EUREKA FANS EXTREMELY HAPPY

Ball Team From That City Defeated Nine From Park City.

THEY WON IN LAST INNING.

Luck Played With Victors and a single Turned Out Good for Three Bases.

That was a great game of baseball that the Eureka team won from the Park City at Walker's field yesterday afternoon, and it was witnessed by a crowd of at least 1,500 of the most enthusiastic fans that ever gathered on a local ball field.

How much money changed hands on the result of the game may never be known, but it is estimated that the amount will run up into the thousands.

It was a game for blood—and money. Rivalry between the contesting teams was keen, and they battled as though for life. The teams played each other to a standstill, and the game might have been going on yet but for that element of luck so well known to such events. Luck perched upon the banners of the Eureka aggregation in the ninth and the team from that town noised out ahead just as the flush line was reached, that is, when the ninth inning rolled around.

The losing team has the satisfaction of knowing that luck had a great deal to do with the final outcome and they received as much applause as did the winners.

As an indication of the closeness of the struggle it may be well to state that when the eighth inning came up everything was even. Each team had two runs, six hits and two errors. The only change at the end of that session was an extra hit for Park City. It was 2 to 2 when Eureka came to bat in the ninth and the big crowd howled with delight. Moore came to bat and managed to connect with a good one and incidentally knocked it out to right. The hit looked good for only a single, but the ball struck a rock or something else and bounded over the fielder's head. Moore took advantage of it and stretched the single for three bases. That won the game. Douglas then came up and smashed one out to middle pasture, and, strange as it may seem, the ball did the same trick, bouncing over the fielder's head. Douglas got second and of course Moore scored. A double play and Chivrell's fly out ended the run getting. Eureka then steadied down and held the enemy. Not a Parkite got beyond first base.

The opposing pitchers were Chivrell for Eureka and Cramer for Park City. Fullmer was hit eight times, while Chivrell got off with only less. Eureka made three errors and Park City two.

Excursions from Eureka and Park City brought down big crowds of rooters, and they made themselves heard on each occasion. Plenty of money was offered on the game, and a wad only had to be flashed to be gobbled up.

The detailed score follows.

THE FOOTBALL SEASON.

Understood That it Will Open Earlier Than First Expected.

It is now understood that the football season in Utah will open sooner than expected with a game between the Soldiers at Fort Douglas and Maddock's men. It will take place during the state fair and will be in the nature of an exhibition game proposed to show some of the old inhabitants that the kind of football they objected to and which was a danger to life and limb, is not the Maddock game. With its open field work, and opposition to force to skill, it does not run up a side line of injuries, and the young men want to show this to their fathers. The details for the game have not yet been arranged, although the soldiers are organizing for it.

Utah Team Victorious.

On the Duboe grounds yesterday afternoon the Eureka Juniors went down to defeat at the hands of the Utah's, the score being 31 to 19. In the ninth inning the Eureka team faced what looked like a shut out. It had not scored up to that time. The teams lined up as follows:

Grieves	2B	McPhee

WITH THE BIKE RIDERS.

W. E. Samuelson Still Heads the Professional List—Hume the Amateurs.

"Billy" Samuelson intends to try very hard to maintain the lead of the professionals until the end of the local bike season, which comes next week. He still holds first place and bids fair to keep it against all comers.

J. B. Hume feels likewise with reference to the amateurs. He heads them at the present time, and the simon pures will have to go some to head the elongated one. The standing of the riders follows:

TIRED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tired out; as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves. Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,'" writes Mrs. Elizabeth A. Oswold, of 45 Brant Street, Windsor, Essex Co., Ontario, Canada. "Was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished house-cleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I gladly recommend 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.

JIMMY BRITT COMING.

Will be in Salt Lake Shortly After Battling Nelson's Visit.

We will soon have Battling Nelson with us. The new champion will appear at a local theater for a week, and it is not improbable that he will appear in the ring on the night of the Wille-Ruhlin bout, which takes place on the 26th.

