ATTY. HALVERSON FAVORS BAIL

Does Not Believe Walker and Lawrence Can Be Convicted Of Murder in First Degree.

FIRE CHIEF'S HOUSE BURNED.

Leaves Money in Pillow Slip in Hotel—Accused Burglary—Bookings At the Opera House.

Ogden, Utah, Oct. 28.—The attorney for the prosecution in the case of the state against Fred Walker and Edward Lawrence, charged with murdering Dr. Earl S. Beers, Sept. 18, do not seem to be united in their opinion as to whether the defendants should be admitted to bail.

Saturday afternoon, at 2 o'clock, Judge Howell convened court to hear arguments on the motion to admit the defendants to bail. Atty. Hutchinson opened the arguments on the motion, stating that the evidence as introduced at the preliminary hearing is not sufficient to convict the defendants, and that they should therefore be admitted to bail and suggested that a \$5,000 bond would be sufficient to insure the attendance of the men when the case might be called for trial.

Atty. W. L. Magnuson, who was employed by Mrs. Beers to assist in the prosecution, strenuously objected to the granting of the bail, and declared that the crime was the result of a plot whereby Beers was enticed to the supply company's place of business and brutally murdered.

A surprise bordering on a sensation was sprung by Dist. Atty. Halverson, who filed the information against the defendants, charging them with murder in the first degree, when he arose and addressed the court, practically endorsing the application made for

STAKE CONFERENCE.

The Cache stake quarterly conference convened at the tabernacle this morning at 10 o'clock, and the speakers were Joseph E. Carlson, John W. Carlisle, Fred Scholtes and Bishop Joseph Newbold of Logan, and Elder Hiram M. Smith.

In the afternoon Elders Maughan of the Hyrum stake, Alma Merrill of the Beeson stake, and Charles Hart each occupied a short time and President Joseph F. Smith spoke at length to the saints assembled. His subject was along the lines of the evils of intemperance and drinking flour, imploring the parents to plead and counsel with their children to abstain from these habits. Speaking of those who forego the truth, President Smith said that no man ever separated from the Church of Jesus Christ as Latter-day Saints who was guiltless of sin. "The greater a man's sins the more intensely will he hate the truth," he urged parents to keep their children doing something in the kingdom of God, as only by activity in spiritual affairs could spiritual strength be acquired.

bail by defendant's counsel, assigning for reason his belief that a conviction for murder in the first degree could not be had under the evidence given by the state. He said:

"If your honor please, I do not know that I have anything to submit in this case. It seems to me the question simply is: Is there reasonable ground to believe that the defendants can be convicted of murder in the first degree? If there is reasonable ground to believe it, then bail should be denied. But, unless the proof is evident or the presumption strong, as laid out yesterday in the Ninthteenth California, why there are entitled to bail as a matter of right."

The matter was taken under advisement by Judge Howell.

FIRE CHIEF'S HOUSE BURNED.

Mice and Matches Cause Loss of Several Hundred Dollars.

Ogden, Oct. 28.—Several hundred dollars damage was done Saturday night by a fire which broke out in the home of Fire Chief Paine almost opposite the main fire station. Mr. Paine and wife were away from home but returned yesterday having been east on Washington, D. C., to attend the National convention of fire chiefs. The blaze was discovered in a room in which the Paines had stored some goods and it was fortunate that the department was so near at hand to extinguish the blaze. Thomas Holroyd, son-in-law of the chief, was occupying the home during his absence. Mice gnawing matches are presumed to have started the fire.

FORGOT HIS MONEY AND LOST IT

Business Man Hides Money in Pillow Slip and Leaves Hotel.

Ogden, Oct. 28.—Forgetfulness was the cause of a business man, from a near-by city whose name the police do not desire to give out, losing \$300 in

bank notes Saturday. He stopped over night at the European hotel. On returning he placed his roll of \$500 in the pillow slip. The next morning on arising he forgot to take his money from the pillow and left the hotel. After a couple of hours absence he remembered his loss and returned to the room to find that the pillow slip had been changed and his money was gone. He reported his loss to the hotel clerk and the police who are making an investigation hoping to get some clue to the missing money.

ATTEMPTED BURGLARY.

An attempt to burglarize the home of B. F. Pace, 3105 Pacific avenue, about 1 o'clock Sunday morning, was made by two men. The burglars were inside and a light was turned on, which frightened them away. The two men were seen to run across the lot. About an hour later the burglars were again heard at work at one of the windows. This time the police were notified, but they could find no trace of the men. It is presumed the telephoning to the police frightened them away.

F. E. Allred Seriously Injured—S. S. Superintendent Injured.

Special Correspondence.

Mr. Pleasant, Sanpete Co., Oct. 27.—Miss Bertha Tuft, who has been in Salt Lake for some time, is reported as being seriously ill. Some days ago she accidentally ran a hat pin in her leg, causing a small wound, from which blood poison set in. Her mother left for Salt Lake today.

GORED BY MAD BULL.

