BAT NELSON IS AFTER THREE PUGS

Willing to Trim McFarland After He Settles With Others.

WELSH AND THOMPSON FIRST

Lightweight Champion Wires Coffroth He Will Whip Packey at 133 Pounds—Good Fights Coming.

(By E. J. Geiger).

Chicago—James W. Coffroth, the Colma fight promoter, has not despaired of matching Battling Nelson and Packey McFarland, but the match will not come off until after the Dane has faced Freddie Welsh, the British lightweight, who just now is running a close second to the Hegewisch lad.

When Packey ran out of his match with Hyland and openly announced that he can no longer make ringside weight, Coffroth feared that all hopes of ever getting Nelson and McFarland together were gone, but the Dane, confident that he can whip the Chicago boy, gave James encouragement when he wired that he would fight Packey after he had trimmed Welsh and Thompson.

"When I trim Welsh and Thompson I will consent to take on McFarland at 133 pounds," is the wire Nelson sent to Coffroth from his ranch in Obar, N. M.

Since the receipt of this news it is told that Nelson and Packey were practically matched before the Hyland match was made, but because the strong feeling on the coast was that Packey could not do the weight, Hyland was matched with the Chicago boy.

Packey should have trimmed Hyland, and then the announcement of his match with the Dane would have followed.

This would have given Packey the long-sought-for chance to fight for the title. Instead, Packey left the west and announced that he could not fight ringside.

Coffroth announces Hyland and McFarland would have drawn fully $10,000 had they gone through with the battle. James is now directing his attention toward Welsh and says that the Briton and the Dane will make a great card. He says the Frisco public want to see sluggers, and that if Freddie was noted for hard hitting this pair would pack the big Colma pavilion.

Jim says Packey and the Dane, while not as big a card now as before Packey issued his statement about the weight, will draw a record house, and that the fight ought to be about the best of the year. With six good fights to hold and conditions at Colma against him, Coffroth is going to invade the city of Frisco. James was given assurance from the "powers" that he would be given some city dates, and he is now planning on an April fight in the city of San Francisco.

Jim says he has devoted much of his time to the study of Jim Jeffries and now feels sure that the retired champion will be back in the harness soon.

"For a long time I was under the impression that Jeffries was through with the ring, but I have changed my mind. I will predict that as soon as he reaches New York, where he begins his 20-weeks theatrical engagement, he will make the public announcement that he is ready to take on Johnson, Ketchel, Burns or any fighter that may be picked for him.

"Of course, I have Johnson in my grip, and as soon as Johnson and Jeffries come out I will bid for the go. I will connect with the great fight. If he is too high, I will pit Ketchel against Johnson." This is in part what Coffroth writes.

C. wins its final game then the two teams will be tied and have to play for the title.

SPORTSMAN SHOW OPENS.

All Sorts of Athletic Events at Madison Square Garden.

New York, Feb. 26.—The annual sportsman show opens tonight in Madison Square Garden with its setting of outdoor life, hunting, fishing and shooting camps, and the trophies of the chase. More than 150 guides from the great sporting sections of the whole country are in New York awaiting the opening. One of the features of the show will be the great swimming pool, in which the aquatic sports will be held, the fly casting tanks, 250 feet long; the big pond for the water fowl and the great cage for the live game birds.

Tonight's water sports include a 100-yard swim for the championship of the Metropolitan association in which Champion Daniels will compete.

He is also entered in the 50-yard event. Hiram Percy Maxim will give demonstrations of his new Maxim silent gun.

HORRIBLE DUEL WITH WAX BULLETS FOUGHT

New York, Feb. 26.—Wax bullets were used in a duel last night. The combatants, Eugene Pito and Dr. Edward Fowler, standing 60 feet apart, were each hit just below the shoulder, but neither, of course, was injured, although the marks of the little pellets were plainly visible on the gowns especially worn for the contest. The bullets, which are the first importations to this country from France, were fired from the regulation French duelling pistol of 44 caliber. Considerable interest was taken in the novel spectacle and the new sport promises to be popular.

