Friday, May 8, 1891.

Copy for Advertisements which are expected to appear in the Evening issues on the day when received should be handed in to the business department not later than 12 m.

Rates of Advertising furnished upon application.

Office hours for advertisements must be in advance.

CHANGE OF PROGRAMME.

Deseret News:

Please announce that, on telegraphic request from President Harrison, the moving of the car and all the services will be one hour earlier than heretofore announced.

GEO. M. SCOTT, MAJOR.

REQUEST OF THE MAYOR.

That proper honors be shown our distinguished guest, President Harrison, who will honor the city with his presence on Saturday, May 9th, I request that all places of business be decorated with flags and other decorations, and that a hearty and generous welcome be given him. I also request that all places of business be closed till after the Presidential party has departed from the city. The present programme is that the Presidential party will arrive at 8 o'clock Saturday morning; breakfast at the Walker house; procession start from the Walker house for Liberty park at 9:30, where the reception exercises will be held. The party will leave the park in time to take their departure at 12 o'clock noon.

GEORGE M. SCOTT, Mayor.

SALT LAKE CITY, May 4, 1891.

FRAGMENTS.

THE current number of the *Illustrated American* and fashion books for June at Wagenmaker Bros., 49 south East Temple street, in Constitution building.

THE Wasatch building were quite a deserted appearance today, there being no courts and only one door to the chamber of the judges from town.

The public will do well to be on their guard tomorrow, while the procession is in progress against the ravages of pickpockets and pony thieves.

A GAME of baseball was played on the Flight rink Wazu square yesterday afternoon between the nonpareils and pilgrims. Ten recruits was 6 to 15 in favor of the primers.

THERE was no session of the Third District court today, Judges Zane and Anderson having gone by the special train to Pocatello last evening to meet the President.

The members of the Veteran Volunteer Fire Association are requested to meet at their hall tomorrow (Saturday) morning at 8 o'clock, sharp, fully equipped. O. M. OTTESEN, President.

THERE was a violent collision between two carriages on East Temple street this afternoon. The driver of one of the women was thrown from his seat to the ground, but was not injured. No damage was done.

A COLUMN of school children, several blocks in length, marched was ward on South Temple street today, to Second West street, preparatory to taking up their final position on that street tomorrow morning, where they will hail the President and party welcome.

The conductor and motorman of car No. 102, of the Salt Lake Street Railway company, were placed under arrest at the Union Pacific depot this morning on a charge of manipulating gates, for boarding the depot that rightfully belonged to up and back drivers.

In Judge Zane's court yesterday afternoon the case of Mendal vs. Wright was dismissed by consent. In the case of Julius Kramer vs. Louisa Kramer, the result of the referee was that Mrs. Ida Sweeney vs. Sweeney was referred to T. W. Heath, of Park City, to take testimony and report.

DANIEL CAMPBELL, who has by this time become notorious as a with footer, was before Commissioner Greenman yesterday afternoon on a charge of again assaulting the partner of his joys (?) and sorrows. He paid a fine of $24 and once more went his way rejoicing.

BURGLARS last night entered the residence of Mr. A. S. Campbell, on west North Temple street, but they got very little for their trouble. A check book and a few receipts comprised the sum total. This is the second time Mr. Campbell's house has been visited by burglars within the past six months. On the former occasion several gold watches were stolen.

CONVENIENT with the visit of President Harrison and party to the city, today there will come an important and astronomical event—that is the transit of Mercury over the disc of the sun, which will be partly visible throughout the United States. General instructions to observers regarding the same have been issued by the National Naval Observatory.

Last evening, one of Brewster's dress hic horses was being driven along First West street, when a party of mischievous boys began to throw stones at the horses. The animal took fright and were soon beyond the control of the man in charge. Near second south street the animal collided with a telephone pole. The driver was thrown to the ground and badly hurt, and the wagon was pretty well demolished. The names of those boys should be obtained and suitable punishment should follow.

The Decorations.

All prominent buildings in the city are being handsomely and profusely decorated in honor of the anticipated visit of President Harrison. The amount of hanting displayed, besides flags, bunting, etc., is enormous, surpassing that of any other public occasion. The city has a festive air of expectation.

Resigned to go East.

Dr. Sanger, the able and earnest principal of the Brigham Young College of this city, has resigned and will soon lose years' collegiate course in the east. His position will be filled by Prof. J. H. Paul, who will be a most welcome addition to Logan's educational and social circles.

