KISSED ANOTHER MAN'S WIFE.

"You scoundrel," yelled young Jacob Green at his good neighbor Brown—

"You have ruined my happy home, sir!—I ought to knock you down."

"That's where you're wrong," good Brown replied, as he polished off his nose; "I kissed her; that I've not denied—But I kissed her on the cheek—

and I did so because she looked so handsome—the very picture of beauty and health. What is the source of it?"

"Well," nodded Jacob, "since you ask it, I will tell you; she uses Dr. Pierce's Favorite Prescription. I accept your apology, Brown."

An unhealthy woman is rarely, if ever, beautiful. The peculiar disease to which so many of the sex are subject, are profiles of pain, sallow faces, dull, listeless eyes and emaciated forms. Women so afflicted, can be permanently cured by using Dr. Pierce's Favorite Prescription and with the restoration of health comes that beauty which, combined with good qualities of head and heart, makes women angels of loveliness.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. It is a positive specific for leucorrhea, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, nervousness, prostration, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb.

DESERET EVENING NEWS.

Saturday, March 29, 1890.

HOW IT WAS FIRED.

The Destruction of Secretary Tracy's Washington Residence Attributed To Incendiarism.

WORKMEN KILLED BY FALLING WALLS.

The Chicago Refinery Explosion.—The Chinese Census Bill.—King Rex II.

(By Telegraph to the News.)

A Horrible Deed.

NEW YORK, March 28.—A Washington special to a morning paper, printed with large display, says: It is confidently stated that the mystery which surrounded the fire at Secretary Tracy's residence is cleared up. There are well-sustained rumors that Bridget Sweeney, a trusted old servant, who had been living in the Secretary's family fourteen years or more, has confessed that she fired the house with incendiary intent. Her statement is said to be that she poured kerosene all over the room panelling and as far upstairs as her stock of oil would go, lit the parlor gas, set fire to the coal oil around the wainscoting and went to church. No motive whatever is assigned for the horrible deed, and no possible incentive except insanity.

CHINESE CENSUS BILL.

It is Brought Before the Senate Committee on Census.

WASHINGTON, March 28.—The Senate committee on census today concluded the hearing on the Chinese census bill, a delegation from the Pacific coast appearing in support of the measure. Morrow of California, author of the bill, stated that legislation was necessary to keep out Chinese merchants as well as others. There was no business inducement to bring them now that the emigration of laborers was shut off. There were enough of them, and the fact is a genuine Chinese merchant has not come to San Francisco for the past ten years. As long as merchants were allowed to come and go at will, with or without certificates, the undesirable classes cannot be controlled.

McKenna said the main question was: "Will you pursue the policy which led to the passage of the Scott act?" This bill continues that policy. It is an effort of the nation to protect itself against the people of a nation who, it believes, will injure it.

Biggs stated that the people of California demanded the passage of the bill.

Chunie said the present situation is a struggle between the Americans and the Chinese. The American is here to rear a family, serve his country and worship his God. The Chinaman are here only for gain, to carry away money and deplete the wealth of the country. In a contest under these conditions the Chinaman has proved himself superior to the America.

Senator Mitchell said that he believed the bill would be construed by the courts to apply to Chinese only who were in the United States on the first of June. He would that it were otherwise, so that the act should be an absolute exclusion law. In his opinion it was constitutional.

NAVAL STATION.

A bill was introduced in the Senate today appropriating $100,000 for a naval station in the State of Washington, the location to be fixed hereafter.

A WORLD'S FAIR AMENDMENT.

Senator Daniels introduced an amendment to the World's Fair bill, proposing that an opening celebration of the 400th anniversary of the discovery of America be held at Washington in October, 1892, all nations to be invited, and, on completion of the ceremonies, be asked to visit Chicago, etc.

SEATING OF THE REPUBLICANS.

In the election cases of Wardell vs. Wise, Third Virginia, and McDuffie vs. Turpin, Fourth Alabama, the House committee has decided to recommend the seating of the republicans.

TARIFF CHANGES.

The ways and means committee has decided to put a duty of 4 per cent ad valorem on carpet wools, with a corresponding compensatory duty for manufacturers. The rate on the various grades, however, is not uniform, and in some instances is below 40 per cent. Nickel ores were placed on the free list. The reductions on sugar will be 35 and 40 per cent.

Hanged for Murder.

RALEIGH, N. C., March 28.—Jas. Davis, alias William Shackleford, was hanged at Pittsburg today for the murder of John Horton.

The Sugar Refinery Explosion.