Short breath, pain around heart, choking sensation, palpitation, fluttering, feeble or rapid pulse, and other distressing symptoms follow. Dr. Miles Heart Cure is a medicine especially adapted to the needs of these nerves and the muscular structure of the heart itself. It is a strengthening tonic that brings speedy relief. Try it.

"For years I suffered with what I thought was stomach trouble, when the doctors told me I had heart trouble. I had tried many remedies, when the Dr. Miles almanac came into my hands, and I concluded to try Dr. Miles' Heart Cure. I have taken three bottles, and now I am not suffering at all. I am cured and this medicine did it. I write this in the hope that it will attract the attention of others who suffer as I did."

Chicago, Feb. 26.—The White Sox special, bearing President Comiskey, his family and a party of friends, old and young Sox and Pacific Coast leaguers, will leave tonight for San Francisco and the California training grounds.

The party will consist of about 75 persons.

The members of the Sox squad who will depart are: Catchers, Sullivan, Owens and Payne; pitchers, White, Smith, Altrock, Owen, Fiene, Lang, Miller, Spencer, Walsh; infielders, Davis, Atz, Tannehill, Purtell, Zeider and Parent; outfielders, Dougherty, Hahn, Dalton, Beall, Welday, Flennagan and Matticks. WELTERWEIGHT WRESTLERS ON THE MAT TONIGHT

Everything is ready for the big wrestling match at the Grand theater tonight and those who witness the struggle on the mat are assured of a most interesting contest.

Stanley Karn, the world's welterweight champion, has arrived from the east, and as he has had matches recently is in splendid condition for the struggle with Julius Johnson, the coast champion. There will be a preliminary between Joe Daft of the Y. M. C. A. and H. V. Altree, featherweights.

SHRUBB BEATS DORANDO IN FIFTEEN MILE RACE

Buffalo, N. Y., Feb. 25.—Albert Shrubb easily defeated Dorando Pietri in a 15-mile race here tonight. His time was 1:24:06 4-5.

Tom Longboat was to have run against Shrubb, but failed to appear. Shrubb was disappointed, but the fear he would not get a contest of any kind was dissipated when Pietri arrived ready for a race and glad to get on with Shrubb under any conditions. Shrubb ruled a 7 to 10 favorite.

The runners were sent away to a good start at 9:11 p. m. There was a hot contest in the first lap for leadership, the Italian leading to the tape by a yard. Shrubb sprinted in the second lap, passing Dorando, and leading in the third lap by two yards. He remained in the lead throughout the remainder of the race.

Every American indoor record in such races was smashed. The time for the 15 miles was:

Miles.	Time.
1	4:49 2-5
2	10:06 4-5
3	15:47 1-5
4	21:17 1-5

6	32:17 2-5
7	37:58 3-5

Shrubb's lead at the finish was 2¾ laps.

SWEDE RUNNER HERE.

Svanberg, Eighth in London Marathon, Arrives in America.

New York, Feb. 26.—John V. Svanberg of Stockholm, Sweden, who finished eighth in the Olympic Marathon in London, has arrived in New York for an American track campaign and with the hope of meeting Alfred Shrubb, the English champion, and Dorando or Hayes provided the present Marathon craze in this country continues. Svanberg's records approach very near to the mark set by Shrubb and he feels confident of making a good showing. He is 28 years old and had a remarkable record as an amateur in Sweden.

WOLGAST GETS FIGHT.

Los Angeles, Cal., Feb. 26.—Ad Wolgast of Milwaukee is to box 20 rounds with Walter Little of Chicago at Jeffries' Vernon arena tonight. Both have agreed to weigh 128 pounds or under at 3:45 o'clock this afternoon. Tommy Walsh will referee. Both men have been training here for several weeks. There is little betting.

RUGBY FOOTBALL.

Victoria, B. C., Feb. 26.—The Wallabies of Australia gave a splendid exhibition of Rugby football in yesterday's match against Victoria—Vancouver 15, winning by a score of 26 to 3.

