SANFORD'S RADICAL CURE For CATARRH

INSTANTLY relieves and permanently cures this loathsome disease in all its varying stages. It possesses the soothing and healing properties of balm, herbs and barks in their essential form, free from every noxious contamination, and in this respect differs from every other known remedy. In one short year it has found its way from the Atlantic to the Pacific coast, and wherever known has become the standard remedy for the treatment of Catarrh. The proprietors have been waited upon by thousands of clergymen, lawyers, and others who have been cured by this remedy, and who have, at great trouble expense and inconvenience, sought them out, and have made them acquainted with the fact that they are cured. When so cured, a very simple statement of the facts, with a request addressed to the proprietors, who had given up all hope of ever being benefited by any medicine, to the effect that it is an article of great value, and worthy to be classed among the standard medical specifics of the day.

THE benefit I derive from its daily use is to my mind incalculable.
HENRY WELLS, of Wells, Fargo & Co.

IT has cured me after twelve years of uninterrupted suffering.
GEO. W. HOCKINTON, Waltham, Mass.

I FOLLOWED the directions to the letter and am happy to say I have had a permanent cure.
M. W. GRAY, M. D., Montezuma, Iowa.

I HAVE recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.
WM. BOWEN, 225 Pine St., St. Louis.

AFTER using two bottles I find myself permanently cured. I have quite recommended over one hundred bottles with the greatest success.
WM. A. WHITE, D.D., 119 Harrison Ave., Boston.

WE have sold Sanford's Radical Cure for nearly one year and can say candidly that we never sold a similar preparation that gave such universal satisfaction. We have yet to learn of the first complaint.
S. D. BALDWIN & CO., Washington, Ind.

THE cure effected in my case by Sanford's Radical Cure was so remarkable that it seemed to those who had suffered without relief from any of the usual remedies that it could not be true. Therefore I made affidavit to it before Seth J. Thomas, Justice of the Peace, Boston.
GEORGE F. DENSMORE, Druggist, Boston.

Each package of Sanford's Radical Cure contains Dr. Sanford's Improved Inhaling Tube, and full directions for its use in all cases. Price, $1.00. For sale by all wholesale and retail druggists and dealers throughout the United States and Canadas. WELLS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

The Yellow Fever—Aid for the Sick and Destitute still Rolling in.

NEW ORLEANS, 31.—From noon to 6 p.m., 27 deaths are reported. E. W. Barnes, manager of the Western Union telegraph office, in this city, died to-day of yellow fever, after twelve days' illness, aged 50. He leaves a wife and eight children. Henry Hahn *alias* Lee, who shot and instantly killed Henry Murthy, last Sunday morning, died of yellow fever to day, at the parish prison. This is the first case of fever at the prison this season. The Peabody subsistence association commenced distributing supplies to-day. They issued 4,359 rations to 627 persons. The officers of the association report contributions coming in liberally.

The Fireman's Charitable Association of New Orleans, and the Mutual Benevolent Association, issued appeals to kindred organizations throughout the country for assistance. The former says this is the first time in its half a century of existence, that it has been compelled to make a public appeal for aid.

A Canton, Miss., dispatch says there were 20 new cases in the last 12 hours.

Memphis, 31.—Among the new cases reported this evening are Fathers Linemars and Riordon, of St. Patrick's Church. Father Erasmus, O.S.F., is dead. The attention of the health officer has been called to Whittmore, in which five deaths have occurred. One woman who died at midnight Friday, still lies in the house. An unknown man, sick in the back room, was not heard from for several days. This evening physicians visited the house, broke into the room of the sick man and found his stiff remains lying abandoned in bed a dirty sheet thrown over his face, and the bed spattered with black vomit. The sanitary police have been instructed to break into houses where they have reason to believe there are unattended sick or dead persons.

The records, to-day, exhibit 148 new cases for twenty-four hours ending at 6 p. m., and 77 deaths for the same period. Volunteer physicians continue to arrive. Dr. McCormick, from Indiana, and Dr. E. T. Easley, from Little Rock, arrived to-day. Dr. Easley was accompanied by a corps of about thirty nurses. Among the most recent cases of yellow fever are H. S. Landium, city editor of the *Avalanche*, and P. R. Athy, chief of police. B. A. Thompson, postmaster, is sick down, but doing well. Joseph Russell, superintendent of the Odd Fellows' nurser, died and was buried to-day.

Our druggists are worked down, and there is urgent need of prescription clerks of experience, who have had fever. Howard Heyman, druggist, died to-day, and J. S. Robinson, one of the principal druggists, closed his establishment to-day and left the city to get a rest. J. G. Armstrong, photographer, died of fever, to-day, at Covington, Tipton County, and two other cases are reported there. The fever continues to spread among the negroes. All families being prostrated; but it is hoped, with the late additions to the medical corps, that they will henceforth receive better attention. In front of the commissary depot of the Citizen's Relief Committee, to-day, fully 1,000 negroes were assembled all day. The committee is laboring hard to meet the necessities of all, and good order prevails. At a meeting of the Howard Association to-day, A. D. Longstreet was elected president.

Louisville, 31. — The following dispatch explains itself:

GRENANADA, Miss., Aug. 31.

To Edward Madden, Courier-Journal, Louisville, Ky.

Please wire the following to all Associated Press agents, and publish the same at once in each of your home papers:

Grenada is without a relief committee, and is solely in the hands of the Howard Association, to whom all supplies and moneys should be sent. We need no more doctors but want more nurses. Send all the supplies and moneys by express to the Howard Association at Grenada. We cannot use checks, drafts, or postoffice orders. We need supplies more than we do money.
(Signed) W. H. BEATTIE, M. D.