But after Nelson's visit, another fighter will put in his appearance. He will not come to show here, but merely as a visitor. He will be accompanied by his father. The pair is Jimmy Britt, Sen., and Jimmy Britt, Jr. While in Salt Lake they will visit their old friend Charley Higson, the plumber, and Higson will show them the sights and let them hear the pin drop. The Britts are on their way to New York where they go on business.

Golf Championship.

New York, Sept. 17.—W. Fellows Morgan, secretary of the United States Golf association, today made the official announcement, that the women's national championship, open to all women amateur golfers belonging to clubs which are members of the United States Golf association and to those foreigners visiting this country who may be invited to compete by the executive committee of the association, will be played on the course of the Morris County Golf club, Convent station, New Jersey, commencing Monday, Oct. 9, where the Robert's cup and four medals will be competed for. Those qualifying will compete at eighteen holes match play.

SWIMMING MATCH.

One contestant Remains in Water—Covers 15 Miles.

New York, Sept. 17.—Of thirty men who started today in the annual endurance swimming match of the United States volunteer life saving corps, only one was in the water at the finish.

Alfred Brown of the College Point crew swam fifteen miles, the entire distance, from the Brooklyn bridge to Steeplechase pier, Coney Island, and won the gold medal. His time was 5 hours, 32 minutes, 20 seconds. Three others reached the engineers' dock at Fort Hamilton. They were J. J. Kennedy, J. D. White and John E. Cairnes. C. J. Siegfried, a one-legged swimmer, and Hi Kayasi, a Japanese, got as far as Fort Hamilton.

Nearly 3,000 persons greeted Brown when he steped on the beach. For half an hour they had watched him battling against a strong tide off to Steeplechase pier in a vain effort to reach the Iron pier, nearby, which had been designated as the finishing point. In that time he did not gain an inch, and finally, at a quarter after 6 o'clock in the evening, the committee stopped the race and ordered Brown into his boat.

REVIVE WALKING CONTESTS.

Amateur Athletic Union of New York Will Promote the Sport.

New York, Sept. 18.—Walking contests are to be revived here by the Amateur Athletic union. There have been no events of this kind on the championship program since 1898. It was said at that time they were eliminated to make way for throwing the discus. This substitution was caused by the victory of an American, Robert Garrett of Princeton at the first revival of the Olympic games in Greece in 1896.

For a while afterward the athletes here were discus made and the A. A. U. added it to the program at the expense of the time honored branch of walking. It has been found according to local athletes that discus throwing is no real test of strength and that expert handling is a knack which many of the best weight throwers have failed to master.

Next fall at the Metropolitan and National conventions steps probably will be taken to have the walks inserted in all the union programs and the discus may be dropped.

Great Entry List.

Lexington, Ky., Sept. 17.—The most remarkable entry list in the history of harness racing has been received by the Kentucky Breeders association for the big Lexington meeting of Oct. 3-14 next. Three hundred and seventy-four horses have been named in twenty purses just closed, which, added to those kept in the stakes, brings the total entry up to 628 and breaks the record for entries on American trotting tracks established by the Lexington meeting in 1898 by nearly 100.

Big Baseball Meeting

Cincinnati, Sept. 17.—Chairman Herrmann and B. B. Johnson of the National baseball commission, at a conference here today called a meeting of the commission for this city on Sept. 25. The schedule for the world's championship series will then be formulated, and other arrangements in the same connection completed.

Grand Circuit Races

Columbus, O., Sept. 17.—The grand circuit races open at the Columbus Driving park tomorrow with the prospects for one of the most successful meetings ever held here. There is a record-breaking list of entries. The features of the meeting wil lbe the $5,000 purse for 2:18 pacers to be started Monday; the $10,000 stake for 2:10 trotters to be started Tuesday, and the $6,000 stake for 3-year-old trotters to be started Wednesday.
