THE MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Cambridge, Kewanee, Wyanet, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic, etc. and Avoca; with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independent, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Monroe; Des Moines to Indianola and Winterset, Atlantic to Lewis and Audubon; and Avoca to Harlan. This is the Central Iowa only Railroad, which owns and operates a through line from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Cars attached, are run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

That will please you most of all is the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer to patronize a line which makes a specialty of the through passenger business of this line warranting it), we are pleased to announce that this Company runs *Pullman Palace Sleeping Cars* for sleeping purposes, and *Palace Dining Cars* for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided as Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

DANGER IN DISGUISE!

Summer Pestilence Unsuspected. Its Causes Explained and Some Timely Advice About How to Avoid it.

CERTAIN VALUABLE FACTS MADE PUBLIC.

It is well known that hot weather brings sickness, and that few people go through the summer without unpleasant symptoms. The mouth becomes dry and parched, the tongue furred and white, the pulse irregular, the head feverish, the body cramped and the limbs swollen and tired. Ladies especially, with their natural delicacy and tendency to female troubles, find the hot weather almost unbearable, while Little Children are dying every day from exhaustion; and because Parents neglect precaution and care. A prominent and well known physician of New York asserts as his positive belief that more than three-fourths of all so-called Summer complaints arise from disordered secretions, and that these secretionary organs, which, by being out of order cause so much trouble, are the Kidneys and Liver. These organs are the governors of the system, and by their movements the other parts of the body are regulated. The brain controls the life, but the lower part of the body rules the disposition and health.

There is one, and only one known vegetable that will absolutely regulate and control the Kidneys and Liver at all times and thus prevent the many dangers of the Summer. That vegetable (a West India leaf,) is used as the basis of Warner's Safe Kidney and Liver Cure. It is pure, pleasant to the taste and absolutely certain in its results. It keeps those who intelligently use it in perfect health, and cures those whose secretions are deranged. For all urinary complaints of either sex it is infallible. For all bilious troubles it is certain. For the hot season it is invaluable, and it should be used upon the approach of the slightest symptoms. It may save your life or that of some dear friend; it will certainly prevent much suffering.

No remedy in America has ever received such high and enthusiastic commendations, and it is warmly

An Editor's Escape.

OFFICE OF THE "INDUSTRIAL ERA," ALBIA, IOWA, May 26, 1880.

TO WHOM IT MAY CONCERN:

I take great pleasure in making the following statement: I have been afflicted with a disease of the kidneys for the past two years and have tried numerous remedies with only partial and temporary relief. Warner's Safe Kidney and Liver Cure was recommended to me, and after taking it the pain and distress left me, and I am to-day feeling strong and well. I am perfectly satisfied that Warner's Safe Kidney and Liver Cure is the medicine needed and can cheerfully recommend it to others. G. W. STAMM.

A Doctor's Certificate.

I hereby certify that I have been a practising physician for twenty-seven years, and for many chronic cases in my practice do recommend Warner's Safe Kidney and Liver Cure. It was upon my advice that G. W. Stamm, the editor, obtained this valuable remedy. A. A. RABSAY, M. D.

A Pastor Made Happy.

I have been greatly troubled with my kidneys and liver for over twenty years, and during that entire time I was never free from pain. My medical bills were enormous, and I visited both the Hot and White Springs noted for the curative qualities of the water. I am happy to say I am now a well man, and entirely as the result of Warner's Safe Kidney and Liver Cure. With such glorious results, I am only too glad to testify regarding the remedy which has made me so happy.

An Educational Endorsement.

The Rev. C. A. Harvey, D. D., of the Howard University of Washington, has written the following letter:

GENTLEMEN—I take great pleasure in stating that I have for two years past been acquainted with the remedy known as Warner's Safe Kidney and Liver Cure, and that in some cases which had been given up by practitioners of both schools, the speedy change wrought by this remedy seemed but little less than miraculous. I am convinced that no remedy for kidney troubles heretofore discovered can be held for one moment in comparison with it. Respectfully yours,

C. A. HARVEY.

Arousing its Readers.

An alarm of fire at midnight is a startling thing, but not half so startling to many who hear it as would be the sudden knowledge of their own dangerous physical condition. Thousands of thousands are hurrying to their graves because they are carelessly indifferent to the insidious inroads of disease and the means of cure. It is the mission of H. H. Warner & Co., with their Safe Kidney and Liver Cure, to arouse men to a sense of their danger and then cure them.—*Memphis Appeal.*

The Friend of Delicate Ladies.

