A LENGTHY MEETING.

The City Council In Session Until After Midnight.

THE MUNICIPAL FINANCES.

Heber M. Wells Resigns From the Board of Public Works.—A Building Inspector Appointed.

The auditorium of the City Council chamber was filled to overflowing last night with spectators and persons seeking for appointments to positions on the police force. It was 8 o'clock when Mayor Baskin took the chair and called the municipal legislators to order. Those who answered to roll call were: Rich, Folland, Kerrick, Moss, Bell, Horn, Ewing, Simonds, Lawson, Leatherow, Hardy, Evans, Smoley, Hebe and Woolland. Absent—none.

The minutes of the previous meeting were read, amended and approved, also which the following

PETITIONS

were read and referred as specified.

Joseph Openshaw asked for an extension of sewerage laterals on H street. Committee on sewerage.

H. Dewsnupp complained of excessive waterworks assessment. Committee on waterworks.

G. H. Dethwell and others asked for an extension of waterworks in City Park Addition. Committee on waterworks.

J. S. Walker asked to be allowed to use a portion of the street on which to pile building material. Committee on streets.

F. W. Bluhm asked for free license for three months. Committee on license.

Thomas E. Wooling asked a rebate on his merchant's license. Committee on license.

William Davis asked for a free peddler's license. Committee on license.

Mosher, Flood & Company asked a rebate on liquor license. Committee on license.

J. A. Grossbeck and others asked that Seventh South street, between Fifth and Eighth West streets, be put in passable condition. Committee on streets.

Teadon & Heath asked that Second West be graded and leveled from Fifth to Eighth South streets. Committee on streets.

Mrs. J. Robbins asked for an extension of waterworks on Ninth East, between Fifth and Sixth South streets. Committee on waterworks.

Robert Smith sent in a communication in which he protested against a canal being constructed through his property. Committee on irrigation.

Robert Smith asked for the third time that the Rio Grande Western Railway Company be compelled to put Sixth West Street in a passable condition. Committee on Streets.

J. H. Chetwin and others asked that the main ditches around their property be repaired. Committee on irrigation.

Edward H. Evans asked that the city counsel the Union Pacific Railway Company to remove a switch from the street in front of his property, or reimburse him in the sum of $1,200. Committee on claims.

Aircroft Bros. asked that they be relieved from paying certain sidewalk taxes. Committee on streets.

T. J. Everill asked that the city lease him an acre of lime stone ground in the northern part of the city. Committee on public grounds.

John H. Walker and others asked that T. J. Dawson be appointed mounted patrolman. Referred to the Mayor.

The resignation of Benjamin Johnson as a member of the Franks' patrol system was received.

WANT DAMAGES.

The Sells Lime Rock and Cement company represented that its property had been damaged to the amount of $500 by the construction of a water pipe line through the same, and asked to be reimbursed to that amount. Committee on claims.

AIRCROFT BROS. asked that they be relieved from paying certain sidewalk taxes. Committee on streets.

T. J. Everill asked that the city lease him an acre of lime stone ground in the northern part of the city. Committee on public grounds.

John H. Walker and others asked that T. J. Dawson be appointed mounted patrolman. Referred to the Mayor.

The resignation of Benjamin Johnson as a member of the Franks' patrol system was received.

WANT DAMAGES.

The Sells Lime Rock and Cement company represented that its property had been damaged to the amount of $500 by the construction of a water pipe line through the same, and asked to be reimbursed to that amount. Committee on claims.

ONE OF NORTH BENCH PIPE LINES.

Superintendent of waterworks Ryan reported that the amount of the special assessment for water main extension on the north bench was $20,080.08, at four mills per square foot, and that the estimated cost for six-inch pipe with four valves to each street was $80,000, provided that four-inch pipe is laid on streets running north and south and six-inch on streets running on east and west. Received and filed.

THE CITY'S RESOURCES.

City Auditor Hoag submitted, by request, the following statement which was received and filed:

To the Honorable Mayor and City Council:

Gentlemen—In reply to your request for information regarding the city's financial condition, I beg leave to report that the balance of cash in the treasury to date (March 1st) is $27,314.16. The only indebtedness is in outstanding bonds. The available resources consist of $100,000 in special bonds of the issue of July 1, 1891; 792 shares of stock in the Salt Lake Gas company; the parcel of real estate mentioned at the southwest corner of State and First streets, being the abandoned site of the joint city and county building, and various other items of less which I am unable to describe.

RECORDED AND FILED.

The reports of the city engineer were read and referred to the committee on streets.

WATERMAIN EXTENSION.

City Recorder Stanton reported that notice of intention to extend waterwaterwaterwa
