, 3; Logan No. 2, 6; Logan No. 3, 8; Logan, No. 4, 5; Logan No. 5, 6; Logan No. 6, 5; Logan No. 7, 4; Logan No. 8, 4; Logan No. 9, 6; Logan No. 10, 3. Total, 178.

At a primary held in this city last evening, the following named gentlemen were elected delegates and alternates to the Republican judicial convention to be held in Logan on Saturday, Aug. 25, to nominate candidates for judge and district attorney for the First judicial district:

Geo. Q. Rich, E. T. Hyde, Wm. Brougham, Wm. Hibbard, John Spande, J. W. Barrett, Jos. Tarbett, J. C. Walters, Jos. Odell, O. O. Stevens, A. Burris, Chas. Nyman, J. C. Knowles, Niels Carlson. Alternates—Isaac Smith, Thos. Muir, Eli Bell, Emer Crockett, Thos. Smart, Richard Berntsen, Allan G. Fleming.

President Andrew Kimball of the Thatcher Stake, Arizona, is in Logan today.

WILLARD.

Wedding of Miss Nancy Harding and Leslie Nichols—Typhoid.

Special Correspondence.

Willard, Boxelder Co., Aug. 18.—Another of Willard's most esteemed young ladies has left the home of her father and mother to aid in making one of her own. This time it is Miss Nancy Harding, who, last Wednesday, in the Salt Lake Temple, was joined in holy matrimony to Leslie Nichols of Brigham City. The bride is the daughter of George and Mary Harding, old-time residents of this place. For a number of years she has been a faithful and efficient teacher in the Sabbath school and the president of the Y. L. M. I. association of this place and has become greatly endeared to those amongst whom she has thus labored. The groom is the son of the late Bishop Alvin Nichols of Brigham City and a worthy young man.

Water is quite scarce, and fruit and vegetables are suffering; still we have reason to be thankful that the water holds out as well as it does.

That dreaded disease, typhoid, from which many in previous seasons have suffered and some have died, is again making its appearance amongst us.

We have been considerably annoyed by almost continuous wind of late.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. It is a godsend to weak, sickly, run-down people. Cure guaranteed. Only 50c. Sold by Z. C. M. I. Drug Dept.

COALVILLE.

Going to the Big Horn Country—Distressing Accident.

Special Correspondence.

Coalville, Summit Co., Aug. 16.—Gilbert J. Marchant and Robert Allen of Peoa, with their families, passed through Coalville today en route to the Big Horn country, where they will locate.

DISTRESSING ACCIDENT.

While engaged in lassoing a steer Mr. Jno. Redden of Hoytsville, had the misfortune to have one of his fingers nearly cut off. He was seated in the saddle and when he threw the rope over the animal's head, it ran. In some manner Mr. Redden's finger got between the rope and the steel horn of the saddle; when it was released the member was hanging by a shred of flesh.

ARRESTED FOR PILFERING WATER.

Chas. Neel of Oakley was arrested today for appropriating and using water when it was not duly distributed to him. The trial was set for Saturday at 2 p. m.

She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. Such cures are positive proof of its power to cure all throat, chest and lung troubles. Only 50c and $1.00. Guaranteed. Trial bottles free at Z. C. M. I. Drug Dept.

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 3704 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unfailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions.

SSS purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.

PHINEAS COOK IS DEAD.

A Pioneer of '47 — Missionary Farewell—Sunday School Excursion.

Special Correspondence.

Afton, Wyoming, Aug 14.—Phineas Cook an old and respected citizen of this place, succumbed to the final call July 24th, at the age of eighty-one years.

Brother Cook's life has been an eventful one. He embraced the Gospel in 1844, arrived in Salt Lake City in 1847. Being a carpenter and millwright by trade he has been a useful man. He made the first table Brigham Young ate off after arriving in Utah, which is still preserved and kept as a relic by Mrs. Zina D. H. Young, also assisted in building the Lion house. He was the first watermaster Salt Lake City ever had, being appointed by Brigham Young and H. C. Kimbal shortly after the arrival of the pioneers. He built the first mill in Sanpete county, and was the first man to settle in Goshen, Utah Co., and named the place after the village in which he was born. He was one of a party who explored Bear Lake valley, and named the lake "Bear Lake," having an interesting time chasing four bears across the ice on the lake.

The funeral services were very impressive. Patriarchs Archibald Gardner and C. D. Cazier, who had been acquainted with deceased for a period of fifty years, were the speakers. The floral offerings were elegant and profuse, and a large cortege followed the remains to their last resting place in the Afton cemetery.

MISSIONARY FAREWELL.

A farewell dance was given Friday evening for the benefit of Elder Adelbert Gardner, who is shortly to leave for a mission to the Northwestern States.

Our much beloved Patriarch, Archibald Gardner, is visiting his family at Afton and will remain here this summer.

SUNDAY SCHOOL EXCURSION.

The Sunday school excursion to "Moffat's Park" was a very enjoyable outing and the children as well as the older ones, had a grand time.

In the evening an ice cream party was given for the benefit of Elders William Hale and Willard Cazier, who have since departed for a mission to the Northwestern States.

Dr. A. V. Stoughton has just returned from a visit to California, accompanied by a beautiful and accomplished young lady who will now be known as Mrs. Stoughton. A beautiful brick residence has been erected by the doctor at a cost of $2,000. This is the first brick building in the Star Valley Stake.

RETURNED MISSIONARIES.

Elder Clarence Gardner has just returned from a mission to the Eastern States looking well and hearty. Elder and Sister Edgar Roberts have returned from a successful mission to the Samoan Islands.

We still have dry and sultry weather no rain since last spring; our hay and grain crops are below the average. The range is drying up. Cattle and sheep are looking well and soon our meadows will be ready to receive them.

That Throbbing Headache.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and build up your health. Only 25 cents. Money back if not cured. Sold by Z. C. M. I. Drug Dept.

REXBURG, IDAHO.

Geo. P. Ward Meets Shocking Death —Sunday School Conference.

Special Correspondence.

Rexburg, Fremont County, Ida., Aug. 19.—The people of Rexburg were shocked at the fatal accident that occurred here Friday, August 17th. George P. Ward and wife had driven in from their home at Salem. At the Co-op store Mrs. Ward got out. He starrted on down the street, when one of the hounds of the tongue dropped to one side. This caused the horses to shie and jump, throwing Mr. Ward out on the ground. He lit on the top of his head and being a large man, the fall produced immediate death.

George P. Ward was well known in Idaho and Utah. His former home was at Hyrum, Cache county.

He was born in Great Britain on Jan. 1, 1828 and become a member of the Church of Jesus Christ of Latter-day Saints in his early youth. Filled several missions with credit and was in full faith at the time of his death. He leaves a large family to mourn his loss. His funeral was held this afternoon at the Salem meeting house.
