Bee Meeting.

The semi-annual meeting of the Salt Lake County Beekeepers' association was held at the county court house on Saturday, August 4, for the election of officers and other important business.

Interesting reports were made by Messrs. Lorenzo, Terry, Farr, Morgan and others, on the benefit of the bee and fruit industries to Utah. It generally noted for honey world produce a large amount of profit to those who engage in and handle bees properly. They stated that the two industries go hand in hand and are patronized by the people.

Excellent reports were given from different orchards, showing that greater profits were being made for the amount of money invested in the bee industry than in any other line.

The following officers were elected for the ensuing year: President, James Terry, Draper; first vice president, John R. Farr, East Mill Creek; second vice president, Abraham Orlander, Big Cottonwood; third vice president, Edmund S. Lorenzo, Salt Lake City; secretary and treasurer, Wm. C. Hoyt, Bluffdale.

STATEHOOD DAY

As Celebrated in Garden City on Beautiful Bear Lake.

(Special Correspondence of the News.)

GARDEN CITY, Rich county, Utah, August 4, 1894.—Wednesday, August 1st was a grand holiday for the people of this town. We celebrated in common with many other of the settlements of Utah the "Statehood Day." On Sunday afternoon at the regular Sabbath services, a committee of three was appointed to make arrangements for a grander good time. C. S. Valentine, A. C. Elliott and Edward Calder were the committee. A program was immediately arranged and all parties notified of their various parts.

On Wednesday morning at sunrise a salute was fired and the flags and strips hoisted to the breeze. At 2 o'clock p.m. the people assembled at the meetinghouse, where the program was carried out. Chairman C. S. Valentine called the assembly to order. The Choir rang the hymn, "For the strength of the Hills We Bless thee." Prayer by the chaplain, Bishop G. Calder. The choir sang "Utah the Queen of the West." Hon. D. S. Cook made the opening remarks, explaining the occasion. The program consisted of songs, music and recitations. Mr. J. S. Brownell delivered the first oration that it has ever been our privilege to hear. He was filled with enthusiasm, and the spirit of the occasion. His speech was warmly appreciated and indeed it deserved it. At the close of the meeting, C. Valentine and Conrad Valentine sang the "Star Spangled Banner," and the choir joined in the chorus. Benediction by chaplain.

A meeting was held in the evening under the auspices of the Y. L. M. I. A. The house was crowded. A program was also carried out, consisting of songs, recitations, dialogues, etc. A good time was enjoyed by all. The boys built a roaring bonfire in the street in the evening, and guns were fired at intervals during the day. The day's doings wound up with a dance. It was a time long to be remembered.

BODIES.

Deputy U. S. Marshal Cook arrested James Kent, of Lake Town, and took him to Logan where he is wanted on a charge of larceny.

Noble Warren, of the Logan Journal, made a flying trip to view the Bear Lake, in company with his father-in-law.

Wagon loads of fruit are beginning to come in from all sides and the prospects are that fruit will be very cheap this season.

A jolly crowd of Logan's young people spent several days one week on the lake shore here. They report having had a good time.

Many pleasure seekers are coming into our valley, fishing and boating, etc.

Wm. Cooke, Esq., was made happy on Saturday, July 28, by the arrival of a fine daughter. All concerned doing well.

The health of the people is good at present, for which we have every reason to be thankful.

The weather the last two weeks has been very hot, the thermometer registering on several occasions 85 degrees in the shade. CORRESPONDENT.

OGDEN.

OGDEN, UTAH, AUGUST 6, 1894.

Court Matters.

Judge Miner, in the Fourth district court, transacted a considerable amount of business Saturday.

E. Chase pleaded not guilty to a charge of larceny and his bonds were fixed at $1,000.

Nye Keller, a striker, was allowed the statutory time to plead to a charge of assault upon a U. P. fireman some time ago; his bonds were fixed at $500.

