GOODING TO CUTLER.

Idaho Governor Would Have Utah Executive Go North With Business Men.

Gov. Cutler today received a very pressing invitation from Gov. Gooding of Idaho to accompany the business men of Utah on their excursion to Boise and other Idaho cities on May 19. The communication states that the people of Idaho would feel highly flattered to have Gov. Gutler visit them on such an occasion. The excursion will be under the charge of Fisher Harris, secretary of the Commercial club, and it is expected that a large number of the business men of the state will take advantage of the opportunity to visit Idaho. The Commercial clubs of the various cities of this state will be well represented on the trip as well as all other commercial bodies in the state.

ROOSTERS A NUISANCE.

Dr. T. B. Beatty Takes Umbrage at The Little Poultry.

Because Alice Little, who resides next door to Dr. T. B. Beatty, on east First South street insists on keeping a flock of loud crowing roosters, and has established the coop for them right under the doctor's window, he is seeking to have the fowls declared a nuisance.

The suit looking to this end was filed yesterday before Justice Dana T. Smith and Zane & Stringfellow, who represent the defendant, promptly put in a demurrer alleging that there is not sufficient cause for action. The contention of the defendant's attorneys is that the roosters are merely bantams belonging to the children, and are not capable of making noise enough to disturb the sleep of anyone.

FUNERAL OF J. M. FOWLER.

Services Held This Afternoon in Seventeenth Ward Meetinghouse.

The funeral of John M. Fowler was held this afternoon at 2 o'clock at the Seventeenth ward meetinghouse. Mr. Fowler was a well known mining man and had been working on property owned by himself and brothers at Pioche, Nev., for some time past. He was taken suddenly ill with pneumonia several days ago and died on Tuesday before word of his illness could reach his relatives in this city. His remains were shipped here for burial at the city cemetery.

The speakers at the funeral were John Henry Smith, David McKenzie and Joseph W. McMurrin. The pallbearers were A. S. Fowler, James D. Fowler, William Fowler and Thomas S. Fowler, brothers of the deceased, and John M. Fowler and Francis J. S. Fowler, nephews.

The deceased was 41 years of age and was born in Ayrshire, Scotland, and came to Utah at an early age. He leaves a mother and six brothers, all of whom are well known residents of this city.

JUVENILE COURT.

Boy Fined $5 for Riding Bike on the Sidewalk.

Three cases were considered by Judge Gowans today during the regular session of the juvenile court. Andrew Anderson was fined $5 for riding a bicycle on the sidewalk but $4 of that amount was remitted during the good behavior of the boy and the other dollar of the fine was paid.

Bernard Zacherson was up for truancy and was placed on probation by the court as was also Joseph Manning, who was charged with stealing a bicycle.

FREIGHT TOO HIGH.

Railroads Want More to Haul Monument Here Than to Pasadena, Cal.

The beautiful drinking fountain to be donated by the National Humane Alliance is held up at the shipping end of the line temporarily on account of the exorbitant freight rate to this city from Rockland, Maine. The fountain is valued at $1,000 and is of Maine granite highly polished. The railroad people ask $179 freight on it at the shipper's risk, while it will carry the fountain for $313 at the company's risk. A similar fountain was shipped to Pasadena, Cal., recently and the freight charges were only $156. The secretary of the alliance has written to City Humane Officer Haringer and asked him to intercede with the railroad people and try and get a better freight rate. The fountain weighs five tons and the trough is six feet across. Below the large trough are four small cups to supply water for dogs. The fountain will be placed at the west entrance of the city and county building grounds, where it can be approached on all sides.

LATE LOCALS.

Bank Clearings—Today's local bank clearings amounted to $921,480.60 as against $857,978.54 for the same day last year.

Bank Gets a Curio—The Utah National bank received this morning a letter from New York enclosing a $2 scrip bill drawn on the Salt Lake City National bank by the Bingham Canyon-Camp Floyd Railroad company, dated 1874. The bill is just like a national bank note bill, and would not be allowed by the treasury department now. The scrip is, of course, no good, and has been sent back to the remitters to be kept as a curiosity.