Vicksburg, 31. — Two hundred and four new cases and ten deaths during the past 24 hours. Among the deaths is Major A. A. Busley, of the firm of Rice & Co. Among the new cases are E. C. Carroll, superintendent of the elevator. Fathers Huber and Oberfel, and Signal Observer Tenny. Yellow fever has appeared at Greenville, Miss. Two deaths are reported. The people are panic stricken and flying from the town. The Typographical Union, 165, appeals to sister Unions for assistance. Remit to Michael F. Battle, Secretary.

Nashville, 31.—Yellow fever is reported to have broken out at Hickman, Kentucky with three deaths.

Jackson, Miss., 31—One death from yellow fever reported here.

Chicago, 31. — Contributions to the citizens' committee for the yellow fever sufferers, to date, reach $18,740; contributions through other sources, $5,682. Total, $24,422.

Cairo, 31.—The committee appointed last night, collected today about $600 for the fever sufferers.

Cincinnati, 31.—Subscriptions to the southern relief fund now exceed $12,000.

Cleveland, 31.—The total subscription to the yellow fever sufferers is $3,0.0.

Detroit, 31.—The total amount of subscriptions to the yellow fever sufferers in Detroit, up to this evening, foots up $2,534.

St. Louis, 31.—The Merchants' Exchange fever fund now exceeds $14,000, and several soliciting committees have not yet reported. No remittances since to-day by the regular committee, but numerous sums have been sent daily by outside organizations.

Little Rock, 31.—To-day is very warm. The board of health declares the city never was healthier. Active work still proceeds by the Howard Association for the benefit of fever sufferers.

Cheyenne, Wyo., 31.—$170 were sent to Memphis to-day by the Quartermaster's employes at Camp Darling, and $100 by the army officers at the same post for the benefit of fever sufferers.

Gov. Axtell's Trouble.

NEW YORK, 31.—The *Times'* Washington: At the cabinet meeting to-day, the application of Gov. Axtell, of New Mexico, for troops to aid in the suppression of local trouble was refused. There has, for a long time, been a contest among the different sheriffs in that territory which almost amounted to a civil war. Axtell has been utterly unable to preserve order, and has finally applied to the national authorities for troops. It is understood that the cabinet, to-day, decided that the application should not, or could not be granted.

Commenting on the above, the *Times* says: Axtell is the latest victim to the *posse comitatus* clause in the army law. The rival sheriffs in some of the counties of the territory are fighting each other in the lawless fashion which lately disgraced East St. Louis, Ills. There is no territorial militia, and Axtell cannot keep peace. As the fighting continues to rage until it assumes the proportions of a civil war, the unhappy governor is at his wits' end, but finds no comfort in Washington. The *posse comitatus* clause bars the way. The danger is, that if the trouble augments, the politicians who were lately imploring Congress to make New Mexico a State, will lose the handful of people on which they based their florid estimates of population.

Wool Market.

BOSTON, 31.— There was a fair business done in wool the past week, but prices settled down on a lower basis, and the market is still more unsettled so far as the prices of clothing wool is concerned. Combing and delaine remain unchanged, and transactions in this grade are limited only by the amount offering, as most holders are sold up close. Fleece wool is now low enough to attract the attention of buyers, but manufacturers are still quite indiferent and do not take hold with any confidence. It would be difficult to place XX Ohio and Pennsylvania fleeces above 35, and good average lots of Michigan at over 32. Medium grade fleeces are most enquired for. Quite an export movement started up in foreign wool shipments to England this week, comprising 16,163 pounds of Cape, purchased at 16 gold in bond. The sales comprise Ohio, No. 1, XXX and above at 35, 36; Michigan X and medium, 32, 33; Maine medium, 36; Wisconsin, medium, 34; New Hampshire, 34; Combing and delaine 37, 43; Texas, 17, 28; territory, 15, 22; Missouri, 24; Eastern Oregon, 20, 25; secured, 36, 60; superfine and X pulled, 29, 38; spring California, 18½, 29½; fall do. 16½, 18. Total sales of domestic for the week, 1,280,200.

Pres. Hayes and Family.

FREMONT, 31.—President Hayes and family arrived at 7 o'clock this evening, and was warmly welcomed at the depot by about 1,000 citizens. After a short speech he was escorted to his residence by a light guard and band, followed by a large crowd of people. The President will leave Fremont for Chicago on Monday evening, at 7 o'clock, in a special car.

Important Railroad Suit.

TOPEKA, KS., 31.—A. D. Williams, as attorney of the Kansas Pacific Railway Company, in a suit to foreclose a mortgage on the road, filed a petition in the United States Circuit Court, to-day, to discharge Henry Villard as one of the receivers of the property of the company. The petition sets out that Villard has been unfaithful to his trust and has used his position for his own pecuniary advancement and to the detriment of the property in his hands; that he has made a combination with bondholders to oppress the corporation, and that his office is a very expensive and unnecessary one. There is also another petition filed by some of his sureties who have become alarmed at the variance between Villard and his receiver, who asked to be discharged from their bonds.

Failed to Appear.

BALTIMORE, 31—Kearney is not here to-night to speak as advertised. A dispatch from Philadelphia says: He was too much fatigued to speak to-night, and will be in Baltimore on September 12th.

Shot.

LARAMIE CITY, 31.— William Enright, released from the Penitentiary, yesterday, after serving a one year term for burglary, was shot and instantly killed last night, while resisting an officer who was trying to arrest him for drunkenness.
