REVIEW OF PREVAILING ATHLETIC SPORTS

THOUSANDS WILL SEE MARATHON

Six Greatest Runners in the World To Line Up for Race.

A CASH PRIZE OF $10,000.

To Victor Goes $5,000; Second Gets $2,500; Third, $1,500, and Fourth, $1,000—Betting is Unsettled.

New York, April 3.—Showers are predicted for New York and vicinity today, but undaunted thousands began early preparations to journey northward to the National league park, or Polo grounds, where there will be held this afternoon the greatest professional Marathon race in history. The first Marathon, it is recorded, took place more than 2,000 years ago but surely no more sturdy runners ever competed in days gone by than the six who will struggle over the five-lap track for 26 miles and 385 yards here today. There were intermittent showers last night, but the track has not been affected to any great extent and even in the event of a terrific downpour the race will be run and the thousands of spectators, soaked, perhaps, will be on hand, notwithstanding.

Ten thousand dollars is the prize for which the runners will fight. To the winner will go $5,000; to the second man, $2,500; to the third, 1,500; and fourth $1,000. The contestants with the exception of St. Yves, the dark horse from France, are well known here, having competed in Madison Square Garden and elsewhere since the Marathon craze swept over this country following the victory of Johnny Hayes, the New York dry goods clerk, at the Olympic games at London, and the subsequent arrival of Dorando Pietri in New York to prove that he was Hayes' master.

LIST OF STARTERS.

The list of starters follows:—

Tom Longboat, the Canadian Indian; Dorando Pietri of Italy; Alfred Shrubb, the great distance runner of England; Henri St. Yves of France, John J. Hayes, the Olympic Marathon winner, and Mat Maloney, the Brooklyn boy, who recently turned professional and who holds the outdoor record for the distance.

Betting on the race is uncertain and unsettled, though generally speaking, Longboat, who has twice defeated Dorando in special match races, is quoted favorite with Dorando next in demand. The Indian is held at 7 to 5, but with few takers at that price, while Dorando was quoted yesterday at to 2 to 1, with those who were disposed to wager asking for bigger odds. The others were quoted all the way from 4 to 1 against St. Yves to 3 to 1 against Hayes.

NO REGULAR BOOK.

There appears, however, to be no regular book on the race and wagers will be laid principally between individuals. St. Yves is an unknown quantity, for he comes to this country with a record of five victories and no defeats. He is said to have a trial over the Olympic course in England in the record time of two hours, 37 minutes, 23 seconds. He also defeated Pat White in a Marathon race in Scotland.

"Big Tim" Sullivan has been selected to fire the starting shot at 3 o'clock when the runners will jump from the mark and begin the weary grind around the pear-shaped track.

RECORDS IN FULL.

Longboat—Time, 2:45:05 2-5; place, Madison Square Garden.

Dorando Pietri—Time, 2:44:20 3-5; place, Madison Square Garden.

Hayes—Time, 2:44:40 1-5; place, Madison Square Garden.

Maloney—Time, 2:36:26 1-5; place, Rye to New York.

St. Yves (x)—Time, 2:31:33; place, London.

Shrubb (xx)—Time, 2:24:05; place, Madison Square Garden.

(x)—Made over Olympic Marathon course in special time trial.

xx)—Shrubb had broken all existing records up to 22 miles in the race with Longboat, when the Englishman collapsed.

Hayes' time in Olympic Marathon was 2:55:18 2-5.

BILLINGS' TROTTERS ON THEIR WAY TO EUROPE

New York, April 3.—C. K. J. Billings' string of trotting horses, will start from Hoboken for Europe today on the Hamburg-American ship Patricia. The horses reached New York yesterday from Cleveland, Ohio. After arriving at Hamburg they will be sent to Berlin preparatory to an invasion of the Continental trotting turf, something which is quite a novelty in racing in that few American horses owned and managed by Americans have ever competed on foreign trotting tracks.

The string will first appear at St. Petersburg and later at Moscow, Berlin and Vienna. Mr. Billings himself will go abroad soon to watch the performance of his animals.

Quarters almost palatial in equipment have been provided for the string which includes besides two saddle trotters, Wyoming and Monticello, the following: Lendimon, 2:05½; W. J. Lewis, 2:06¼; Tempus Fugit, 2:07¼; Fleming Boy, 2:07¾; Turley, 2:07¾; Bertha Mac, 2:08, and Delight, trial, 2:08¼.

SOX NO. 2 WIN ANOTHER.

Pueblo, Colo., April 3—Olmstead was in great form and the Chicago Americans No. 2 won by a score of 6 to 6.

Score:	R.	H.	E.
Chicago	6	11	2
Pueblo	0	3	4

Batteries—Olmstead and Payne; Galgano, Nichols and Mitze.

MARATHONER, "JIMMY" REYNOLDS.

Reynolds is one of the fastest roller skaters in the intermountain country. He won the Marathon race at Butte and then entered the one given in this city, losing to Willie Schatz. In the recent six day race at Butte he, with Wally Bradford, won the race over Schatz and Hardy. Reynolds and Bradford will arrive tomorrow to enter the six day race at the Auditorium, beginning Monday evening.