KELLY BEATS THOMAS.

New York, Feb. 5.—Hugo Kelly of Chicago defeated Joe Thomas of San Francisco in five rounds before the Fairmont Athletic club tonight. The police stopped the fight when Thomas was helpless. The winner is expected to meet Stanley Ketchel, the middleweight champion.

Kelly forced the fighting from start to finish. In the fourth round he knocked Thomas down three times, and the bell saved Thomas from being counted out.

FAKERS IN JAIL.

Chief Armstrong of Denver Is Looking For Others.

Denver, Feb. 25.—According to the Times, the four men arrested at Little Rock, Ark., yesterday in connection with gigantic swindling operations conducted through the means of fake horse races, prize fights, wrestling matches and foot races are not the only ones connected with the enterprise. Other arrests are expected to follow within a few days. Many victims of the alleged swindling clique are residents of Colorado, and the list includes at least two bankers. The total amount derived from residents of this state, according to statements credited to Chief of Police Armstrong of this city, will reach $100,000. Four residents of Denver alone are said to have been buncoed out of $42,000.

DENVER GETS RITTER.

New York, Feb. 26.—Louis Ritter of the Brooklyn National league team was released today, and the oldtime catcher will pass to the minors, going to the Denver Western league team. George E. Brown, the Boston right fielder, was transferred to Chicago. These releases were promulgated by John Heydler, acting president of the National league.

SHERIFF STOPS FIGHT.

Hot Springs, Ark., Feb. 25.—After it had gone for four rounds, the scheduled 20-round bout between Tommy Devlin of Philadelphia and Eddie Kinney of Chicago was stopped tonight by the sheriff, and the decision awarded to Devlin by the referee. The bout was considered to have passed the "boxing contest stage," the recent orders of Gov. Donaghey being that no more prizefights should be permitted here. Mayor Jodd ordered the principals arrested in order that a test case may be brought.

TENNIS FINALS.

New York, Feb. 25.—T. E. Pell, former holder, and G. Carleton Shaffer, Columbia university, today won their places in the final round of the national indoor championship singles in the tournament on the courts of the Seventh regiment armory here.

Pell, who has one leg up on the trophy this afternoon, defeated William B. Cragin, Jr., regimental champion, at 6-1, 6-2. Shaffer defeated King Smith 6-2, 7-5.

In the doubles W. C. Grant and T. R. Pell gained the final round by defeating G. F. Touchard and Dr. W. Rosenbaum, 6-4, 7-5. W. R. Cragin, Jr., and M. S. Charlock split sets for the final in the other half against Shaffer and L. H. Fitch, at 8-6, 6-3.

Boston Dog Show.

Boston, Feb. 25.—Sabine Fernie of the Sabine kennels of Orange, Tex., was awarded a special prize and a $50 cup for the best dog in the New England Kennel club's show, which closed today. In competition with Sabine Fernie were Warren and Remedy, the sheep dogs of Tyler Morse and Reginald Vanderbilt, Eben Jordan's Airedale and the pick of the Boston bulls.

SENSATION AT EMERYVILLE.

Silver Knight, a 200 to 1 Shot Lands The Money.

Oakland, Feb. 25.—Silver Knight, a 200 to 1 shot, furnished the sensation at Emeryville today by winning the fifth event at a mile. The son of Free Knight had not shown anything in his previous starts here, and was entirely neglected in the betting. Descomnets, the favorite, showed some early speed, but stopped. Silver Knight closed with a rush in the stretch and won cleverly from Aks Ar Ben and Elpicaro. Platoon fell in the first race and when he was getting up struck F. Murphy, on Transmute, hurling the boy to the ground. Murphy escaped with a shaking up, but Gilbert sustained a broken collarbone.

