Notes.

The recital given by Miss Miriam Neike in the Opera house last evening, was enjoyed by a very appreciative audience, and was one of the most delightful entertainments ever given in the city. Miss Neike was ably assisted by the following ladies and gentlemen: Mrs. Annie Jones Atkin, Miss Stella Jacques, Miss Mabel Twomey, Mr. S. H. Allen, Mrs. C. E. Young, Mr. R. Maeser and Mr. S. A. King and six little boys and girls who appeared in a very pleasing concert recitation. Excellent music was furnished by Gillman's orchestra and by Mr. Robert Irvine, as accompanist. Miss Neike is one of the ablest exponents of the elocutionary art who has ever visited our city and has made many friends during her visit, whose admiration and esteem will follow the talented and accomplished lady to her home in the East.

The preliminary examination of Ernest Green and Frank Lyons who accused of stealing horses belonging to Finch Hacker, of Clear Creek, on August 25th, was held yesterday afternoon before Justice Dalbisky. After hearing the evidence for the prosecution attorney Moyle moved to dismiss defendants for lack of sufficient proof to hold them, especially in the case of Lyons. Justice De Mary denied the motion; no evidence was introduced for the defense and Green was held under $750 bonds and Lyons under $500 bonds.

The classes of the Brigham Young academy are now organized and in working order. In the normal department alone ninety recitations are given daily, which will be increased to about 150 next month. Students are coming in daily; new students have predominated among the arrivals so far; many of the former students are expected during the latter part of the week. Saturday's train from Milford brought 25 students, and the train from Richfield the same day brought 34 students.

In the report in last evening's NEWS of the city council meeting held Monday, it was erroneously stated that the claims of Williams, Van Cott & Rutherford for $100 was allowed. The claim of the committee, to whom the claim was referred, recommended its allowance, but the matter was referred back to the committee for a more explicit report on the manner in which the claim was contracted.

At a meeting of the Free Kindergarten association, held Monday evening, the following officers were elected: President, Mrs. E. A. Wedgewood; vice presidents, Mrs. D. O. Hoxie and Mrs. Reed Smoot; executive committee, David Johns, Mrs. Francis Cliff, Miss Josephine Reing and Mrs. Ida Dusenberry.

Sheriff Brown and Deputy Sheriff Fowler, who went to Clear Creek Monday to investigate the burglary at Mr. B. E. Robinson's store failed to apprehend the burglars. They report that Spanish Fork canyon is flooded with people.

Next Friday evening there will be a benefit party given in the Pioneer View ward meeting house in honor of Elder Lawrence Peterson, who leaves on a mission to the Southern States on the 10th.

Mrs. C. E. Murphy writes from Indiana, where she moved after the death of her husband several months ago, that her youngest child Gladys died on August 21st.

A son was born to Mr. and Mrs. Elmer Brimhall Monday evening. All well.

Mrs. J. M. Jensen is visiting relatives in Alpine.

Seven of the Minnesota railway and warehouse commission windows in competition with the state of the board of trade. If this system is the new system worked smoothly and without friction, and all wheat can be graded far to the city under the new rules. The Great Northern elevator opened up for electrical this morning and the officials seemed to accept grain under the new inspection or make any explanation of their course.