FIRST GAME FOR INTERCOLLEGIATES

University of Utah and L. D. S. U. Teams Clash This Afternoon At Walker's Field.

The first game in the series of the Intercollegiate baseball league is being played at Walker's field this afternoon, the rival teams being from the state University and the L. D. S. university. There is every reason to look for a rattling good game. One is that the teams have been rivals for more than a year, and the other is both aggregations are in first class shape for the contest.

The L. D. S. U. players have been working hard for the past two weeks, practising down at Walker's when the weather permitted and the school has an exceptionally strong team in the field this year. The University team had the last workout last night and every man gave a good account of himself. The eligibility rules were set in motion but only one man was barred off the team, and that man was Lewis, the shortstop. His place will be taken by Sneddon.

Larson is slated to do the twirling for the bunch from the bench and Grant, the crack Bountiful pitcher, will be in the box for the L. D. S. U. boys. These pitchers are pretty evenly matched and should finish close in their work. The teams line up as follows:

Utah.		L. D. S. U.
Stephens	C.	Snow
Larson	P.	Grant
Jones	1 B.	Horton
Smith	2 B.	Gallagher
Muir	3 B.	Lee
Sneddon	S. S.	Faust
Dyer	L. F.	Nielson
Spitko	C. F.	Richards
Banning	R. F.	Home or Lund

SPORTING NOTES.

In a seven inning game yesterday afternoon the Henagers defeated the All Hallows boys by a score of 4 to 2.

George Taylor, who so successfully coached the champion basketball of the L. D. S. U., will coach the baseball team of that institution. Adam Bennion is the manager.

On Tuesday afternoon the High school baseball team will play a practise game with the University nine on the U. campus. The High team has not been picked yet, but as there is an abundance of good material on hand no doubt the team will be a good one.

Recently a match race for a distance of five miles for a side bet of $50 was arranged between D. Moon and C. Hinke, and was scheduled to be run yesterday afternoon. A forfeit of $10 each was posted. When the time arrived for the race Hinke failed to put in an appearance and Moon ran the distance in 30 minutes and 10 seconds and claimed the forfeit.

W. E. Sturgeon, known as "Rabbit," Jack Shanahan and R. W. McIntosh, three clean cut looking young ball tossers, arrived here last evening and at once hunted up Manager Farnsworth of the local team in the Intermountain league, and stated they were ready for practise. "Rabbit" Sturgeon is an outfielder, McIntosh, a catcher, and Shanahan, a twirler. They stated they have done no work this spring, but are in fairly good shape, and will soon round into playing condition.

Jimmy Reynolds, the crack Butte roller skater, who won the Marathon there, and with Wally Bradford, won the six-day race from Schatz and Hardy, reached this city last night. Bradford will arrive this evening and the two have signed to enter the six-day race beginning next Monday night. Reynolds says that the report to the effect that the Salt Lake boys were not given fair treatment in Butte is not correct. He says the youngsters made a great many friends by their fast and clever work, and that they made a hard pair to beat. Reynolds is confident, however, of taking first money back to Butte.

Johnson says his sole reason in going to New York was to force Jeffries into a match. He will long regret the day that he meets the retired champion in the ring, if he ever does. Jeffries has shown that he does not fear the negro, and has also stated that he does not want to meet him at present for the purpose of talking fight. If Johnson becomes insistent, he may find himself with a fight on his hands which he will not relish, in which he is bound to come outsecond best. The Australian papers stated that the colored man is suffering from a "swelled head," but "Dr." Jeffries is the man who can reduce the size of his cranium in a hurry.

FIGHTERS SIGN UP.

Memphis, Tenn., April 3.—Forfeits have been posted by Young Donohue of Boston, and Tommy Devlin of Philadelphia, for their appearance in an eight-round bout before the Jefferson club on April 8 at catch weights.

SHILLING REINSTATED.

Santa Anita Stewards Are Merciful to Wayward Jockey.

Los Angeles, April 3.—The Santa Anita stewards decided today to reinstate Jockey R. L. Shilling, but to restrict his mounts to his contract employer, R. L. Thomas. Shilling was suspended March 2 for rough riding in the Los Angeles derby. An investigation of Shilling's riding disclosed the fact that the jockey had been offered $500 to pull one of Thomas' horses. Shilling informed Thomas' trainer of the attempted bribery and the trainer had the horse excused from the race. Shilling has given the name of the would-be briber to the track stewards and action against him is probable. Shilling left today for Emeryville to ride Flying Squirrel in Saturday's stake race.

MORNINGSTAR WINS.

New York, April 3.—Ora Morningstar of this city is the new world's champion at 18.2 balkline billiards, having won the honor by defeating George F. Slosson in the final game of the international tournament tonight.

Besides winning the championship emblem he gets a cash prize of $1,000 and 40 per cent gate receipts and entry money. George Sutton of Chicago gets second prize, 25 per cent of the money; George Slosson of New York and A. S. Cutler of Boston get third.

