Section 2—That the county clerk of said county be and he is hereby authorized, empowered and directed, upon receipt by him of the heads, including the bills, of any sparrows, or any sparrows' eggs, accompanied by the affidavit of the party presenting the same that the sparrows from which said heads were taken were killed by him or her, within the limits of Salt Lake county, Utah, or that said eggs were found in said county, to issue to said party so presenting the same and making the required affidavit, a certificate showing the number of said sparrows' heads or eggs respectively.

Section 3—That on presentation of said clerk's certificate as above provided, accompanied by a property receipt and attested oath therefor, the county of Salt Lake will pay, and the board of county commissioners shall allow said claims in the sum of one cent for each and every sparrow's head and three cents for each and every dozen sparrows' eggs represented by said certificate, and duly verified by said affidavit of certification.

Section 4—This ordinance shall take effect from and after its passage.

EDITH GEIN MARRIED.

Became the Bride of Harry Merrill, of Salt Lake, at Denver.

Denver Republican of Sunday: At noon yesterday, in the reception room of the police matrons' department, Miss Edith Gaines, 17 years old, and Harry Merrill, 22 years old, both of Salt Lake City, were united in marriage by Police Magistrate Abbott. Police Matron Miller and a friend of the groom acted as witnesses, the police matron also giving her consent to the union, as the girl is under age and without parents or guardian within the limits of the state. Shortly after the ceremony Mr. and Mrs. Merrill left for St. Louis on a wedding trip, at which place the groom, who is a sign painter, says he has been promised a situation.

The bride applied to the police matron for shelter several days ago, telling a story about having left her home in Salt Lake City three weeks ago because her stepmother was unkind to her and being in search of her own mother in Denver. She is likewise reported by Police Matron Miller to have said that she was come to Denver on a ticket given her by two young gentlemen friends, but failed to explain the reason for their generosity. After her arrival she took up her quarters at the Women's Christian Association building at Seventeenth and Bloss streets, which she left early in the week to secure shelter at the city hall. It now develops the police matron says, that Harry and Miss Gaines eloped from Salt Lake City, but for unexplained reasons they were not married until yesterday.

Run Over and Killed.

A Scandinavian named Axelson was yesterday evening found in an unconscious condition on the Union Pacific track near the intersection of Second North street. Yardmaster Jones, who discovered the unfortunate man, carried him to the depot with the assistance of several other men. Axelson died at 11:30 last night at St. Mark's hospital, where he had been ordered by Dr. Wright. A letter was discovered in the pocket of the dead man from a sister in Carlstad, and this was the only member of kin. Therefore, it is supposed that Axelson, while riding a train and in an intoxicated condition, fell off the train and was run over. His right leg was nearly off and his skull was severely fractured. Besides these the poor fellow's body was covered with numerous cuts and bruises.

FIRE CHIEFS' CONVENTION.

Further Arrangements for the Entertainment of the Visitors.

In two weeks the firemen's convention will be on in this city and those upon whom rests the responsibility of making the meeting a success are in every respect are now busily engaged completing their plans and making all necessary arrangements.

Last evening a meeting was held in the house of the fire and police board. At it the success of those having in charge the arrangements was made known. Christensen's hall, the north wing of the Continental market, will be used as a convention hall, and will be appropriately decorated. There will be no need of holding the morning sessions on the opening day as one of the theaters which is capable of accommodating a larger crowd than is likely to be present to hear the addresses of welcome by Governor Wells, Mayor Goodwin and Chairman Vilas of the fire and police board.

The arrangements so far include a public reception at the Knutsford hotel Monday evening with Wells's orchestra in attendance. Dechelette's band will furnish the music at the Theater at the opening session and also lead the parade. Tuesday night the Tabernacle concert will take place, and Wednesday, August 12, Farmer's day at the Lake. For this occasion Hoff's band has been secured. Low rates on the railroads have been secured and a large attendance is looked for. In the evening the grand ball takes place at the beach pavilion.

A reception committee of fifty ladies and gentlemen will be appointed to look after the comforts of the guests, and nothing will be left undone to give the visitors a hospitable entertainment.

Commissioner Cohn, who has been acting as chairman of the arrangement committee, discovered that the report would call him to New York during the latter part of the week, and he therefore requested that someone else be appointed to fill the place. Notice was taken in the matter and the committee adjourns until next Friday night.

Cook's Inlet Failure.

In a private letter dated Sitka, 10th inst., which C. St. Morris received a few days ago from the governor of Alaska, he says: "One hundred miners arrived here up the steamer—the Dolphin—and report that the mines at Cook's Inlet are a failure. About 2,000 men went up there this spring and all will be disappointed."
