UNITED STATES SOVEREIGNTY.

Aguinaldo's Representatives Have Formally Admitted It.

END OF REBELLION NEAR.

Will Only Result from Concessions—Filipinos, Properly Qualified, to Have the Suffrage.

Chicago, May 6.—A special to the Times-Herald from Washington says: "Aguinaldo's representatives to the American Philippines commission have formally admitted the sovereignty of the United States over the Philippine archipelago."

From a member of the cabinet it is learned that this admission was made to President Schurman at a conference held by him with Col. Arguelles and Lieut. Bernal several days ago. It was in reply to a direct question put to them by Mr. Schurman, and the character of the answer was no doubt as gratifying to the commission as it is to the President.

As a result of a dispatch sent to Mr. Schurman, it is the confident expectation of the President that the end of the rebellion is close at hand. This result will not be obtained, though, without concessions which have been recommended by the commission, and which, by direction of the President, will be granted.

These concessions contemplate giving to the Filipinos a form of government modeled after that of the United States.

The member of the cabinet who gave the above information said that the commission had unanimously adopted a recommendation which was submitted to the President in Mr. Schurman's dispatch [illegible]

Tebeau's Blues Find a Puzzle in Pitcher Hahn.

YOUNG WAS DEAD EASY.

Colonels and Pirates Play an Even Game Until the Eighth Innings is Reached.

Yesterday St. Louis took another tumble, when Tebeau's Blues failed to solve the Red's pitcher, Hahn, who proved a veritable puzzle. The average list, now that baseball is developing a good swing, bids fair to become interesting reading for enthusiasts. Philadelphia is making a big bid for first place, while St. Louis is gradually dropping down from the top of the list. At Cleveland, Chicago simply walked all around the home team, when the men from the Windy city piled up hits as they pleased. At Boston, the home team played a loose game and were mainly defeated owing to some bad breaks.

Manning tried recently to secure Sam Dungan from the Detroit club, but Vanderbeck's price was too steep for the Kansas City magnate.

The Youngstown and Fort Wayne clubs are having a scrap over Pitcher Carney, each claiming him. Youngstown's claim appears to be best.

An explanation goes with the "T" on the Chicago caps. It is the emblem of the Windy city, signifying the "city among the rivers."

Jesse Tannehill and Jack McCarthy, two Cincinnati cast-offs, played an important part in the defeat of the Reds in the opening game.
