FARMINGTON.

Young Friend Guilty of Burglary—Other Court Matters—Indian Sheepherder Drunk.

Special Correspondence.

Farmington, Davis Co., July 24.—John Henry H. Hoagan held a session of court at Farmington today.

The criminal matter that occupied the attention of the court was the case of the four tramps arrested in June for burglarizing the chicken house of Mrs. Mary Ann Barnes, at Kaysville. The record for the defense formally entered a motion that sentence be passed upon the defendant James Wilcox who had pleaded not guilty to the charge of burglary, and guilty to the second count, charging a lesser offense, namely, petit larceny. The motion claimed to go to trial on a technicality.

The prosecution contended that the defendant was an entire tramp and required of but one year—a plea to the information in the second count. The court sustained the contention of the prosecution, and required the defendant to enter a plea of guilty or not guilty to the information as read. Upon a plea of not guilty being entered, the defendant demanded a jury trial.

The prosecution claimed to go to trial upon Samuel Wilson, and the following jury was impaneled: Jos. H. Mitchell, John Pierce, Alfred Hutchins, Walter Hampton, Moses Rockwood, George Sanders, Chris A. Larsen, Fred Combs. A verdict of guilty of burglary was returned, with a recommendation to mercy by the jury.

In the case of Robbins vs. Robbins, a verdict was rendered in favor of the plaintiff for the sum of $600, with interest at the rate of 8 per cent per annum from this date.

The suits of W. H. Stringer, Jr., and something different, the Hunter against Thomas Harrington and Joseph Harrington, for burglary, failed. Three defendants were connected with the burglary of Bonneville's cow at Kaysville, but as they were served one month in the county jail and a special venue would have to be had for a jury to try their case, it was deemed that the public interests would be better subserved by a discharge of the case.

An Indian sheepherder, who has been herding sheep for Mr. Rich's ranch in the mountains east of Bountiful, was found dead at the ranch today. The body of the head of Mr. Rich's herd, it was known that he had had his leg broken for a few days, but it was not considered dangerous by Mr. Rich's employer. The news in Bountiful was received by the sheep herder, Mr. Howard of Bountiful, and he was on his way to the mountains to verify the fact of his employer's death.

Mr. Howard of Bountiful, and his son, are in the mountains for sheep, but not in request. Mr. Rich lives in North Point, Salt Lake county.

MENDON.

How Pioneer Day Was Celebrated—Crop Prospects.

Special Correspondence.

Mendon, Cache County, July 25.—Pioneer day was honored by one of the best celebrations ever held here. The festivities began at daybreak by the firing of a grand salute and hoisting the Stars and Stripes, followed by serenading and a parade procession, headed by the Mendon brass band, marching through the principal streets of our quiet little town to the meeting house. Here a fine program was rendered, consisting of speeches, songs, recitations and a children's dance in the afternoon; also a baseball game by the local team against that of Mendon, resulting 7 to 19 in favor of the former. The day's amusement concluded with a grand ball held in Richards' hall. We did not see that John Barleycorn was represented to any great extent, and no casualties to any one.

The weather is very hot during the day, going up to 98 degrees in the shade sometimes. We had a slight frost on the morning of the 21st inst., so says some. Peaches are very large, which crop is pretty light this season. Grain crop is some better than we expected, the yield being from 25 to 35 bushels per acre. Spring grain is better than the winter wheat. Potato crop moderate. Fruit, six, sixty acres in extent, of fruit, such as strawberries, gooseberries, etc. Sugar beets look pretty well.