First race, five and a half furlongs, selling—Antigo, 110 (Archibald), 12 to 1, won; Old Settler, 101 (Clark), 15 to 1, second; Brush Up, 106 (Lee), 9 to 5, third. Time—1:10 2-5. Deutschland, John A. Mallon, Eventful, Alcibiades, Funny Side, Platoon and Transmute finished as named.

At Los Angeles.

Los Angeles, Feb. 25.—Horses of improved class entertained an unusually large mid-week crowd at Santa Anita park today and with one exception form was observed in all of the seven events. In the absence of any feature the fifth race, which was at a mile and a furlong, held the center of interest. Alma Boy, the favorite, won after a desperate drive with Albert Star. Sepulveda proved the best in the 2-year-old event, defeating Klora handily. The winner equaled the track record at :47 2-5.

First race, seven furlongs—The Bear, 105 (Butwell), 8 to 5, won; Molesey, 109 (McGee), 10 to 1, second; Hellsnicker, 111 (Powers), 18 to 5, third. Time—1:24 2-5. Mary F. and Bon Ton also ran.

Bloomin' Britishers Taking Away Coin and Titles

(By Tad.)

In 1776 we chased the bloomin' Britishers off our prairies, gave them a good licking and put up a sign of our own. Now, after all these years, they are coming back and handing the same thing to us, taking our good coin and also our titles. Jem Driscoll left with a wad of the filthy that would have paid the salary of three congressmen.

Freddie Welsh is getting on at an awful rate in the west.

Owen Moran has more diamonds than Diamond Jim Brady and Diamond Lew Bailey put together.

Now, after all that, come Boyd Driscoll, Jem Bowker, Jabez White and Alex Hicks. It must look pretty soft for the boys over here.

A great many sports were dissatisfied at the Attell-Driscoll bout, declaring that the latter was altogether too slow and lacked the enthusiastic moments that other fights were noted for. It was a slow fight, and as far as that goes, a bit tiresome at times. Both were extremely clever; there is nothing they were lacking in that line. That alone is the cause of the sameness of the rounds.

Driscoll against some other lad would have been a ripper. Attell with some other boy would shine like an incandescent light. The two together looked dull. A lamp in a dark room looks like the sun, but in the daylight you can't notice it. That is the story of the fight. There was no contract. It was a jab and duck fight from the time the orchestra came in until the curtain dropped.

Two or three solid punches let the thing out. Driscoll staggered Attell in the fourth and Abe sent Jem to the ropes in the seventh with a stinging left. There were no other grand rallies. The rest of the time they spent trying to force each othr to lead.

It was like watching a chess game between two sharps. The fine points were there, but the usual run of sports would rather see a good old slugging match.

These 1 to 0 games, without the three baggers and home runs, go for Sweeney. The sports love action, bunting and inside plays are all right, but give them the long hits, the groggy moments and the knockout slam and they're like pigs in clover.

No, Abe Attell never beat a champion for the featherweight title. He just naturally drifted into the front seat after McGovern was beaten by Young Corbett and held on.

McGovern lost to Young Corbett, Young Corbett lost to Britt and Britt to Battling Nelson.

A title is merely the honor of being the better man. Driscoll is now what we term the title-holder in the featherweight class. He is a better man than Abe. He proved it in the 10-round go. In a longer fight there may be a different ending, but none of us really can tell. Driscoll had 10 fights in the short time he was here and tough ones at that. He beat good boys, too, and surely was not in the best of condition for Attell.

He will be the dictator now in the matter of weights. It won't be 122 ringside for him if Abe wants a return match, but 120 or 126, as the English regard that correct for their featherweights.

As a matter of fact, that class used to fight at 118, but in order to help some fighters it was moved up to 122, and now Driscoll will keep it at 126.

There is nothing which appeals more favorably to visitors to our city than well lighted business streets, particularly where some form of electrically lighted, decorative street lamp post is used.

It gives the city a reputation for civic pride, progressiveness and prosperity.

Such a system is installed now on Main street. Let the merchants see to it that every post is lighted.

We are prepared to do our part by making a very low rate for the current and lamp renewals.