Warner's Safe Kidney and Liver Cure is the remedy that will cure many diseases peculiar to women. Headaches, neuralgia, disordered nerves, weakness, mental shocks, and kindred ailments are effectually removed by its use.—*The Mother's Magazine.*

Its Grand Reputation.

Warner's Safe Kidney and Liver Cure has reached a reputation that is not limited by the confines of section or country. There are no injurious substances nor alkali and temporary stimulants in the preparation. It is purely vegetable and compounded under a formula that has passed severe tests and won endorsements from some of the highest medical talent in the country.—*New York World.*

Journalistic Opinions.

Our exchanges come to us bountifully laden with commendatory notices of the wonderful cures effected in diseases of the kidneys and liver, and especially of dropsy, by the use of Warner's Safe Kidney and Liver Cure used in connection with Warner's Safe Pills. We feel sure if our friends who are suffering from like troubles would use these remedies they would be benefited.—*St. Alban's Advertiser.*

MESSRS. H. H. WARNER & CO.:

GENTS—My wife has been suffering for the past five years from the results of a premature birth, and during that time she has been under the doctors' care and treatment, for a disease peculiar to the female sex, and generally named as a *falling of the womb.* After a thorough examination the doctors finally concluded she had inflammation of the bladder, and changed their treatment accordingly, but as before without helping her in the least. We at last despaired of her ever being any better, and after expending an enormous amount of money—gave it up. But a little while ago one of your pamphlets having been left at my house, and her symptoms being so accurately described therein, we concluded to try your Safe Kidney and Liver Cure, and I can truly state, that after five years of faithful trial of physicians, this is the only thing that has done her the least good. Sincerely, G. P. WOOD.

H. H. WARNER & CO.:

GENTLEMEN—I have known of the remedy called Warner's Safe Kidney and Liver Cure, and can personally testify to its efficiency in kidney and liver troubles. I can truthfully say that in my opinion it is the best and only efficient remedy for such troubles ever brought before the public.

EVENING NEWS.

Friday, - - Sept. 3, 1880.

NEW LAND REGULATIONS.

DEPARTMENT OF THE INTERIOR, General Land Office, Washington, D. C., July 17, 1880.

REGISTERS AND RECEIVERS *Of United States District Land Offices.*

Gentlemen: I have to direct your attention to the provisions of an act of Congress approved June 15, 1880, entitled "An Act relating to the public lands of the United States," of which a copy is appended.

Section 1 provides that when any lands of the United states shall have been entered, and the Government price paid therefor, neither criminal nor civil suits or proceedings shall be had or further maintained for or on account of certain trespasses therein specified.

The first proviso to this section restricts its application to trespasses, &c., of date prior to March 1, 1879.

This section extends to such trespassers the privilege of paying for the land upon which the offenses were so committed, at the price per acre for which, under the law in force at date of payment, the land could be sold. This privilege of purchase is not confined to lands subject to private entry, but extends to any lands—not mineral—subject to disposition under existing laws. This section cannot be construed to permit a party who falls within the class of offenders named to enter the land if the valid claim of another person shall have attached prior to his application to purchase and is still subsisting.

Whenever application shall be made to purchase under this section you will require the same to be presented under oath of the applicant, giving a full and detailed statement of all the facts upon which he bases his claim to purchase, such sworn statement should be corroborated by the affidavits of credible witnesses, and you will thereupon forward all the papers in a special letter to this office, allowing no entry until so directed by me.

Under section 2, duly qualified persons who, prior to June 15, 1880, entered under any of the homestead laws, lands properly subject to such entry, are permitted to obtain title by paying the government price, less the fee and commissions paid at date of original entry.

When homestead entries made prior to June 15, 1880, have been attempted to be transferred by *bona fide* instrument in writing, the persons to whom such transfers were made are likewise authorized to obtain title by like payments and with like deductions of fees and commissions. In allowing entries of the first-named class, you will require proof that the party was twenty-one years of age, had declared his intention to become a citizen of the United States, and was in other respects entitled to make the entry.

In permitting entries by transferees, you will require the instrument in writing, by which it was sought to transfer such homestead right, to be filed, together with the best evidence attainable of the *bona fide* character of the transfer, including the affidavit of the party who seeks to purchase. You will exercise all possible care in this matter, as it is not improbable that fraudulent entries will be attempted, and the proper execution of the law will largely depend upon your vigilance and discretion. In cases wherein you entertain a doubt of the propriety of allowing the application to purchase, you should refer all the papers to this office, with a full statement of facts and your opinion.

