Trial was commenced today of the suit brought by Thomas R. Jones and S. Hays against the Rio Grande West-ern Railway company, the Utah Con-struction company, the Bingham Copper and Gold Mining company and Cory Brothers with regard to the possession of certain land in Bingham canyon. Jones and Hays claim that they ac-quired title to forty acres of land, being part of the townsite of Bingham in July, 1876, and that the Rio Grande Western Railway company's right-ofway runs over part of this land, to the damage of the plaintiffs by reason of alleged trespass, in the sum of \$5,

Stark and assigned to the Fidelity and Deposit company of Maryland. The property is advertised to be sold on June 27th and the plaintiffs allege that such action will cloud its title. In Oc-tober, 1900, a judgment for \$13,288.61 was given McCornick & Company against the Geyser-Marion company and to satisfy the judgment the property was bid in at that figure by the holders of the said judgment. In May the property was sold to the New Mer-cur Mining company. The Stark judgment is held as a lien upon the property and the plaintiffs ask that it be set aside.
