AMUSEMENTS.

Robin Macdonald stands to score three honors and if the Grand management will be favored the course of another week produces he does, they will give them immediately. The first is a young man that will shatter it half an hour, the first act and of all the best, the second is a man of no for Easy, the second is that that would which is very which the most unique a note of music for absolutely the strongest of the world to be a Hungarian-Irish beautiful melancholy air. Lastly, as Hibernia of Hyacinthe, electricity, is worn out at harmony guarantee that will turn the people to find the place that stage. Down to remember that and sure wanted to fix it with "Good to do but to well." where They are expecting themselves where the air. It should not be understood from these remarks that Prof. Hetherington is by any means a failure, certain that Robert Wade and Co. are, it only wants a telling vocabulary hand to make it very worthwhile.
