NEWS OF THE WEST.

Striking Lathers Murder a Man Who Would Work.

MINER DIES FROM STARVATION.

An Editor Goes Wrong—Aldermen's Marriage Fee—New Institute Schools.

Blacklegs are appearing among the cattle in Moss county, Colorado.

Fifty German families are to settle on the Shoshone land in the Big Horn basin, Wyoming, this year.

Another Indian scare is being worked up in the Jackson's Hole country, Uinta county, Wyoming.

The confederation within Junior Americans of Bridgeville, Idaho, selected recently for hanging a young couple who a lot of cedar posts.

Clam Spout has been bought by several Oregonians some of your sugar beet lands, and is boasting it all 50 an acre to sugar beet farmers.

Thomas C. Amesse, editor of the Bellingham (Wash.) Advance, resigned his wife and from children, not work, and left for Mobile, Ala., to elope with a widow with whom he had become fascinated.

A juvenile chicken near Cheyenne, Idaho, is being exhibited by Wyoming, who claim to bring about rain, which is a considerable quantity of leaks and Little Bear is not the just yet.

County Clerk Hill, of Rosey, Calif., is puzzled. A will written by the client Chinaman of Chinatown and Mexican has been filed for record, and he is at a loss how to determine if late the will applies for that purpose.

Three men and a kid are now confined in a Montana jail on a charge of participating in a shooting affair. The men claimed were allowed to select a prospector of mining claims, while the woman was sent to jail for five days.

Rawlins, Wyoming, Journal: A Meeker whipped one of his women in the south Bow Wednesday with a buffalo strap until her back was black and blue with welts. The whipping was done in the street in broad daylight. The woman refused to prosecute.

The wife of James Addison Peralta, Bowie, she moved to the Peralta land court in Arizona, is in Denver in feeble circumstances. A very few friends who still stay by her are supporting her some little assistance. She claimed to be the sole surviving daughter of Don Miguel Peralta, the original proprietor of what has become known as the Peralta land grant.

News has been received from Lander, Wyo., that the young colonist Ike Wachabe, who was shot by Lander people, may die at any moment. It looks as if a feud is about to break out between the settlement Sioux and the Indians of Wind River, caused by the shooting of young Wachabe. The Indian police who are in search for the murderers have not yet returned.

Metal subscriber: March 16, the Lottsdale Salute conference convened at Portage, with a new large attendance, President George Q. Cannon of Salt Lake was present and gave the people some very good advice, he urged the necessity of cultivating a feeling of confidence in the Church, as well as in business matters. He related several instances where it even very good, those faiths created their unsuspecting brethren.

The hotel men of Southern and Central California are determined to give the visiting hotel men of the United States, who meet in Los Angeles in April, a rousing reception. They have subscribed to the amount of $10,000 for their entertainment. It is their intention to make the annual banquet at the Coronado the biggest event of the kind ever held in the United States. Arrangements are being made for 1,000 guests, and it will be a most brilliant affair. Professor G. Wharton James will preside and act as toastmaster.

Kate Morse, an Italian woman residing near the Santa Fe railroad track in San Bernardino, Calif., was arrested Friday evening, charged with an attempt at train wrecking. The crew of a switch engine found an obstruction amounting placed in a frog and also between the inner rail and main rail. The woman admitted the crime, and said it was done purposely as the railroad company had killed her husband and she proposed to get even with them. The woman is very ignorant, and apparently has no idea of the gravity of her offense.

A. J. Chalmers and Fred. Gantz, surveyors, returned Friday evening from the site of the old town of Orleans, three miles northwest of west corner of the new prospective city of Waldec, Nev., and report the finding of the body of Evan Davis dead on the floor of his cabin. Investigation showed that death was caused by starvation. Not a morsel of food of any description could be found in or about the place. Davis was a middle aged, and has long been given to morose and cut toward the world and did not mingle with his fellows.

The striking lathers in San Francisco have committed another murder in killing Charles A. Marx, who worked at a job where they refused to shoot off. He was not working for less than union wages. The strikers wanted all work stopped, and as they came up to him said, "Not now, you take another contract to one day." Immediately an assault was made on him and he was severely clubbed. He managed to walk home on the sidewalk, he was able to speak, when while his wife was dressing his wounds, he said, "Mamma, my I receive a friend, or two friends." The murderers are men who had been notified.

Found the Explanation.

Miss Anna M. Smith, who is at work in the geological room of the University of Michigan for the season, spoke to lecture, one United States Indian as a people, has built a special study of the educational business of Michigan, and has found the explanation of the unusual popularity of the boundary line which has never been fully accounted for.
