Woman Dies as the Result of being Burned by a Lamp.

KILLED BY A FALLING ROCK.

Horse Stealing in Idaho—Californians to Lay Asphalt in Glasgow—For Sunday Observance.

Omaha Stockman, May 17: Messrs. Hanson and Paterson, well known patrons of this market, had six cars of cattle here from Logan, Utah.

The Alcatraz Asphalt company of California has secured a contract for paving one of the principal streets at Glasgow, Scotland, with asphaltum.

New Mexico is likely to have a Wakeman for governor. It is said that W. H. H. Llewellyn is the most likely man for appointment by Tres Sent McKinley.

A fatal accident occurred at the Dedeomas mine, New Mexico, Monday evening, one of the mine owners named Anatasio Pinnenhavigo being killed by a boulder of ore fall upon him, killing him instantly. At the coroner's inquest, held at the mine, the jury rendered a verdict of accidental death.

Mrs. W. R. Greenhorn who was so terribly burned by the explosion of a lamp at San Diego, Cal., Sunday night, has succumbed to her injuries. Her husband has become insane from grief over the shocking occurrence, and it was found necessary today to remove him to a sanitarium and place him under restraint to prevent him from committing suicide.

At a recent mass meeting of the young people's societies of Long Beach, Cal., held in the interests of better Sabbath observance, a resolution was passed by the audience pledging themselves to refrain from purchasing goods on Sunday or even going to the postoffice for their mail. A pledge to that effect is being circulated. The stringency of the pledge has excited considerable comment.

Maud, Idaho, Enterprise: Some one stole a horse and saddle belonging to Richard Davis of Henderson Creek last Tuesday night from the hitching post in front of the Cheap, where the animal was tied. The same returned Wednesday, but the saddle was gone. This is the second one of the past two months, some one having stolen a horse and saddle belonging to Daniel Leigh, his horse returning the next day also minus the saddle. Sheriff Hodges is on the lookout for the thief.

Spearfish (S. D.) Maily Ja. A. Brown came to from the Little Missouri range after an absence of six weeks or more, during which time he has made a thorough and careful examination of the condition of range stock. Mr. Brown has been in the employ of Driskill Bros. for twenty years and has a perfect understanding of the cattle business. Moreover his judgment of the probable losses on the range during the past winter is to be relied on as being as near correct as it is possible to arrive at this time. He traveled all along the Little Missouri and Prairie Creek, and after examining the situation carefully he says the loss out there will not exceed 10 per cent. This is an agreeable surprise to stockmen here, as well as to those who are not in the stock business. From the meager reports which have from time to time been received here, it was generally supposed that the loss would not fall much below 25 per cent, if indeed it did not exceed that figure. The report made by Mr. Brown puts quite a different phase on the situation. He says that cattle are in very good condition, the grass is springing up at a rapid rate, and stock will soon begin to gain flesh and strength.

Those Germs

YOU HEAR SO MUCH ABOUT bacteria, we think it time for a change. Our business is to supply the germs that destroy the bacteria. But they are harmless germs that have a good appetite. They cannot live and grow in perfect health. Shiloh's Vitalizer is a tonic. Shiloh's Condition Powders are sold by all druggists.

It with the right kind of a fight, Shiloh's Vitalizer will do it. It is a tonic, not a stimulant. It is a healthy condition that is so wellnigh garlanded.
