The Rocky Mountain and Pueblo Railway company has been incorporated with $50,000 capital.

The El Paso Advertising and Stamp Vending company, to operate in Colorado Springs, has been incorporated with $10,000 capital.

G. L. Thomas, the sixteen-year-old son of well-to-do and respectable parents of Pueblo, who was charged of negotiating several forged checks, has been sentenced to two years at the reform school.

Cheyenne Sun—There is considerable talk of holding a public meeting while the members of the legislature are here, to take steps towards insuring for Wyoming all the benefit that is possible to be secured in the way of advertisement at the World's Fair.

The weather throughout southern California during the past week has been dry and warm. Rain is needed for sown barley, young trees and pasture. Plowing still continues in sections. Considerable irrigation is being done on account of the light rainfall. Oranges are ripening slowly and shipments are light.

A 15-year-old boy while riding a horseback over the prairie in Sublette (Wyoming) county the other day suddenly came upon a monster wildcat that was crouching among the bushes along a dry gulch. Instead of trying to get away from it, the brave young lad got off his horse and proceeded to pelt the animal with rocks, and finally succeeded in killing it.

Rock Springs (Wyo.) Independent.—P. C. Kittle of the VanDyke coal company and P. J. Quealy of the Rock Spring Coal company left Wednesday evening for Omaha to confer with the officials of the Union Pacific relative to the raise in the freight tariff on coal. The raise affects all the local companies to the extent of 25 cents on every ton of coal shipped from Rock Springs.

Information has reached Rifle, Colo., to the effect that nearly 1000 prospectors from Leadville and Aspen are outfitting with the necessary tools for placer mining, with their ultimate destination as the Four Mile gold field, northwest of Rifle. It is stated that a syndicate of prominent capitalists in the towns named has been formed and will put up the necessary funds.

Advice from El Paso, Tex., states that the governor of Chihuahua, Miguel Ahumada, that met Messrs. Wilson, Hamilton and Gaylord Logan at Juarez, and discussed plans for consolidation of the proposed International dams on the Rio Grande river above El Paso. The governor suggested national legislation by both governments to further the scheme and promised aid to the enterprise.

A great surprise was created in business circles on Wednesday evening, when an attachment for over $11,000 in favor of the American National bank at Pueblo, Colorado, was placed on the property of W. H. Gregg, the most extensive coal dealer of the city. Soon after an attachment for about $10,000 in favor of W. B. Williams was received from Durango. Mr. Gregg has been in business in Pueblo for several years and was generally supposed to be doing well.

Says the Butte (Mont.) *Inter Mountain*—The men engaged in retimbering the shaft of the Anaconda are breaking the record in that line. Three weeks ago the first shift of men began work at the 800-foot level and since then 350 of new timbering have been put in. The work of retimbering the shaft will be completed by February 20th, when it is believed work at the mine will be resumed with the largest force that was ever employed.

Parties who have arrived at Great Falls, Mont., from Butte, bring news of a rich strike made in the May and Edna mine. While cross-cutting in the contact, 900 feet from the mouth of the tunnel, miners broke into a bed of copper ore. It was found to be twenty feet wide, and when assayed ran 30 to 35 per cent copper. A large piece of this ore, weighing about 2100 pounds, was taken out intact and will be sent to the World's Fair with the Montana mineral exhibit. This is the first good vein of copper ever struck in the Belt mountains.

A scheme is being worked by which nearly all of the stock of the Work (Colorado) Mining company will be taken off the market. A pool has been formed which includes all the largest stockholders and under the terms of which none of the stock can be sold within thirty days. At the expiration of this time it is believed the promoters will be paying dividends. This, together with the fact that the company has lately struck a large body of ore that runs $100 per ton at the mill, caused the stock to jump up to 10 cents. Tonight it sixes was bid on the street, with no offers. Over 30,000 shares changed hands.

A San Diego (California) evening paper says Hamilton Potter of the San Miguel mesa, east of the city, has been harvesting a crop of from over 500 acres of hay land and observed that wild mustard always crowded to and came to perfect maturity, whether dry or wet season, and could be depended on. Concluding that it would do even better if properly planted, he has sown 300 acres to mustard and it is making a surprising growth. The barley field adjoining has been checked by dry weather, but the mustard grows as fast as water. Its estimates is that of seed is the acre and to be worth about $200 a ton.

Teofilo Cantinas, a Mexican arrested for the alleged murder of Mrs. A. H. Harvey, has been put on his preliminary trial at Deming, New Mexico. The murder was for robbery and was atrocious. The people of Deming have worked up considerably, owing to the fact that a series of murders and attempts have taken place in the last five months. Mrs. Harvey is the third and last victim of the Harvey family. Her husband husband have lost their lives, supposed at the time to be self-

TRUSTEE'S SALE.

WHEREAS, ON THE TENTH DAY OF February, 1891, Sidney Sheldon and Margaret Sheldon, his wife, made and delivered to the undersigned as trustee a certain trust deed of the real estate hereinafter mentioned and described, to secure the payment of certain promissory notes of even date therewith, with interest thereon, to wit, the principal of certain promissory notes of even date therewith, made and delivered by said Sidney Sheldon and Margaret Sheldon, his wife, to one Edward H. Swan, with interest from maturity at one per cent per month until paid, and to secure the payment of $5,000 each, payable in three, six, nine and twelve months respectively, with interest at one per cent per month from maturity, which said deed of trust is recorded in book 7 of mortgages on page 364, Salt Lake County, Utah, records;

And, whereas, this said deed of trust expressly authorizes the said Sidney Sheldon and Margaret Gardiner, or either of them, to make sale of the premises in said notes or either of them stipulated, provided such sale be because the said the undersigned should at the request of the said holder of said notes proceed to sell the said real estate at public auction to the highest bidder, first giving twenty days notice of such sale by advertisement in some newspaper printed in the English language and published in Salt Lake City, said trust deed to secure the payment of such sum as may be the expenses of said trust, including attorney's fees and compensation for said trustee, and the amount due upon said notes, principal and interest, and whereas default has been made in the payment of said notes, both principal and interest, and the legal holder of said notes has requested me to proceed to sell said real estate as in said deed of trust stipulated;

Now, therefore, the undersigned hereby gives notice that on Saturday, the 28th day of February, 1893, at 12 o'clock noon of said day, at the front door of the County Court House of Salt Lake County, Utah Territory, I will under and by virtue of the power given me under said trust deed, at such time, place, at public auction to the highest bidder, for all cash, the property hereafter described, or so much thereof as may be necessary to pay said notes, with interest, costs and attorney's fees.

The real estate in said trust deed conveyed, and to be sold, is situated in Salt Lake County, the southwest corner of the southwest quarter of section 31 in township one (1), north of range one (1) west, U. S. survey, and bearing thence north 40 rods, thence east 40 rods, thence south 160 rods, and thence west 40 rods to the place of beginning, lying in Salt Lake county, Territory of Utah, and containing 20½ acres of land.

Dated January 26, 1893.
