Distillery Seized—Another Comet Discovered.

WASHINGTON, 21.—The commissioner of internal revenue has received information of the seizure, at San Francisco, of the Bay View distillery with the spirits on hand at the Bay View refinery, and the wholesale liquor store of Louis Fanconia, for violation of the internal revenue laws. The distillery is valued at $100,000.

Dead.

RALEIGH, N. C., 21.—Rev. Dr. S. Mason, for thirty years rector of Christ Episcopal church in this city, and one of the most distinguished members of this diocese, is dead.

Washington's Birthday.

RICHMOND, 21. — Washington's birthday was celebrated to-day by a parade of the first Virginia regiment, a review by Governor Kemper and other State officers; the streets and squares through which the procession passed were thronged with citizens. In the p. m. a national salute was fired. This is the first parade in ten years that the people entered into with spirit. The colored militia will parade on Monday.

Cholera in South America—The Churches and the Temperance Movement.

NEW YORK, 21.—By a steamer to-day, from Rio de Janeiro, news was received that the Asiatic cholera is raging at Buenos Ayres, with alarming intensity, from thirty to forty victims per day; the total number of deaths amounts thus far to 307. Fifty thousand persons had abandoned their homes in the city to seek refuge in the open country. The president of the Republic had also fled the city for a healthier residence on the Island of Carapachay. This act of Sarmtentio is unfavorably commented upon by the press.

The churches are said to be moving in regard to the temperance movement; the trustees of Trinity are reported to have decided to no longer lease property of the church for purposes of liquor selling, and inquiries are making by other churches that the members may be prevailed upon to stipulate that their property shall not be used hereafter for saloons.

Shot Himself—Dead.

Hamilton J. Smith, of Memphis, the actor who played under the name of Nathinah Smith, shot himself to-day, at the Maddison Avenue Hotel.

A dispatch to the *Herald*, from Baltimore, announces the death, in Galveston, of ex-Senator Wigfall, of Texas.

Hightoned Criminals.

HARRISBURG, 21.—J. M. Kreister, of Harrisburg, and W. H. Dimmick, member of the House of Representatives, have been bailed on a charge of circulating prohibited circulars through the mail.

Indian Matters.

OMAHA, 21. — The Merchants' Club, of this city, last night passed resolutions deprecating the reports which have been published of a general Indian uprising in Nebraska, and declaring that the recent murders by Indians near the Red Cloud agency were the result of local troubles there, and recommending and requesting Congress to place the control of Indian affairs in the hands of the War Department.

Arrived—Snow.

CHEYENNE, 21. — Generals Sheridan and Grd arrived here to-day, and will leave for Fort Laramie to-morrow.

SNOW is falling to-night and there are indications of a severe storm.

Farm Sold for Delinquent Taxes.

WORCESTER, 21. — The Foster farm was sold to-day by the tax collector and receiver, for the unpaid taxes of 1872, which the Fosters refused to pay, Mrs. Foster not being allowed to vote.

Preparing for a Temperance Crusade.

PITTSBURG, 22. — Preparations are being made by the ladies of this city for a campaign against the saloon keepers and liquor dealers. A meeting will be held to-morrow afternoon to complete their arrangements. Quite a large number have already identified themselves with the movement.

WESTERN.

Accident at Sea—Balloon Novelty.

SAN FRANCISCO, 21.—The steamer *North Pacific* was caught in a gale near San Juan Island this morning, struck a sunken rock and stove a hole forward, but was finally towed safely into Victoria; sixty cattle and a quantity of government stores were thrown overboard. The damage to the vessel is five thousand dollars.

Professor Allen introduced the novelty here, to-day, at Woodward's Gardens, of anchored balloon ascensions.

Last Night's Dispatches.

EASTERN.

Business Done in the House—Proposed Postal Changes.

WASHINGTON, 22.—The House, thus far, has passed 115 bills, and about fifty resolutions calling upon the departments for information. The Senate business makes a small showing compared with the House.

The Senate appropriations committee will propose the abolition of the postal car system on railroads, and the system of the free delivery of letters, the latter on the ground that large sums are thus spent for the benefit of the residents of a few cities, which the people at large are taxed to pay for; it is estimated that such changes would well nigh cover the estimated deficiency of the Postal Department for the ensuing year.

Fatal Accident.

PORT JERVIS, N. Y., 22.—At 2 p. m. to-day an engine ran off the track at Unlondale, on the Jefferson Branch, between Susquehanna and Carbondale, and fell down an embankment seventy-five feet, instantly killing the conductor, John R. Harding, the engineer, Cramer, the fireman Dan Cramer, and the brakeman, Thos. Ripley.

Success of the Temperance Movement—Heavy Rainfall.

CINCINNATI, O., 22—Dispatches from various places in Ohio, where the temperance movement is in progress, state that it is meeting with success in some places where it was unexpected.

There was a very heavy rain here last night, to-day and to-night, and dispatches from Nashville and other points south state that there has been the greatest rainfall known for years. The upper Ohio and its tributaries are all full and the rainfall here is on the increase.

$40,000 Fire.

ROCHESTER, N. Y., 22.—A fire, to-day, destroyed the United States Hotel and other buildings in the business portion of Avon, Lingstone Co.; loss $40,000, insurance $20,000.

Temperance Crusade Inaugurated.

NEW YORK, 22.—The Temperance crusade opened this evening by meetings in the "Church of the Strangers," and in the 17th st. Baptist church; both were well attended; in the former addresses were delivered by A. T. McMullin and Rev. Dr. Deemis, in the latter by Dr. R. E. Sutton and ex-judge Van Cott.

WESTERN.

Double Murder, a Good Riddance.

SAN FRANCISCO, 22.—A terrible tragedy occurred last night at Watsonville, Santa Cruz county, resulting in the instant death of M. J. Gilkey and Dr. C. E. Cleveland. There had been an old and deadly feud between the men, and last night Dr. Cleveland started out, avowing that he would kill Gilkey. A man named Devoe tried to make him desist, but to no avail. The men met, drew pistols, approached to within two feet of each other, and fired simultaneously. Dr. Cleveland fired twice and fell dead on his face; Gilkey retreated a few steps, leaned against a tree, and then also fell to the ground dead. Both had been drinking hard during the day.
