Last Night's Dispatches.

EASTERN.

Kentucky Kuklux.

CINCINNATI, 15.—A prominent citizen of Cincinnati, who has been travelling several days in the Kuklux region in Kentucky, reports that the people are ready to talk freely about their troubles. They believe that the troubles will be stopped by due course of law. One of the prominent lawyers stated that he had no doubt that there was a large organization of Kuklux, but many of them were respectable citizens who had no sympathy with the marauders, and that within ten days full disclosure would be made of the secrets of the order, and those who have repented of it would assist in suppressing it. The idea of martial law is not relished by any one. The Owen county authorities say that the murder of the negro Whitestone, is the only one which has taken place in their county. Two of those charged with his murder were acquitted at the preliminary examination, and three others escaped from jail a week ago, though they afterward gave themselves up to the authorities, declaring that they could prove an alibi. Their examination is set for to-morrow, and it is thought that they will be bound over. The Owen county people assert that all concerned in this outrage are graduates of the federal army.

Remains Lie in State.

The remains of Gen. McCook arrived this a. m., and were met by the masons and escorted to the masonic temple, where the body now lies in state.

Raid on the Padrones.

PHILADELPHIA, 15.—The police to-day made a raid upon seven houses in the vicinity of Eighth and Carpenter streets. The padrones and children are in the second district station-house, where an inquiry is getting their statements. The raid on Italian children by the police made 132 arrests, involving thirty girls.

Parties Arrested—Relief for the Suffering.

NEW YORK, 15.—Ex-City Treasurer Sprague, of Brooklyn, has been arrested on a charge of malfeasance in office.

Mayor Havemeyer is receiving contributions for the relief of the suffering people of Shreveport.

After Irving the Burglar.

It is stated at the police headquarters that John T. Irving the burglar, who claims to know all about the Nathan murder, will be brought to New York, and that Captain Irving of the detective force, and another have been detailed to go to San Francisco and bring him here. It is believed that Irving knows a great deal more about the Nathan murder than has been generally supposed.

A meeting will be held on Thursday by parties interested in the Canada Southern R. R., when it is expected the company will be reorganized on a sound basis, and present embarrassment relieved.

Inaugurated—Dead of Yellow Fever.

WASHINGTON, 15.—Alexander E. Shepherd, to-day, took the oath of office as Governor of the District of Columbia.

J. R. Dodge, statistician of the Department of Agriculture, has returned from Vienna, and is carefully examining and comparing the reports for June, July, August and September.

Lieut. Commander A. N. Mitchell, commanding the *Pawnee* at Key West, died yesterday of yellow fever.

The President has appointed Jno. M. Wilson, of Ohio, consul at Windsor, Canada.

Irrigation Convention.

A general irrigation convention of the Territories is called, to meet at Denver in November.

Postmaster General will Instruct Clerks to Shoot—Important to Wine Sellers.

Postmaster General Cresswell intends to take prompt action compelling the railroad companies to put the mails here from the North more regularly than they have done for weeks past. He says if the managers of the air line between here and New York insist on placing postal cars in the middle of trains, he will instruct the postal clerks to carry revolvers, and shoot down anyone, whether in the employ of a railroad company or not, who attempts to pass through the cars.

General Sheridan, who is here, had a protracted interview with General Sherman to-day, during which Indian matters were discussed. The latest information from the hostile Texas Indians indicates a probable suspension of hostilities, which is to be attributed to the fact that General Custar has too many troops.

The Commissioner of Internal Revenue has decided that persons who sell at the places of manufacture wine made exclusively of the grapes of their own growth, are not liable to a special tax as liquor dealers for such sales; but if they sell such wines away from the place of manufacture they are liable. But anyone sells wine made from grapes not of their own growth are liable to a special tax therefor, whether selling such wine at the place where made or elsewhere.

The balances in the treasury to-day were: currency $15,593,393; coin $[illegible], including coin certificates $[illegible].

Deaths of Negroes Dying of Yellow Fever.

