"Obstinate"

Becky Jones,

of Bellevue, Pa. R. F. D., writes the above for Dr. Miles' Nervine. "My nervous system was so shattered that I could not sleep, could not eat, could not work. I was nervous and irritable. Was so weak I could not do the housework for my family. Was so bad I could not even write a letter to my friends. Was so nervous I could not walk a block without stopping to rest. Was so nervous I could not go to church or visit my friends. Was so nervous I could not go to my meals. Was so nervous I could not sleep. Was so nervous I could not even think. Was so nervous I could not read a page in a book. Was so nervous I could not even write a letter to my friends. Was so nervous I could not even write a letter to my friends. Was so nervous I could not even write a letter to my friends