SPORTING NEWS OF LOCAL INTEREST

Most Important Athletic Event of Coming Week is Six Day Race.

RACING AT WANDAMERE.

Baseball Fans Get a Taste of Their Favorite Sport—Good Things Promised by Intermountain League.

The most important event locally in sporting circles is the big six day roller skating race which starts next Monday evening at the Auditorium rink in which two-men teams will compete 30 minutes each evening until and including Saturday evening. The race will be a relay affair, arranged so that a member of any team may relieve a partner at any stage of the race. The contests have become decidedly popular in the west. One was run at Butte recently and another at Denver prior to the Butte race. Next week's race will be the first of the kind ever run in Salt Lake City and the amount of interest already shown insures its success.

Teams will enter from Salt Lake, Ogden, Logan, Provo, Butte, Seattle, Cheyenne, Los Angeles, San Francisco, Denver and other places. Particular interest is centered in what promises to be a hot race between the Salt Lake, Logan and Butte teams. Here, Schatz and Hardy will be the favorites. They will have to go against the Green brothers of Logan and the Butte team composed of Bradford and Reynolds.

RACING AT WANDAMERE.

During the week W. M. Murray, the well known race horse man who gave Salt Lakers a taste of real horse racing last fall at the State Fair grounds tracks, secured a lease on the track at Wandamere and announced he would promote a 26 days' meet in May, beginning the first of that month, and another meet of 22 days in the fall.

Murray is off for Los Angeles and Oakland to sign up horses from the best stables in California to come here for the meets. He states he will improve the Wandamere track, build new stables, grand stands, paddocks and fences. He is confident the game is a paying one here and, judging from the business done last year, he is not mistaken in his judgment.

With this meet and the program to be run at the State Fair track Salt Lake will attract considerable attention as a racing center. The "sport of kings" is most popular here and if the races are run on "the square" they are bound to be successful in every respect.

INTERMOUNTAIN LEAGUE.

In spite of the doubts expressed as to its possibilities and probabilities, the Intermountain Baseball league seems to be a go. President Lucas and his henchmen have apparently had a hard row to hoe but they seem to have overcome all opposition and present conditions indicate the league will be a success.

Manager Farnsworth of the Salt Lake team has been busy for several days in the work of forming a capable team, and he gives out the assurance that his efforts will meet with success. Ogden may be counted upon for a first class team, while Boise, Butte and Helena are also in line. In addition to the Intermountain league and the games to be played in the same, we will have, no doubt, a state league, and the fans will be given every opportunity to witness exhibitions of the great national pastime.

ON THE RACE TRACK.

At Oakland.

Oakland, April 3.—Dandelion, the well-played favorite, scored an easy victory in the mile race feature of the program at Emeryville today. The Hildreth horse found the route to his liking and, taking the lead in the last quarter, led Rubia Granda and Boggs past the wire. Red Leaf won the mile and a half race cleverly.

Los Angeles, April 3.—Although Prolific was the solitary winning favorite at Santa Anita this morning, the public fared very well, as, with one exception, all the winners received substantial support. TWENTY ROUND DRAW.

Savannah, Ga., April 3.—Because both men were on their feet at the end of the 20-round fight here tonight, the referee declared that Young Britt of Baltimore and Charlie Goldman of Boston had fought a draw. However, had there been no agreement about this, Goldman would have received the decision.

SIX DAY BIKE RACE.

Atlanta, Ga., April 3.—Today's riding in the six-day bicycle race at the Velodrome track here was faster than any other day since the contest was begun. The afternoon's riding was a continuous series of sprints, in which Williams and Mackay lost a lap.

The sprinting continued until the fifth dash, Wylie and Bardgett losing three laps and Williams and Mackay one, leaving the standing of the teams at 10:30 o'clock as follows:

Root and Folger, Walthour and Collins, Cameron and Mitten, 830 miles, 10 laps; Williams and Mackay, 830 miles, 8 laps; Bardgett and Wylie, 830 miles, 6 laps.

WALSH JOINS SOX.

SOCKER MEETING CALLED.

Efforts Being Made to Organize League To Promote Great English Game.

On Monday evening next there will be a meeting of the Utah Socker Football association at 63 east First South street, the object of the gathering being to organize a football league for Utah and promote the great English game. All the teams in the state have been requested to send representatives to the meeting and discuss the future possibilities for the game. The Caledonians of this city have accepted the challenge from the Eureka aggregation and a game will be played on April 11. The locals are rapidly getting into excellent shape for the season's work.

ATHLETES WORKING HARD AT STATE UNIVERSITY

Athletes at the state university on the track and field and baseball teams are rapidly rounding into excellent form. The continued good weather has made it possible for the boys to get out and work hard in preparation for the coming contests, and they have not neglected the opportunities offered.

The first intercollegiate game of the season is on this afternoon between the U. nine and the team representing the L. D. S. U. The teams are evenly matched and both aggregations are in splendid shape considering the earliness of the season.

The track and field men are losing no time in conditioning themselves for the tests that are soon to come when they will line up against the Stanford team and then other teams in the state meet.

The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by all druggists.
