"In mining circles the general opinion is that stocks are beginning to find their level. On the exchanges today figures were still weak, with business weaker. The record was 42,000 shares for $6,311.25, of which the old board subscribed 8,700 for $2,573.38, and the new one 33,300 for $3,452.75. No noticeable features marked either sell, save it be the small volume of business transacted on the old board.

THE SALT LAKE BOARD.

Bulkeye of Narrow Volume and the Market Decidedly Weak.

The Salt Lake brokers practically took a holiday today, as the business done amounted to but 8,700 shares, for which was paid the sum of $2,573.38. Alice was the first seller, 200 shares going at 75 cents, after which Daly found takers at 76 and Grover-Marion was active between 78 and 79, the stock showing a slight decline. South Swansea sold for $1.50, when a switch to smaller stocks brought out Joe Bowers at 14¼ and Bowers Extension at 9¾. For Little Pittsburg 6¾ was paid, while Homestake changed hands at 13¾, and Valeo was dealt in at $1.12. During the last hour Ajax suffered a second set-back and closed with a bid of 23 and offerings at 30.

BUCKEYE WAS ACTIVE.

Sold Freely on the Utah Exchange—Interest Shifts Upward.

Buckeye was the principal topic of discussion on the Utah Exchange today, the stock selling in the time of 15,000 shares at 2½ to 3½ cents a share. International took a sharp turn for the better and sold at 4 to 4¾, while Dalton was active at the old figures and Kalgoorlie attempted to go. During the call Daly did business at 25¾, Four Aces at 27 and Geyser-Marion at 78¾.

MUNYON'S INHALER

CURES CATARRH
Colds, Coughs, Hay Fever, Bronchitis, Asthma and all Diseases of the Throat and Lungs.

Clerk of Mr. Stuart, Lyon and Howard Streets, Baltimore, Md., writes: "Your Inhaler is a wonderful remedy. Its use for a few days cured me of a severe cold and bronchial pain which caused me to lose my voice entirely."

It reaches the seat of the trouble. It heals the raw places. It prevents discharges. It soothes and strengthens the parts affected. It gives immediate relief. Sold by druggists, or sent for 50c. and $1 by Munyon, Philadelphia.

All told the sales amounted to 33,300 shares for which buyers paid $3,452.75.

Tavern a Summer Vacation.

Gazing on the amount of business done by the Salt Lake board today, a well known broker remarked that in his opinion it would be a good idea for the members of the board to close up shop and come up during the months of July and August, at least. Said he, "It is a well known fact that business always falls off during the heated season, and it is not only a favor but an injunction on the investing public to attempt to establish prices and continue with open doors during that period. For my part I would willingly favor such a proposition to those who I believe there are many of my colleagues who would do likewise."
