They were taken before Commissioner Tenney, and being unable to furnish bonds, which were fixed at $400 for Tenney and $150 for the woman, they were placed in the county jail.

RACING MEN
Think twice before deciding to ride another wheel than the "Yellow Fellow." A man here wrote to his college mate in Ohio who is now in the Bicycle business, asking a friend who knows here last year the "Stearns," as to what wheel he should get for his fall mount. His friend replied, saying, "Get the 'Stearns,' it is unquestionably the speediest and smoothest Bicycle made today, and if there is a 'Stearns' on the track and you are ridden it you won't lay in it." The man can drive on "his wagon" to the front, and what will it matter to you, my boy, whether you have the good will or the ill will of the interested Bicycle agent? What makes will you feel in the opinion possession of a man with a wheel to sell; the promise of the man who got his "friend and father" to crawling on this wheel, when you rig the other fellow on, pardon though it be the wheel that "leads uphill fellow" in case doing, in the faces and Mary? Think over it and you will find the wheel to work or at least you will have a fair chance to that book today contrast (14) World's models—the Stearns "Yellow Fellow."

"GENDRON"
Cycles, suitable for medium weight and heavy riders, the best wheel that can be made by one of the very highest reputation in the mechanical world, aided by one of the most perfectly equipped plants for the making of Cycles in the world. Only two more to sell at $75.00. Thus the price will be $100.00 for the "GENDRONS" that $65.00 for the "GENDRONS," that $70.00 for the year.
