LOCAL BRIEFS.

Good looking pumpkins are in the market from southern Nevada.

Rev. Frank Fay Eddy will preach in the Unitarian church tomorrow morning, on "As the Sea Preaches," suggested by his recent visit to the Pacific ocean.

Neil Gillis, the mining man, was severely bruised and two fingers of his left hand broken Wednesday night, while alighting from a street car at the Alta club, while the car was in motion.

The chorister of the Salt Lake Stake Primary association desires to meet the children of the second and third grades at the Sixteenth ward meetinghouse at 12:30 tomorrow, Aug. 27. A full attendance is desired for singing practise.

The Unitarians are planning an outing at Saltair for next Tuesday, the guests of the occasion being the members of the Sunday school, each of whom will be given a free ticket to the lake, by courtesy of the management.

The muddy water which filled the city mains yesterday, in consequence of the cloudburst in Parley's canyon, resulted not only in inconvenience to citizens, but in the death of scores of trout in private ponds and local aquariums. However, turtles and crawfish did not seem to be affected.

The following musicians will appear at Lagoon tomorrow afternoon and evening: Mrs. Lizzie Thomas Edward and Miss Helen Shepard, sopranos, Charles Kent, baritone, Messrs. Hedger and Hilger, flute and cornet. An enlarged orchestra under Willard Youngdale will furnish the instrumental music and accompaniment for the singers.

Major R. R. Reed of Burley is at the Kenyon. He reports over 60 buildings in the town now, and over 500 residents. A theater two stories high, and seating 400 people, has been completed. It is now proposed to build a wagon bridge across the Snake, connecting Lincoln and Cassia counties, and an oil drilling machine is being set up 14 miles south of the town, where it is believed oil will be found.

After eight weeks at the Chautauqua summer school, New York, a large party of Utah students have returned. The party consists of Angie Holbrook, Edna Harker, Louise Spencer, Retta Snow, Erastus Milne and Leo Marshall. At the summer school most of the party were engaged in work in physical education and voice culture preparatory to taking positions in the local school system. Many of the party are former members of the University of Utah Dramatic association.

REPUBLICANS MEET.

Young Men's Club Getting Ready for Coming Campaign.

The Young Men's Republican club held its first meeting of the present campaign season at the club rooms in the Atlas block last night. The meeting was called by President May for the purpose of devising ways and means to finance the club's plans for the season, and especially to pay rent on rooms during the campaign.

The meeting considered financial matters almost exclusively and before an adjournment was reached contributions totaling $93 were handed in, $43.50 of this being in cash, and the balance payable in the near future.

The finances of last year were also discussed, and it was decided to wind up the campaign as early as possible. A balance of $100 was mentioned as due from the State Republican committee, pledged by them to help pay for the jollification rally following the last election, and the executive committee promised to secure an early settlement of the matter. A motion to notify every member of the club of the financial difficulties confronting it was unanimously carried.

Vocal and Instrumental Concert, Saltair, Sunday, Aug. 27.

HOW MANY BOYS

Are Born in Salt Lake Each Month.

This question will be decisively answered if the present plans of Mr. W. H. Newell of 43 West Second South St. are carried out and it looks as if they will be, if present indications go for anything. Mr. Newell says he is surprised at the number of boys being born in this city since he first made the offer two weeks ago, to present each one with 50c toward his Bank account, and he further states he does not believe the prevailing opinion is correct, namely, that there are two girls to every boy. Being a young business man he is interested in the Boy question. He is not going to go back on the proposition just because it is costing a good many half dollars, so up to Jan. 1, 1906, all boy babies born in Salt Lake can get 50 cents cash by applying to Mr. W. H. Newell, 43 West, Second South. Bring the doctor's certificate and get the cash. Boys, Boys, Baby Boys, remember.

Ladies' free day Saltair, Aug. 31.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all druggists.

TOPPED THE MARKET.

Utah Lambs Made the High August Price on a Lower Market.

The band of lambs marketed today from the Uintah reservation, Utah, by A. Smith, one of the leading sheepmen of that territory, was the best of the season, about as good as grass lambs ever get and, in spite of the logical decline in prices quotable for the general market, brought the month's top figure. While Mr. Smith was well pleased he was not surprised, as he has a habit of being on top with his sales because of the good quality and prime condition of his offerings. He topped the season's market last year at $5.75, which was considered a very high price. He started these lambs last Saturday and will have another train here tomorrow. He runs a band of 60,0 ewes all selected, and the best Cotswold bucks he can buy are used as sires. Today's offering consisted entirely of May lambs, and their weight, 67 lbs., tells the story of how fat they were better than any description can. He considered there the best lambs shipped out of the state this year and the anxiety of buyers to get a chance at them indicated that they were of the same opinion. A good many sheep have changed hands on the range this spring, but flock owners stand pat for very stiff prices and many will winter their sheep rather than sell. Wool buyers have been all over the sheep territory making bids on next season's clip and a good many owners have contracted at 20c per pound.—Kansas City Drover's Telegram.

Makes bone and muscle faster than any other remedy. Brings strength, health and happiness to the whole family. That's what Hollister's Rocky Mountain Tea will do. 35 cents, Tea or Tablets. Ask your Druggist.