NEW ORLEANS, 15.—The board of health report thirty-nine cases of yellow fever up to Friday night, and for the preceding ten days there were ten cases, all whites, and today up to 1 p. m., eight cases, all of the white people. Trains are leaving the city crowded with passengers. Business is paralyzed. The number of deaths to-day was four, of whom nine died of yellow fever. It is cool to-night, and some leading physicians think the fever will depart in a few days. Boats from New Orleans state that the fever is raging there to a great extent. Advices from Shreveport report thirty or forty deaths out of a population of not over 1,000. Some correspondents think the disease also rages in the country for a distance of over twenty miles around Shreveport, and is sweeping away the negroes by hundreds.

Steamboat Disaster on Lake Michigan.

CHICAGO, 15.—The steamer *Ironside*, of the Detroit and Milwaukee R. R. line, sank in Lake Michigan, about ten miles from Racine. There was a heavy sea on the lake last night, but the boat came across from Milwaukee during the heavy weather, and at 2 o'clock was within half a mile of the pier at Racine Haven early this p.m. The channel here is shallow and she was running so high that she dared not try the hazardous experiment of entering the mouth of the river. The boat was accordingly turned and headed out into the lake, and soon after exhibited a signal of distress, which kept flying till she went down about noon. Four boats put off from the vessel with passengers and crew, and up to 3 p.m. two had reached the shore with 23 passengers and part of the crew. The two others have not been heard from. The *Ironside* was owned by Eagleman, of Milwaukee, and was worth $80,000. It is not positively known here yet, but it is supposed she was heavily laden with grain.

LATER.—The *Ironsides* was one of the largest boats on the lake. When the last boat had got about a quarter of a mile from her she went down. There were five boats filled with passengers. One boat carrying five men reached the shore. Four boats have arrived up to this time. One boat containing five men and Captain Sweetman and wife, has not yet been heard from. It is feared they are among the lost. Thirty-two persons are known to be saved, and fourteen bodies have been recovered. There were forty-nine persons on board the *Ironsides*, of whom nineteen were passengers. Her signal was hoisted at 9 a.m., but the sea was so high that no aid could be given her. She labored in the trough of the sea, from about 8:30 until she sank.

Horrible Condition at Shreveport, Several Towns Quarantined.

NEW ORLEANS, 15.—News from Shreveport shows a horrible condition of affairs, and calls for further aid on the part of the people. More money and more nurses are needed. According to telegrams the condition of affairs has not been and cannot be exaggerated. The Howard Association have acted with commendable promptness. They have already forwarded two physicians and nurses, and last night sent five more nurses. Several more left this p.m.

Mayor Wilber, this a.m., received a telegram from the mayor of Corpus Christi, stating that the authorities of that town had determined upon quarantine against all places in Texas east and north of Cofpus Christi, and all points east of Louisiana and Florida. New Orleans remains healthy, although reports have gone forward that yellow fever prevails there. Mobile and Galveston are quarantined.

Opening the Campaign.

RICHMOND, Va., 15.—The first grand conservative mass meeting of the present campaign in this city, was inaugurated to-day, under the auspices of the Old Dominion club. Great enthusiasm prevailed. Col. Beard, a late prominent member of the republican party, addressed the vast crowd upon what he knew of present issues.

Tobacco Damaged by Frost.

HARTFORD, 15.—In this city and surrounding towns a frost prevailed last night, and one quarter of the tobacco crop is badly damaged.

Incendiary Fires.

RONDOUT, N.Y., 15.—A fire broke out about 11.30 p.m., destroying property to the value of $50,000. The fire is still raging. Last night about 11 o'clock Crosby & Co's. two barns, and the American Express Co's barn were burned; loss $10,000. Both fires were incendiary. A large fire is now burning across the river, supposed to be at Red Hook, Duchess Co.

News From the Indian Nation.

KANSAS CITY, 15.—Late advices are to the effect that affairs are quiet in the Indian nation, with the exception that a feeling still runs high on the late election by the negroes in the Territory. Some 15,000 formerly slaves of Indians, are moving in their behalf to secure Territorial organization for their own protection. They will hold a convention at the Armstrong Academy, in the Choctaw nation, at an early date.

A stoical Scotchman was addressed by his sick wife: "Oh, John, I shan't leave this bed alive." "Please theself, Betty, and thee'll please me." "I have been a good wife to you, John," persisted the dying woman. "Meddlin, Betty, meddlin," responded the matter-of-fact husband.