The Nation, in company with the many friends of Prof. Talmer, while regretting his departure, wishes him Godspeed on his noble mission, and sincerely hopes it may be continuously successful.—*Logan Daily Nation*

SCHOOL BOARD MEETING.

Bonds Increased by the Board to Six Hundred Thousand Dollars.

A CHANGE OF TIME IN SCHOOL HOURS.

H. G. Leit Succeeds C. E Mitchener as a Member of the School Board.

The Board of Education met in regular session last evening, Vice President Nelson presiding. The members of the board were all in attendance except E. Mitchener.

ANOTHER FIRST WARD PROPOSITION.

The directors of the First ward offered to sell to the board 104½ rods of the west end of lot 8, block 12, plat B, and lot rods on the north side of the lot for $6,000, of which $4,500 was to be in cash, and the board's school house and lot would be taken for $2,000. Committee on sites.

FOR DECORATING PURPOSES.

An appropriation of $25 was made for the purpose of dressing and decorating the Fourteenth school building on Saturday, in honor of the visit of President Harrison and party.

PURCHASED A FLAG.

The pupils of school No. 10 represented that they had purchased a flag for their school building and asked the board to furnish them with a flagstaff on which to unfurl the emblem of American liberty and independence. Granted.

A CHANGE OF TIME.

A petition from the parents of the pupils of the Tenth District school was read, asking that the hours for an afternoon session of this school be changed from 1:30 to 3:30 p.m., to from 1 to 3 p. m.

The petition was granted and made to apply to all the schools.

A NEW PRINCIPAL EMPLOYED.

Upon the recommendation of the committee on teachers Alma Family Manning was employed as a teacher at school No. 3, at a salary of $75 per month.

A BUILDING RENTED.

The committee on school work recommended that a small building adjoining school No. 3 be rented for the remainder of the school year at a rental of $25 or less, and to do so, that they be authorized to issue orders or certificates to be awarded to pupils having completed their courses of study. Adopted.

OVERDRAFT FOR APRIL.

The committee on finance, to whom was referred the matter of issuing an overdraft of $2,000, to meet the current expenses of the board for the month of April, reported that the matter had been satisfactorily arranged.

ELECTRIC PROPOSAL.

The committee on finance, to whom was referred the matter of issuing an eot bonds, presented the following report:

SALT LAKE CITY, May 7, 1891.

To the Board of Education:

GENTLEMEN—Your committee on finance, in view of the illegality of the recent bond election, as declared by the Supreme Court of the Territory, and also considering that other decision of the said Supreme Court, in regard to the special school taxes of the year 1889, begs leave to submit a revised proposal for an election in Bathsheba of the issue of bonds for the purpose of raising money for permanent school sites, for building or purchasing one or more school houses and supplying the same with furniture, necessary appurtenances and improving the grounds, and for liquidating an indebtedness already incurred for such purposes." The committee recommends as follows:

1. That the meeting contemplated by law be held as early a date as practicable, and be conducted in all respects in accordance with the provisions of sections 123 to 125, inclusive, of the school law, approved March 15, 1890. Said meeting and election to be called by the president and clerk of this board, who contemplate with the attorney of this board. The qualification of electors to be specified in said notice of election.

2. That the amount of bonds in gross be limited at $600,000, in denominations of $1000 each, the interest thereon to be a per cent per annum.

3. That half of the said issue of bonds be made redeemable in ten years, and the other half in twenty years from the date of issue.

WILLIAM NELSON, Chairman.
HARDY T. DUNN,
R. W. TAYLOR,
JOHN N. PIKE,
Finance Committee.

Mr. Colleth moved that the report be amended by increasing the amount to $800,000. He suggested that if the board didn't get all it wanted now, it might not get another chance for a long time, as the City Council was getting in its work in the bonding business and would reach the limit pretty soon.

Mr. Pike opposed the motion. He did not think that the council would exhaust the city's borrowing power, and $600,000 was more than was needed.

Mr. Pyper didn't have as much confidence in the council as Mr. Pike, and he favored the increase.

Mr. Young also favored the increase, particularly as the suggestion in regard to the council came from the other side of the house.

The motion to increase the amount to $800,000 was carried, the vote being as follows: Yeas—Dye, Anderson, Young, Pyper, Colleth, Nelson—6. Nays—Newman, Pike.

The report as amended was adopted, and the matter was referred to the finance committee.

AUTHORIZATIONS.

The following bills were approved:

W. C. Pope & Co., repairs	2 50
Western Electric Co., supplies	19 40
J. E. Cornell, supplies	3 75
