Jubilee City Items.

LOGAN.

LOGAN, UTAH, - - JULY 27, 1896.

Pioneer Day.

The 24th passed unnoticed in Logan as far as any observance of Pioneer Day was concerned. It was intended at one time to have an addition celebration, and the matter was placed in the hands of the local U. N. G.; but for various reasons, one of whom was the death of Elder A. H. Cannon, all preparations were stopped. The livery stables could have hired out four times the number of rigs they had, and nearly every carriage and wagon in Cache was to use conveying pleasure seekers to the different outpoints, or to other towns where they were celebrating. Many went to Wellsville, where, in addition to an all-time celebration, there was a game of baseball for the State championship, Wellsville and Logan being the Wellsville and Ogden teams. The latter team proved too much for their city competitors, but it was a hard and strong victory. The score stood: Wellsville, 13; Ogden, 19. Good feeling prevailed throughout, and it was an interesting game from start to finish. Many other towns in the valley celebrated in the good old style.

Teachers' Institute.

The regular annual teachers' institute and summer school came to an end on Thursday afternoon, after a very busy and profitable session. An invitation from Professor J. H. Paul was accepted and the teachers adjourned in a body to the A. C. of U., where the evening was spent in reviewing past lessons, discussing subjects of general interest, and dancing. This annual assembly is considered one of the most potent factors in the educational advancement of the schools of Cache county.

Summer Visitors.

Messrs. W. G. Patrick, Andrew H. Low, Will Nesbitt, Eric Lemonstre and Sherry Lawson, employes of the Salt Lake & C. M. L., left Logan on Saturday morning in company with several Logan friends, for an outing and fishing trip in Logan canyon. Many other Salt Lakers are here, and most of them are already enjoying, or preparing to enjoy, the pure, cool air and water, beautiful scenery and other attractions of Logan and Cache valley. Prominent among the many visitors are Hon. F. S. Richards and wife, J. W. Maple and wife, Dr. J. H. Millspaugh, Prof. Mathews, Major Hill, Alex. C. and Mr. Geo. E. Piper, Bishop W. H. Pierce, Mr. and Mrs. Ernest Wilkinson, Mrs. Alice, Mrs. Fred Taylor, Mrs. J. R. Owen, Mrs. Minnie Lamont and Misses Mollie Green, Ethel and Hazel Paul, Nettie Lock, Emily and Ida Beck, Mrs. John T. Caine, D. C. Dunbar and party (now enroute on the way to Soda Springs. They may stop over for a few days on the return journey. Superintendent J. G. Webber of Z. C. M. I. was also a Logan visitor during the week.

Cruelty to a Prisoner.

Alexander H. Richards, constable of Meadow precinct, stands committed to await the action of the grand jury for cruelty to a prisoner. He caused a youth named Baker to disembitter the peace and tranquillity, it is alleged, by handcuffed the young man's hands behind his back, leaving him helpless to respond to the requirements of nature, or defend himself from the attacks of mosquitoes, for after hours, all of which was entirely unnecessary and brutal. The evidence was deemed sufficient enough to cause him to be bound over.

Sales.

Teaming references were made during the morning at the Sabbath prayer today to the death and burial of Brother Abraham H. Cannon, who was held in the highest affection and esteem by the people of Logan and Cache valley, although he was not in request a visitor or even other members of the quorum of Apostles.

On Thursday afternoon four wheelers, Frank Nebeker, Y. Hugh, Dr. Shaw and Mr. W. G. Cook left for the Lost Vegas Hassayampa Park. They intend as far as the Clarke ranch that evening, continuing their journey early Friday morning.

John Johnson, the young man from Hyrum at work in the city machine shop a couple of days, has been home over to answer to a charge of assault with a deadly weapon. This is the case over which the first trouble arose.

A little boy named Paterson was brought to from Paterson on Friday morning with a heavy cut back, the result of training against a site from the sound the operation of having the garden swing up, smashing.

One accident occurred to mar the pleasure of the bar game at Wellsville on Pioneer Day. A foul ball struck a baby a crushing blow in the face, probably permanently disfiguring it.

Horses Kick

in self-defense, is a very sure sign of a horse's spirit. Only those who know how to handle such horses are able to appreciate the danger that is liable to arise.

This is what happens. One nail comes out which is liable to nothing, the horse goes lame, and the blame is laid on the shoe. Use Putnam Nails and avoid the trouble.

Shearing Process

by which the fibres of metal connected and not broken, is the reason why Putnam Nails are so much better than others. This fact of a cut nail for horseshoes is well known to cough drop users, who know the value of the cut.

Putnam Nails

are exclusively Hand-forged and Hand-pointed, because, by the old method, the nail is cut from a sheet of metal, and the fibres of the metal are broken and crushed, and the nail is liable to split, and cause lameness, and the nail is not as strong as it should be. Putnam Nails are Hand-forged and Hand-pointed, and are

Absolutely Safe.

Ask your dealer for them. Insist on having them. Take no others. Colored teas

are flooding the country, doing harm wherever they go. Do you know that over 90 per cent of Japan tea in this country, except *Schilling's Best*, is colored? Do you want such tea sold to you and to your family and to your friends?

Why do you drink it?

One way to stop colored tea is to demand that Congress strongly legislate against it.

Another way is to use nothing but pure tea. *Schilling's Best*—money-back tea—at your grocer's.

Schilling's Best coffee, soda, baking-powder, spices, and flavoring extracts are also good in their way—and money-backed.