L. E. Hampton entered a plea of guilty to a charge of burglary and was sent to the pen for five years.

"Red" Phillips, who gives his true name as Nathan J. Phillips, was given 10 days to plead to a charge to which he is accused of robbing James Christensen, about a week ago. His bonds were fixed at $2000, which amount he could not furnish and was taken to the pen.

Notes.

A license to wed has been issued to Crayton M. Ludlow, 21 and Miss Clara Zimmerman, also 21, by Clerk Ludlowings.

Five prisoners were taken down to the penitentiary Saturday night, viz: Red Phillips, H. S. Bergman, L. E. Hampton, F. E. Rae and E. Chase.

Morgan Moses pleaded guilty to assault and battery and was given thirty days in the county jail.

Officer Joe. Baxter came back from Salt Lake last night and brought with him the Bills Brothers who landed a train into Salt Saturday, intending to leave home, but on reaching Salt Lake was arrested.

Mrs. Gleay, against whom indictments have been found charging her with using the U. S. mails for circulating a song known as "Home Prevaricator," is reported to be seriously ill.

LOGAN.

LOGAN, UTAH, AUG. 6, 1894.

Arrested for Child Murder.

Elias Harwell was arrested on Saturday morning, charged with the murder of her long-lost child, both according to evidence introduced at the investigation, on July 20th. Last fall she and Henry Lawrence were brought before Commissioner Fletcher, charged with adultery, but the evidence being insufficient to convict, both were discharged. Early last week rumors were current that she had given birth to a child, and that it had been buried in a chicken coop. These rumors reaching the ears of the officers of the law led to an investigation. The dead body of a newly-born infant was found buried in the hen house, each. It was examined, and inquest followed. At first the women acted like she was a mother, but upon being presented with the proof showing that it was her child, her claimed that it was still born. The post-mortem examination made by the physicians revealed the fact that the infant, which appeared to have been a particularly healthy one, was living at least an hour after its birth. The female woman is now in the Bastile, and her husband, who deserted her a few years ago, is said to be in to be kept in bail and is being carefully guarded at the home of her parents.

Notes.

Jos. A. West has returned to Logan after a somewhat extended business trip to Salt Lake.

A little son of Prof. J. H. Paul's fell from a crab canister, shooting on his head. He was unconscious for some time.

E. H. Miles, of Smithfield, got his hand caught in the cogs of a mowing machine on Thursday. It was badly lacerated, and one finger was mashed to the bone.

Wing Lee, a Chinese restaurant keeper, and Wong Long, his assistant, were taken down to the penitentiary for failure to comply with the act requiring them to register.

Dr. Sorner, D. H. Nelson and wife, A. C. Benson and wife, Walter Little, J. H. Furness and James Little and Monosh, all of Salt Lake, started on Friday morning for an outing in Logan canyon.

G. W. Larkin, jr., his wife and three children were out driving near Hyde Park, when the horse ran away. The buggy was tipped over. The only one hurt was a little two-year-old boy, whose head was cut, but not so badly as to ill of serious injury.

On Thursday morning Chas. Harris, violinist, Herman Harris, pianist, and Miss Elma Cardell, soprano, went to Paris, Idaho, to assist in a concert to be given at that place on Saturday evening, under the auspices of the Paris choir. A number of prominent city canvassers accompanied them.

Miss Victoria Clayton, of Salt Lake, has been visiting her sister, Mrs. N. W. Hawes. On Thursday morning she left her sister's house in company with Mr. Matt. McCune of Anaconda, Montana, ostensibly for a ride to Smithfield, where, the gentleman said, he was about to purchase some horses. Instead of going to Smithfield the couple went on to Franklin, Idaho, where no marriage license is required, and returned in the evening man and wife. The lady's nearest relatives had no idea of her intention.

