A Fearful Fate.

It is a fearful fate to have to endure the terrible torture of Piles. "I can truthfully say," writes Harry Colson, of Masonville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Bucklen's Arnica Salve, is the best cure made." Also best for cuts, burns and injuries. 25c at Z. C. M. I. Drug Dept.

TO COUNT STATE FAIR CROWDS.

President McDonald Orders Automatic Turnstiles to Do the Business.

WILL BE BIG IMPROVEMENT.

Many Free Entertainments Will be Provided For the Visitors—About Space Allotment.

Plans for the state fair of 1905 have reached the point where the directors feel safe in saying it will surpass all previous fairs. There are to be so many new features that it would be difficult to describe all of them at the same time, but several are deserving of special mention.

A difficulty that has always been present at other fairs is to be obviated this year. Every night when the last straggling visitor has entered the grounds it will be possible for the management to determine in a moment the exact number of paid admissions. And it will be possible, at any time during the day, to tell how many paid admissions there are.

When he was in Portland some weeks ago President J. G. McDonald looked into the turnstile question. He saw they were working admirably at the Lewis and Clark exposition and determined to install some here. Fortunately he was able to purchase from the exposition company several turnstiles that had been ordered but for which there was no use. These turnstiles will be set up and in operation when the state fair opens on Monday, Oct. 2.

In connection with them there will be ticket choppers, such as are in use on elevated railways, and other places where many tickets are taken in. The tickets mutilated by the chopper must correspond with the number registered on the turnstile.

FREE ENTERTAINMENTS.

The free entertainments to be provided this year contain many novelties. Perhaps the most unique of these, from the spectacular standpoint, will be the fire dive of Madame Legions. This performer, after soaking her clothing with oil, sets fire to it and jumps from a high platform into a tank of water. Those who have seen this act say they cannot understand how the woman escapes with her life, but she has been doing it for some months and has so far got away unscathed.

Madam Adgie and her performing lions are coming out from New York. These lions are, it is said, the best trained of their kind in the country. They perform a number of extremely clever feats at Madam Adgie's word of command. The trick bicycle rider, Kilpatrick, will also be here for free exhibitions. Kilpatrick is the man who invented the "loop the loop" bicycle performance.

BIG BENCH SHOW.

Of interest to a great many people will be the first big bench show ever held in Utah. While new ground is being broken in this direction there is no doubt about the success of the show. More than 250 dogs of the bluest blood and the finest pedigree have been entered in competition for the handsome prize offered by the management. The show will be held in the building used last year for the poultry show.

POULTRY DISPLAY.

The poultry exhibit, by the way, is going to occupy all of the big building formerly used for the agricultural and horticultural exhibits. The demand for space from the chicken fanciers has been so great that, in addition to the coops of last year, it has been necessary to provide 100 extra patent coops. The Utah Poultry association is working earnestly with the fair association in this matter.

WITH THE EQUINES.

T. H. Smith, supervisor of horses, is already troubled about space. It will be remembered that last year it was necessary to crowd some of the cattle together in order to make room for the horses. This year the same condition seems likely to prevail, but every effort will be made to provide accommodations for all comers.

It will interest those who contemplate making exhibits of livestock to know that they will run no risk of having their animals contract diseases of any character. One of the best veterinary surgeons in the state is under contract with the fair officials to make careful examinations of all animals sent for exhibition purposes. Those that show any trace of diseases that might be communicated will be rigidly excluded.

SPACE ALLOTMENTS.

Allotments of space in the big new manufactures and liberal arts building have almost been concluded. The pressure here was as strong as in the other departments and the indications are that every important state industry will be represented by handsome displays. Some exhibitors have already begun work on their booths. The fair management has employed two expert booth builders and trimmers who will give assistance to those who intend making displays. They will also decorate the interior of the building for the society.

Beautiful Women.

Plump cheeks, flushed with the soft glow of health and a pure complexion, make all women beautiful. Take a small dose of Herbine after each meal; it will prevent constipation and help digest what you have eaten. 50c. Mrs. Wm. M. Stroud, Midlothian, Texas, writes, May 31, 1904, "We have used Herbine in our family for eight years, and found it the best medicine we ever used for constipation, bilious fever and malaria." Sold by Z. C. M. I. Drug Dept. B

OLD RESIDENT DIES.

Benjamin Pierce Brown Passes Away After Long Life in Utah.

Another old Utah resident went to his rest this morning, when Benjamin Pierce Brown, for many years a resident of the Fifteenth ward, died from old age. Mr. Brown passed away at his home, 1381 Tenth East street, at 7 o'clock this morning. He had been failing for some time, but was not seriously ill until the beginning of this week. He is survived by his wife, Mrs. Rebecca W. Brown, and by eight children, all of whom are grown. They are Mrs. Sarah Clayton, Mrs. Clara Ellerbeck, Mrs. Anna Snyder, Mrs. Mary E. Ellerbeck, Mrs. Lucy E. Burton, Miss Prudence Brown, Joseph W. Brown and Benjamin W. Brown.

Benjamin Pierce Brown was born Dec. 31, 1830, at Staten Island, N. Y. He joined the Church of Jesus Christ of Latter-day Saints in his native state, and crossed the plains to Utah in 1856. He married his wife, Rebecca Webb, at Tom's River, Ocean county, N. J., in 1857, and brought her to Utah to live. In 1868 the family moved into the Fifteenth ward, where they continued to live until within the past year.

The funeral services will be held Sunday, Sept. 17, at the family residence, 1381 Tenth East street, at 11 o'clock a. m. Friends are invited.