Under the *proviso* to this section you are specifically instructed to allow no entry which interferes with an entry of the land under the homestead laws made subsequent to the original entry on which application is made to enter under section 2; and if the land was embraced in a prior entry at date of such homestead, the section is inoperative, inasmuch as in that case the land was not properly subject to entry. The application to purchase must likewise be rejected, if at date of the original homestead entry a prior claim which has not been abandoned or forfeited existed under *any* law.

I do not construe this section as intending to permit the parties named as conditional purchasers to make entry of tracts to which adverse legal rights have attached prior to date of the act.

The third section reduces to one one dollar and twenty-five cents per acre the price of any lands which were subject to ordinary private entry at two dollars and fifty cents per acre at the date of the approval of the act, having been doubled in price by reason of the grant of alternate sections for railroad purposes, and which were put in market at that price prior to the 1st of January, 1861. Lands which have not been put in market for sale at ordinary private entry at two dollars and fifty cents per acre, or which were so put in market subsequent to the 1st of January, 1861, are not changed in price by this section. You will carefully observe the rule, as to price, thus introduced. By reference to your official records, it will be in your power to ascertain the facts with regard to any lands from which to decide as to its applicability to them. In case of doubt, you may correct your records to exhibit the facts by correspondence with this office.

You will further observe that under section 4, none of the provisions of this act apply to mineral lands, and that no person is entitled to the benefit of any provision of the entire act who falls within the inhibition named in this section.

Very respectfully,

J. A. WILLIAMSON, Commissioner.

[PUBLIC—No. 121.]

AN ACT relating to the public lands of the United States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress Assembled, That when any lands of the United States shall have been entered and the Government price paid therefor in full no criminal suit or proceeding by or in the name of the United States shall thereafter be had or further maintained for or on account of any trespasses upon or for or on account of any material taken from said lands and no civil suit or proceedings shall be had or further maintained for or on account of any trespasses upon or material taken from the said lands of the United States in the ordinary clearing of land, in working a mining claim or for agricultural or domestic purposes or for maintaining improvements upon the land of any bona fide settler or for or on account of any timber or material taken or used by any person without fraud and knowledge of the trespass or for or on account of any timber taken or used without fraud or collusion by any person who in good faith paid the officers or agents of the United States for the same or for or on account of any alleged conspiracy to injure the title: *Provided*, That the provisions of this section shall apply only to trespasses and acts done or committed and consummated prior to March first, eighteen hundred and seventy-nine: *And provided further*, That defendants in such suits or proceedings shall exhibit to the proper courts or officers the evidence of such entry and payment and shall pay all costs accrued up to the time of such entry.

SEC. 2. That persons who have heretofore made any for the homestead laws entered lands properly subject to such entry, or persons to whom the land upon which they have so entered for homesteads, may have since attempted to be transferred by *bona fide* instrument in writing, may entitle themselves to said lands by paying the Government price therefor, and no less than one dollar and twenty-five cents per acre, and the Government price paid the Government upon said lands shall be taken as part payment of said price: *Provided*, This shall in no wise interfere with the rights or claims of others who may have subsequently entered said lands under the homestead laws.

SEC. 3. That the price of lands now subject to entry, which were raised to two dollars and fifty cents per acre, and put in market prior to January, eighteen hundred and sixty-one, by reason of the grant of alternate sections to railroads, be hereby reduced to one dollar and twenty-five cents per acre.

SEC. 4. This act shall not apply to any of the mineral lands of the United States; and no person who shall be prosecuted for or proceeded against on account of any trespass committed or material taken from any of the public lands after March first, eighteen hundred and seventy-nine, shall be entitled to the benefit thereof.

Approved June 15, 1880.

To Wash Brown Linen.—Heat as much water as is necessary, and press in all the hay that it will cover. Boil until the water is dark colored, then strain out the hay and scald the linen in the water. Rinse well, stiffen in weak glue water and dry in the shade.

Jewelers use a boiling bath of acid in a solution, for brightening silver that is very much discolored, but this would be unsafe in the hands of an inexperienced person. A boiling bath of washing soda answers just as well, and its harmlessness is vouched for by silversmiths of established reputation.