James Kearl, of Laketown, Rich county, was brought over from that place by Deputy Cook and taken before Commissioner Fletcher, where he was held in $500 bonds to answer to a charge of another crime. The indictment having been found by the grand jury in the Fourth district court in March, 1893. While crossing the mountains in his buggy Mr. Kearl had one of his legs broken, besides being badly squeezed. He was hauling a corse behind the buggy, the rope being tied around his waist, when the animal jerked back, injuring him as stated.

Today a News representative was shown samples of quartz from a mine near Weatherly station, Oregon, which were positively bespangled with gold to the naked eye. The rock has a decidedly attractive appearance. The mine has been known as the Shelton, but has been incorporated under the name of the Romanza. A few days ago a genuine golden vein, between granite and porphyry, was struck. It is about two inches thick, and goes $20 to the ton. The ore is free milling. This mine has been worked on and off for about four years, and has paid all expenses, including the cost of a five-stamp mill. M. H. Farnes, of Logan, his brother Eb. Farnes, of Salt Lake, and two or three other gentlemen in the latter city own the mine. Apparently it is a rich property.

Shortly before midnight last night Mr. W. S. Lamoreaux happened to be on the sidewalk just across the street from the store of the Cache Valley Mercantile company on Third street, when he saw a man in the act of raising a trap door which leads from the sidewalk into the cellar of that institution. It looks like a burglar going his rounds. Mr. Lamoreaux hastily stood himself and called a patrolman to whom two or three other gentlemen indicating a policeman, joined. The culprit was overtaken and identified, but the officer did not arrest him because he doubted his authority to do so without a warrant. The burglar was a young man well but unfavorably known in Logan. Owing to the policeman's scruples he was allowed to go scot-free, and the morning could not be found.

Idaho Items.

BOISE, July 31.—On the Twenty-fourth the school house was selected as the place of assessment, as the meeting house was too small for the occasion. The morning's program was arranged under the direction of Sister Maria L. Lyndstrom and the young ladies. After John Cluff was chaplain at the city, singing was under the direction of Solomon L. Ward; organist, Mr. John Drew; violinists, Mr. Wright and Mr. Hyrum Ward. The afternoon was as follows: Singing by the choir; prayer by the chaplain; singing; select reading, "Almost and Almost," Sister S. Edwards; song, "O Lord with safe tonight, May," Misses Walker and McConnell; Sunday school for the Twenty-fourth by E. J. Farley; duet, "Sailing up the south from the sea shore," Brother John Cluff and Sister S. Conant; recitation, Sister C. Winkel; song, "Don't change the old one for the new," Mr. L. Edwards; music a song, J. H. Dyer; song, "Beautiful gates ajar," Mr. F. Perkins and Sister Krohn; select reading, Nettie Dye; duet, "A place in my memory, dearest," Mr. and Mrs. Drew; recitation, "Farmer Grimes's girls," Hattie Hutchinson; singing by the choir; benediction by the chaplain. In the afternoon the children had a dance and in the evening there was a party for all the folks. All passed off well.

At Shelley there was born to the wife of Mr. Albert Chipmunk on July 23rd a 10-pound son. Mother and child doing well.

At Beach on July 25th there was born to Mr. Lorenzo J. Firth a daughter. Mother and child doing well.

At Beach Brother and Sister Johnson have had their family down with diphtheria. They are now on the improve.

At Shelley on July 27th there died of diphtheria Inez Hubert, aged 3 years 11 months and 3 days, after a painful sickness of six days. She was a very interesting and notable child. The services were held at the family residence the next day. She was the first to be buried in the new cemetery.

Doris also died on August 1, of diphtheria, Nina Hubert, aged 13 months and 6 days. She was sister to the other and they were the only children in the family.

Cause, no food product, equal to mine. Last year we sold more than double the quantity of any other baking powder. We believe it to be the purest and best article of the kind. Facts, which are a matter of record, show it to be unequaled in strength and in the great leavening power. ROYAL BAKING POWDER CO., 106 Wall St., New York.
