# MORE CHAMPIONS ARE COMING UP

## Revival of Boxing In New York Is the Cause, Says Tad.

## BOUTS TO BE TEN ROUNDS.

### Expert Picks Some Live Ones Who Will Likely Go After Different Titles.

Tad, a New York pugilistic critic, says:

Now that the boxing game is to be opened once more in New York, we may expect to see some champions develop who will be hustling for titles within a year.

Last year we developed a few here who figured well with wonders of the different classes, and now that 10-round bouts are to be run off, the best boys of the east will surely work out. There is no class in pugilism which is overburdened with claimants for the title, but within the next six months we should have two or three lads who will be worthy of giving any champion a run for his title.

In the bantam class there is Young O'Leary, Johnny Daly and Kid Murphy. Then, in the featherweight division, we have Jem Driscoll and "Knock-Out" Brown, a bad who may be heard from soon.

The lightweight division in the east is surely a knockout class. We have just as good lightweights right here in town as they have any place in the world, and an elimination race of the bunch would surely pull out a boy to meet the great Dane. Look them over: Jack Goodman, Young Otto, Leach Cross, Tommy Murphy, Johnny Marto and several others. If there are any so-called champions in the west who think this is an easy gang, let them come.

We are a bit shy on the big boys, but there is Frank Rhodes in the middles; Sailor Burke and Jack Robinson. We can't expect them to trim Langford, but they should go a few with the white lads.

In the heavies there are only a couple: Jeannette and Stuart, who would do, but when we think of them facing Artha we roll over again.

Received this from the Grand Old Man of Massachusetts, Mike Twin Sullivan: "Cambridge, Mass.—Tad, New York: Happy New Year, Tad. Would like to box Willie Lewis at the National club. Mike Twin Sullivan, welter champ."

A western writer now comes out with a story that Burns was double-crossed by Johnson.

Guess Burns was more than that from the looks of his mug next day.

Young Otto, that very dangerous lightweight, who resides in this town, is going to Europe the 16th of this month. Funny thing about Otto. He never was a champion, never was even a near champion, but there isn't a near champion in the country who will give him a chance to fight.

Welsh and McFarland passed him up. They would rather take a chance to go to jail and here in New York the scrappers are just as much afraid of him. Otto has one right hand slam that has them frightened to death. He may get the winner of that Britt-Summers go in London early next month.

Stanley Ketchel, middleweight champion of the world, who has been spending the holidays with his folks up in Michigan, will be here in a few days.

Ketchel has a bunch of trouble on his mind these days. A dark man from Boston, by the name of Langford, is trailing him, and there's only one way out of it, and that is "Brodie off the Brooklyn Bridge." Maybe Ketchel is coming to take a slam at the "Road to Yesterday," as some of them dub the bridge.

## BASKETBALL GAMES IN ENSIGN LEAGUE

There were some lively games in the Ensign Basketball league last evening, and in one of them a record for a big score was made. The Twentieth ward, in its hall, defeated the Twenty-first ward team by the overwhelming score of 143 to 1. The lone score was made on a free throw allowed by foul. Hawley threw 18 of the baskets in the first half and one more than that in the second. The teams lined up as follows:

| Twentieth. | | Twenty-first. |
|---|---|---|
| Hawley | L. F. | Borne |
| Thomas | R. F. | Erskine |
| Kimball | C. | Brighton |
| Richardson | R. G. | Farrington |
| C. Romney | L. G. | Mutr |

Field throws—Hawley, 37; Thomas, 17; Kimball, 8; Richardson, 1; Romney, 8. Free throws—Erskine, 1. Mulvey, referee.

In the second division the Twentieth was again victorious by a score of 66 to 8. The lineup:

| Twentieth. | | Twenty-first. |
|---|---|---|
| C. Romney | L. F. | Borne |
| H. Romney | R. F. | Farrington |
| Parker | C. | S. Brighton |
| Service | L. G. | Erskine |
| Richardson, Sloan | R. G. | Brighton |

Field throws—C. Romney, 16; H. Romney, 12; Parker, 4; Service, 1; Borne, 1; S. Brighton, 3.

The game between the Twenty-seventh and Eleventh ward teams resulted in victory for the former by a score of 39 to 13.

### MEETING IS CALLED.

A meeting has been called for tomorrow evening of the Commercial club of the Utah Fish and Game Protective association for the purpose of discussing game laws. It is likely that a committee will be appointed to work with the legislature for such laws as are desired.

### TEAM GETTING READY.

#### Y. M. C. A. Basketball Five Observing Strict Training Rules.

The importance of good condition for any kind of physical contest is recognized by Physical Director Hoffer of the Y. M. C. A., and he has started out to condition the basketball team in preparation for the game with Provo on Saturday, and the big trip through Colorado, which starts during the next two weeks.

Members of the team have been given printed rules as to exercise, sleep and diet and they are observing them to the letter. The game with Provo promises to be a warm contest and the Y. boys are anxious to be in perfect trim.

## CONDITION THE THING, SAYS STANLEY KETCHEL

Grand Rapids, Mich., Jan. 6.—Stanley Ketchel, the middleweight champion, is getting wise as he gains experience in the roped arena. Stanley is visiting his parents at Grand Rapids, Mich., and in talking of the game today said:

"It took me quite a while to learn that a man must be in condition when he fights, no matter what kind of a dub he may be against. I have learned my lesson, and you can bet I will be in shape when I enter a big contest. I learned that a man can be knocked down and out, and that means you must be in condition, whenever you enter the ring. After I beat Papke the first time in Milwaukee I thought I could not be beaten by a middleweight, and you know what Papke did to me the second time. That taught me a lesson, and you bet I was right when I fought him the third time.