F. E. Allred of Spring City met with a distressing accident on the 25th. An enraged bull attacked him, breaking three ribs, besides bruising him up considerably. Mr. Allred went to the pasture for the cows and in trying to separate the animal from the cows it struck him, throwing him in the air. When he struck the ground again, the animal gored and trampled upon him. A man who saw the onslaught went to Allred's rescue, or he would have been killed. Today the animal was killed.

Due to the fact that Elders Abram Johnson and L. C. Rasmussen, both in the superintendency of the North ward Sunday school, are also presidents of the seventy's quorum, their resignations have been accepted and at today's Sabbath school the following were sustained as their successors: Superintendent, P. M. Nielsen; first assistant superintendent, Milan R. Andersen; second assistant superintendent, Authnell Carter.

As Supt. Johnson has been a faithful worker in the Sunday school for the past 30 years, as teacher, superintendent of stake and ward superintendent, the teachers and pupils remembered him today by preparing a special program instead of the regular Sunday school work, and presented him with a beautiful watch set in token of the esteem and the regard in which he is held by them.

SCANDINAVIAN CONFERENCE

Brigham City Scene of Great Gathering of Norsemen Sunday.

ASSOCIATION'S NEW OFFICERS

Interesting Addresses by Pres. Anthon H. Lund, Elder J. M. Sjodahl and Others.

Special Correspondence.

Brigham City, Boxelder Co., Oct. 27.—Scandinavian conference was held in the Brigham City tabernacle Sunday, Oct. 27. President O. N. Stohl presiding. Present on the stand were, besides President Stohl and his counselors, H. C. Christensen and Peter Sorenson, President Anthon H. Lund, Elder Andrew Jensen of the historical office, J. M. Sjodahl, editor Deseret News, H. J. Christensen, Dr. Charles L. Olson and Elder J. P. Holm from Salt Lake City, Elder Adam L. Peterson from Huntsville, Adolph Madsen, Patriarch Peter A. Forsgren, the stake presidency and others. The Scandinavian choir, under the direction of S. Norman, rendered the singing. Two meetings were held at 10 a. m. and 2 p. m. At the morning session the following were the speakers: Elder H. J. Christensen, Mrs. Sophy Valentine, lately returned from a visit to Denmark, President Anthon H. Lund and Patriarch Peter A. Forsgren. The last named was the first person baptized in Scandinavia, July 28, 1839.

At 2 p. m. After the opening exercises, Elder J. M. Sjodahl spoke of the opportunities that young people in our day have to obtain knowledge and information. A duet by Mr. and Mrs. M. Christensen was then rendered.

Elder Charles L. Olson gave a brief testimony, and Elder Andrew Jensen, the last speaker, reminded his hearers that it was 17 years ago since the first baptism was performed in Aalborg, Denmark, whence so many saints have since emigrated to Utah, the late Hans P. Jensen of Brigham City being the first person who was then baptized by Elder George P. Dykes, gave an interesting account of the introduction of the gospel into Scandinavia in 1839; thought the young people of Scandinavia should thank God that their conditions are so favorable owing to the acceptance of the gospel truths by their parents. When the speaker visited the land of his birth a few years ago and saw the miserable condition of his relatives and friends of his childhood, he could not help but exclaim, "I thank God for Mormonism."

O. N. Stohl, who has presided over the Scandinavian organization for a number of years, was honorably released with a vote of thanks for his faithfulness, and the following organization was unanimously effected: Hans C. Christensen as president of the Scandinavian meetings in Boxelder stake, with Peter Sorenson and Christen Sorenson, his counselors; Anton Nielsen, secretary; Julius Bruun, chorister, and Christine Stratford, organist.

President Anthon H. Lund explained the duties and importance of the calling of the officers in the Scandinavian organization; urged the saints to live in harmony with the still small voice and keep the commandments of God, then he can look forward with pleasure to the time when our mission here will be closed; when we will meet and mingle with those who have been true and faithful in this probation.

Stake President Olen N. Stohl made brief remarks and benediction was pronounced by Elder J. P. Holm. Public meeting was held in the tabernacle Sunday evening at 7:30. Stake President Olen N. Stohl presiding. As it was the regular evening for the Sunday School union, the roll of Sunday school workers was called, after which the following speakers occupied the time: Elder H. J. Christensen, Andrew Jensen and President Anthon

H. Lund. The last named spoke of the good work being done in the Sunday schools and the religion classes, and referred to the new move to have the Seventies meet Sunday morning to prepare for the work and mission before them, that they may indeed be minute men.

Perfect Womanhood

The greatest menace to woman's permanent happiness in life is the suffering that comes from some derangement of the feminine organs. Many thousands of women have realized this too late to save their health, barely in time to save their lives.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study.

If a woman finds that her energies are flagging, that she grows easily tired, dark shadows appear under her eyes, she has headache, headache, bearing-down sensations, nervousness, irregularities or the "blues," she should start at once to build up her system by a tonic with specific powers, such as

It cures Female Complaints, such as Dragging Sensations, Weak Back, Falling and Displacements, Inflammation and Ulceration, and all Organic Diseases, and is invaluable in the Change of Life. It dissolves and Expels Tumors at an early stage. Relieves Painfulness, Nervous Prostration, Exhaustion, and strengthens and tones the Stomach.