CHICAGO, March 28.—The search in the ruins of the building wrecked by the explosion at the sugar refinery yesterday was completed this evening and it is now known that nine men were killed and thirteen injured. All the dead were laborers. Most of the bodies were partly cremated or terribly mutilated, and some of them could only be identified by fragments of clothing remaining intact. A great crowd surrounded the place all day, most of them being anxious relatives and friends, and whenever a body was taken out and identified, the lamentation of the immediate relatives was heartrending. One or two of the injured may yet die, being very seriously burned.

The coroner's jury meets Thursday. The officials of the sugar refinery persist their policy of yesterday, refusing to give any information that they may have.

Congress.

WASHINGTON, March 28.—In the Senate Wilson's resolution calling on the Treasury Department for information as to the official and pecuniary relations at the port of San Francisco to enforcement of the anti-Chinese laws, etc., was agreed to.

The Florida judicial nominations created an excited debate in executive session but no action was taken.

Home.

WASHINGTON, March 28.—The House adopted a resolution calling on the Postmaster-General for information relating to the employment of inspectors and special agents investigating the claims of applicants for postmasterships.

The House then went into committee of the whole on the private calendar, but without action took a recess until evening.

Free Wool.

BOSTON, March 28.—The *Commercial Bulletin* says that a secret meeting of the new Wool Consumers' Association today decided that all the business experience of this and other manufacturing countries shows that the interest of all classes were favored by free raw material, and the interests of the wool growers, manufacturers, dealers and consumers of this country require wool and other raw materials free.

Gen. Sickles Follows Flack.

ALBANY, March 28. — Governor Hill has appointed Major-General Daniel E. Sickles sheriff of New York, vice Flack, resigned.

Delagoa Bay Railway Claims.

LISBON, March 28.—The claims of England and the United States on account of the seizure of the Delagoa Bay railway by the Portuguese have been settled except for a few formalities.

King Rex II.

NEW ORLEANS, March 28.—The Mardi-Gras Association has issued an edict establishing the "Kingdom of the West," with the [illegible] city at Ogden, Utah, ruled by Rex II. The time of accession is July 1st, the carnival to last four days.

The Tithes Bill.

LONDON, March 28.—The tithes bill passed its second reading in the commons tonight.

Iowa's Prohibitory Liquor Law.

DES MOINES, March 28.—The Republican joint caucus this evening decided against a repeal of the prohibitory liquor law and in favor of re-submission.

Killed By Falling Walls.

EVANSVILLE, Ind., March 28.—Two nine walls of the Fulton Avenue brewery collapsed this afternoon, letting the roof in. Six men were at work in the upper story, three of whom escaped, but John Winninger, Charles Tilley and Edward Kelly were buried in the debris and are believed to be dead. Owing to the dangerous condition of the building, it is difficult to get anybody to work on the ruins tonight. The firemen are doing what they can.

The Farewell Dinner.

BERLIN, March 28.—Minister of Commerce Von Berlepsch gave a farewell dinner to the labor conference delegates tonight.

A Dense Fog.

LONDON, March 28.—A dense fog prevails on the Irish coast, and it is presumed the steamer *City of Paris* is proceeding direct to Liverpool without touching at Queenstown.

An Italian Senator Arrested.

VIENNA, March 28.—Marchese Diana, an Italian senator, was arrested today at Trieste with his two sons, and handed over to the Italian police. The marchese is the head of the bankrupt banking house of Diana, of Bari.

The Pulpit and the Stage.

Rev. F. M. Shrout, Pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My Lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 25 lbs in weight."

Arthur Love, Manager Love's Funny Folks' Combination, writes: "After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for Consumption beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at A. C. Smith & Co.'s Drug Store. Regular Size 50c. and $1.00. 3

To C. C. Mecham, Defendant.

YOU ARE HEREBY REQUIRED TO appear in an action brought against you by the above named plaintiffs in the District Court of the Third Judicial District of the Territory of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons—if served within this county, or if served out of this county, and in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to have a decree of the plaintiffs quieting their title to certain lots and parcels of land situate in Salt Lake City and County, Utah Territory, described as follows: Commencing at the northeast corner of Lot 1, in Block 57, in plat "A" Salt Lake City survey, and running thence south 33 feet; thence west 10 rods; thence north 66 feet; thence east 10 rods; thence south 33 feet; thence east 132 rods to the place of beginning; and that all adverse claims of defendant be determined by such decree; declaring and adjudging that defendant has no estate or interest whatever in said premises, and that the title of plaintiffs thereto is good and forever enjoining defendant from asserting any claim whatever in or to said premises, or any part thereof adverse to plaintiffs, and for such other and further relief as to the court shall seem meet and equitable.

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiffs will apply to the court for the relief demanded therein.

Witness, the Hon. Charles S. Zane, Judge, and the seal of the District Court of the Third Judicial District, in and for the Territory of Utah, this 8th day of March, in the year of our Lord one thousand eight hundred and ninety.
