GOOD CROWDS SEE GOOD RACE CARD

Plenty of Fast Going and Furious Finishes Keep the Fans Excited.

WEATHER IS NOW SENSIBLE

Track Improving Rapidly Under the Rays of Friendly Sun and Attendance Jumps Immediately.

An open, brisk, but not cold, day brought out hundreds of lovers of horse racing yesterday. The fair grounds saw the biggest crowd yet and with continued favorable weather the races will be attended as they deserve to be, for never has Salt Lake seen better events nor more thoroughly handled and managed affairs. Today being Elk day will see dozens of the Best People of Earth in the grandstand. All Elks and ladies will be admitted free. The track will be in good shape today and this will help the good cause along.

The sixth and last race of the day was the star performance of the afternoon, and it was a hard jar to the talent as well. M. Nelson, the jockey who rode four winners in four mounts the other day was on Reene W., the favorite. The combination of rider and horse brought out heavy playing. On the last turn Reene W. broke for the gate, and it was only by nifty work that Nelson saved himself form being thrown. Belden nosed ahead but was pushed to the limit by both Black Dress and Hand Me Down. The three-in-line finish brought out lots of cheering, to which talent contributed in spite of what the race meant to those who had picked Rene W.

The fourth race saw Maxetta take honors away from Jack Pine and Mrs. Neugent, and this was the second slap at the talent. The other four races were won by favorites. Western in the fifth was picked but Yada and Manila S. looked good so Western's stock went down. The judges notified Jockey Morse to ride the best race in his horse and himself. The boy did, finishing five lengths to the good over Manila S. "Yada also ran." She didn't show, even. Wist, a little black filly made a spurt on the home stretch of the second race nd thus proved the favorite pickers to have been wise men. Wist was a "dark horse" figuratively as well as literally; this was her second appearance.

WATERLOO CUP WON BY WOLF, A MONTANA DOG

Butte, Oct. 22.—The Wolf, owned by Thomas Knight of Butte, this afternoon won the historic Waterloo stake and cup at the Teague coursing park, defeating Rear Admiral, owned by H. R. Elliott of Salt Lake City, 6 to 1. The contests were close and called forth brisk betting.

In the semi-finals this morning Rear Admiral defeated Horace E., owned by W. R. Tonkin of Seattle, 4 to 0, and The Wolf defeated Clyde, owned by Mrs. R. J. Carroll of San Francisco, 2 to 0. The decision of the judges against Clyde was protested by Mrs. Carroll.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefor leaves no bad after-effects.

"For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am gaining all the time. I can lie down and sleep like a child, and am able to do my work."
MRS. MAY SCOTT, English, Ind.

Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.

London, Oct. 22.—Mr. Perrin, secretary of the British Aero club, was questioned today concerning the suggestion cabled from St. Louis by the American Aero club that the 109 race for the Bennett cup be held in St. Louis. He pointed out that it would be impossible to accept this offer, as under the rules the race must be held in France, in the event that the British club decides not to hold it in England.

Paris, Oct. 22.—The Aero club of France has decided to organize a big aeroplane meeting in the autumn of 1909, when the Grand Prix d'Aviation will be competed for. CABRERA'S PROPERTY.

San Francisco, Cal., Oct. 23.—Officers of the federal immigration service who have been investigating records here have made the interesting discovery that vast property holdings of President Cabrera of Guatemala, have been given the cloak of American protection through Cabrera's son, who was first naturalized in this city, where he resides, and to whom there has been transferred, it is said, a good share of the plantations and estates that make up the Cabrera fortune.

Diego Estrada Cabrera was naturalized here in 1907, having resided here for some years during his attendance at the university. While it is said that the course taken is somewhat unusual, it is believed that in the event of war, revolution or pillage, the United States would be obliged to protect the Cabrera holdings.