"I have had some good offers to go on the stage, and I may do so for a few months, although I would prefer to fight. I would not mind meeting Tommy Burns, for I think I could beat him. My manager, Joe O'Connor, will not listen to my meeting the colored man, so Sam Langford is out of the question. He is a pretty good heavyweight, weighing around 170 to 175, so they tell me. I may meet Kelly again, that is, if he wants a match again so badly, but I will defeat him just as I defeated him before. Kelly is a clever fighter, and put up a wonderful battle against Papke, and is entitled to another meeting with me. Papke wants another chance, but I will give Kelly the first call, and may then consider Papke.

There is no prospect of Ketchel going after Jack Johnson, for he would be handicapped the same as Tommy Burns was in weight, height and also in reach.

## BASEBALL TROUBLE IS ALL OVER WITH

Cincinnati, Jan. 6.—The three days' session of the national baseball commission closed today when the national association of minor leagues agreed to follow the class "AA" clubs and allow the commission to settle the diffrences between the two factions regarding the territorial rights of the Eastern league and the American association.

Every difference that existed when the conference began has now been adjusted. The report of the commission will be issued within the next five days.

Regarding the admission for the world's championship games, the commission fixed the maximum price at $2 and the minimum at 50 cents.

The commission discussed the possible chances of bettering the conditions among the "outlaws" on the Pacific coast, and after a conference with J. Cal Ewing of the Pacific Coast league, decided to postpone any action until the next commission meeting at Chicago on Feb. 16. The National and American leagues also will meet in Chicago then.

The National Association of Minor leagues accepted the resignation of President P. T. Powers and Director O'Brien, president of the American association.

M. I. Sexton of the Three I league was elected to succeed Powers and F. C. Carson, president of Central league, to succeed O'Brien.

### BASEBALL MAN HURT.

#### "Uncle Nick" Young of National League, Falls Down Stairs.

Washington, Jan. 6.—"Uncle Nick" Young, who was president of the National baseball league for many years, fell headlong down the stairs at his home in this city a few days ago and was painfully hurt. Fortunately the veteran baseball man landed on his hands and his injuries consisted principally of a sprain to his right wrist and arm. His condition is reported to be improving. While he has been out of baseball for several years, he rarely misses a game during the local playing season.

## BOXING GETS LEASE OF LIFE IN CHICAGO

Chicago, Jan. 7.—Boxing is to have a temporary lease of life in Chicago, but Mayor Busse, who has issued a permit for an entertainment said that its day would be brief. Two exhibitions will be given Jan. 29 by the Seventh regiment and the officers have given their word that "hard hitting" will not be allowed. "Cyclone" Johnny Thompson and Tommy Mowatt will probably take part.

"This permit does not mean that the lid has been taken off boxing," says the mayor. "I have just made an exception in this case."

### ATTELL AT GOLDFIELD.

Goldfield, Nev., Jan. 6.—Abe Attell, who will meet Freddie Weeks in a scheduled twenty-round bout here on Jan. 14, arrived here tonight.

### ON THE RACE TRACK.

Oakland, Jan. 6.—Clear weather prevailed at Emeryville today, but the track was very muddy. The feature of the card was the fourth race, in which some clever performers met. Bellewether opened favorite, but a plunge on Jacobite caused the Ellison horse to rule first choice when the field went to the post. Bellewether went to the front at the start and was never headed, winning from Grace and Jacobite. Gambilinus, a 10 to 1 chance, proved a surprise in the mile event. Gilbert Rose added another 2-year-old race to his credit when he beat Good Ship. Results:

### At Los Angeles.

Los Angeles, Jan. 6.—In a remarkably run race, Jack Atkins, carrying 112 pounds, easily won the San Maringo handicap of five and one-half furlongs at Santa Anita park today. He was a 7 to 20 favorite and his victory stamped him as the best sprinter in the west. The favorite was so full of run that Powers was unable to hold him and when the field straightened out in the stretch he was in front and won easily by three-fourths of a length from Waterbary, with Fern L. third. The time was 1:06 2-5. Three favorites won. Results:

First race, five furlongs, selling—Elisabeth Harwood, 107 (Page), 9 to 2, won; Fore, 107 (Howard), 5 to 2, second; J. H. Reed, 112 (Troebel), 5 to 2, third. Time—1:00 2-5. Guise, Lula G., Foundamental, San Vito, Servicence, Bertha and Osorine also ran.

For months Salt Lake City readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. Sarah Pearson, living at 543 Elizabeth St., Salt Lake City Utah, says: "I gave a statement recommending Doan's Kidney Pills in 1902 and at this time think just as highly of them. I have used them on many occasions during the past five years when suffering from attacks of kidney trouble and backache and they never fail to give the most satisfactory results. I think I can unhesitatingly recomend the remedy to others suffering from kidney trouble. I inherited my kidney trouble and suffered for many years. Sharp pains passed through my back and loins and there was a weakness of my kidneys. I procured a box of Doan's Kidney Pills at F. J. Hill's drug store and they gave me relief at once. I continued taking them and they cured me in every sense of the word. I advise anyone suffering from the same disease to take Doan's Kidney Pills.
