CATARRH

Sneezing Catarrh, Chronic Catarrh, Ulcerative Catarrh, permanently cured by

SANFORD'S RADICAL CURE.

SANFORD'S RADICAL CURE FOR CATARRH is a safe, certain, and permanent cure for Catarrh of every form, and is the most perfect remedy ever devised. It is purely a vegetable distillation, and is applied locally by insufflation, and constitutionally by internal administration. Locally applied, relief is instantaneous. It soothes, heals, and cleanses the nasal passages of every feeling of heaviness, obstruction, dullness, or disagreeable sensation. Constitutionally administered it eradicates the blood, purifies it of the acid poison with which it is always charged in Catarrh, stops nauseous dreams, relieves deafness, perfects digestion, makes new blood, and permits the formation of sound, healthy tissue, and finally obtains complete control over this disease. Its remarkable curative powers, when all other remedies utterly fail, of SANFORD'S RADICAL CURE, are attested by thousands who gratefully recommend it to fellow-sufferers. No statement is made regarding it that cannot be substantiated by the most reputable and reliable references. It is a great and good medicine, and worthy all confidence. Each package contains a Treatise on Catarrh and Dr. Sanford's Improved Inhaling Tube, and full directions for its use in all cases. Price $1.

An Enthusiastic Friend of Sanford's Radical Cure.

McHATTON, GRANT & BOWEN'S FIRE AND MARINE INSURANCE AGENCY, 715 Pine Street, St. Louis, Mo., Feb. 1, 1877.

A. A. MERRILL, Washington, A. T., City.—Dear Merrill: I have for some years been troubled with Catarrh, and for the past two years have suffered seriously with it. Noticing your advertisement of SANFORD'S RADICAL CURE, I decided to try it. I have used only two bottles, and as a result I feel so much relieved that I presume on our personal relations and write this to you and ask that you take some measures to get it more promptly before the public, that others may have such relief as I have. I have recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.

I really think it particularly adapted to wants of St. Louis people, and they all ought to know it. If, and those who need it should try it, I will risk the assertion that $100 (or, this (as a sample) to be given away will sell as many bottles.

Trying place, I think, for Catarrh, have to recommend it. I believe I could sell 500 bottles myself—of course you could largely increase this. Why not try it? Yours truly, WM. BOWEN.

LAME BACK AND RHEUMATISM

CURED BY COLLINS' VOLTAIC PLASTERS

Messrs. Weeks & Potter: Gentlemen,—One year ago I was seized with a severe attack of Rheumatism in my right hip, to which I was subject. I tried the various liniments and rheumatic cures, but without the least benefit, when my son, a druggist, suggested one of your COLLINS' VOLTAIC PLASTERS. The effect was almost magical, for, to my great surprise, I was almost immediately well again, and was able to walk without crutch or cane, whereas, before the application of the Plaster, I could do nothing, and very little without my crutch. A few weeks since, the pain returned, but I soon drove it away, and I am now well. My wife joins me in saying that our Plaster has cured her of a very lame back. We think there is nothing like Collins' Voltaic Plasters, and we always keep them in the house. Yours truly, JOHN H. WILLIAMS and Lame Back, and cheerfully recommend them to the afflicted. Yours truly, W. C. COLLINS, M. D.

ORLAND, Me., June 6, 1876. DOCTOR COLLINS:

NOT A QUACK NOSTRUM.

Gentlemen,—I hereby certify that for several years past I have used the VOLTAIC PLASTERS in my practice, and have found them to fail in affording speedy relief in those cases for which they are recommended. They are not a quack nostrum, but a remedial agent of great virtue, and I verily believe it. W. C. COLLINS, M. D.

BUCKSPORT, Me., May 27, 1871.

PRICE 25 CENTS.

Be careful to obtain COLLINS' VOLTAIC PLASTER, a combination of Electric and Voltaic Plaster, with a highly Medicated Plaster, and take no other. Sold by all Wholesale and Retail Druggists throughout the United States and Canada, and by WEEKS & POTTER, Proprietors, Boston, Mass.

Meeting of Seventies.

LOGAN, Sept. 17, 1878.

Editors Deseret News:

Pursuant to a previous appointment a large number of the Seventies of this Stake of Zion convened in the upper room of the Tabernacle on Saturday, September 14th, at 10 a.m., also at 2 p. m., of the same date, at which Presidents Joseph Young, A. P. Rockwood, and John VanCott were present.

Arrangements for the meeting in question were made June 23rd, 1878, at a meeting of the Seventies residents of Logan, the major part of whom belong to the 64th quorum, at which President Joseph Young was present.

The object of the meeting was to bring together the Seventies of the Stake, for the purpose of effecting an organization with a view to ascertain from time to time the eligibility of Seventies for missionaries, and to secure greater union and efficiency in those quorums to which they belong.

The following named brethren were appointed to look after the Seventies in the wards indicated, for the purposes referred to: Eli Bell, Logan; John Woolf, sen., Hyde Park; J. F. Littlefield, Smithfield; A. C. Brower, Richmond; Harvey Rowland, Franklin and Lewiston; Henry Howell, Oxford and Clifton; James Myler, Weston and Clarkston; Jonas N. Beck, Newton; David Reese, Benson; Charles Bird, Mendon; Robert Baxter, Wellsville; Jens J. Hansen, Hyrum; Henry Jackson, Paradise; Gilbert Weaver, Millville; Alma Fullmer, Paradise.

Excellent instructions were imparted to the Seventies present by Prest. J. Young, and a good spirit prevailed during the meetings.

It was determined to hold a quarterly meeting of the Seventies of the Stake, on the day preceding the Stake quarterly conference, at 3 p.m.

Yours respectfully, JAMES A. LEISHMAN.

Johny drew up the tape reins with which he had been driving two chairs tandem, and called out, in a loud, hoarse whisper: "Get up—whoa!" But at length, finding little pleasure in this suppressed amusement, he threw down his reins, and, laying his hands on his breast, said, with a long breath: "O, mother, it's full of noise in here, and it hurts me so to keep it in!"

Customer—"About three months ago."

Barber—"Awful bad cut. Who cut it?"

Customer—"You did." Silence of a few minutes.

Customer—"Yes."

Barber—"You ought to have built a head on him bigger'n a mule."

Customer—"I did."
