Board of Education.

But little important business was transacted at last night's session of the board of education. The chair was occupied by Vice President Emerson.

Prof. Page reported all the schools of the city crowded with pupils, and especially was this the case with the new building on Grant avenue, where in one room there are eighty-five pupils and only fifty-six seats. The professor was authorized by the board to have the old school building on the same lot repaired and used for the present that all may be accommodated.

The petition presented by Patterson for a night school was tabled.

That all the dealers of the city may have an opportunity for bidding on the supply of coal for the school year, the time was extended until next Friday at noon in which bids can be received.

Chairman Emerson reported no funds in the treasury, and Judge Dee moved that Treasurer Brough be instructed to at once reimburse the board in the sum of $555.96 which had been paid over to the Citizen's bank without authority. Carried.

Clerk Matson reported having received a city warrant for $2063, payment in full for delinquent school taxes up to and including July 31st, 1893.

Bills amounting to $210.10 were allowed and ordered paid.

Adjourned for one week.

More Litigation.

The Bank of Idaho Falls began suit yesterday in the Fourth district court against Solomon C. Stephens, William J. Stephens, Sidney Stevens and Paul Hess, for the sum of $255.00, alleged to be due on a promissory note executed April 25th, 1892, in favor of Mark Priest, and which was purchased by the plaintiff.

Suit was also commenced by F. E. Gregg against H. M. Short, C. H. Hauk and J. T. McLaren, on a promissory note, the principal and interest aggregating $900.

Fourth District Court.

At Thursday's session of the district court at Logan the following business came before Judge Miner:

In the case of Edson W. Parker vs O. C. Ormsby et al, on a suit for labor performed on a mining claim by the plaintiff for the defendants, the jury brought in a verdict for $105.72 and interest in favor of the former.

The plaintiff's motion for a new trial in the case of C. W. Newman vs F. A. Newburger was overruled.

PROVO.

PROVO, UTAH, - SEPT. 8, 1893.

Another Fornication Case.

Deputy Marshal Berry yesterday arrested Sandy Moffett of Spanish Fork on the charge of fornication, alleged to have been committed with Myrtle Hogan, a young lady of the same place, on November 8th, 1892. The rumor is current, but has not been substantiated, that Miss Hogan recently became a mother. Moffett was arraigned before U. S. Commissioner Dailey last evening and pleaded not guilty to the charge. He gave bonds in the sum of $500 for his appearance on Tuesday next, when the primary examination will be held.

Insane Asylum.

A session of the insane asylum board was held yesterday and the following business transacted:

The usual superintendent reported for August:

Current expenses	$[illegible]
Salaries	[illegible]

Approved and amount appropriated.

The medical superintendent reported that he had extended the fire raised up through the roof from the reservoir and obtained a pressure of fifty pounds, to equal thirty-five pounds from the city waterworks.

The medical superintendent reported a comparative statement of cost of maintenance of patients for ten months preceding October, 1892, and ten months following October, 1892, of 32 cents per diem for each patient for the former period and 68 1-10 for the latter.

On motion of J. D. Jones, Nisonger, Shurtliff, Dougall and himself were appointed a special committee to consider the advisability of cutting down compensation of employes and officers of the asylum and report at next meeting.

Cases Filed.

Cases have been filed in the First District court as follows:

Jos. S. Wing, Sr., vs Frances A. O. D. A. M. C. Wing; divorce prayed for on the ground of desertion. The couple are residents of Sanpete and were married in Springville in 1875.

PRESIDENT BOB, STOCK FARM,
FAIRVIEW, VIRGINIA, Oct. 7th, 1892.
PUTNAM NAIL CO., Boston, Mass.
GENTLEMEN:—Regarding your inquiry of the 5th inst., will state that I have used the Putnam Nail exclusively for years in the shoeing of my horses, and am free to say that for a nail which can be used with the utmost safety and which will hold a shoe firmly and securely, the Putnam Nail is the best I have ever used. I shall continue to use it while I am in the business, and shall be glad to recommend it to my friends. Very respectfully yours,
Chas. Marvin

The Putnam Nail is the only exclusively Hot-Forged and Hammer-Pointed nail.
Look in your smith's shoeing box, if the nails have smooth edges for the whole length they are the PUTNAM, for they are Hammer-Pointed and are not sheared.

The above picture, from a photo specially taken for the Putnam Nail Co., shows Sunol with a Putnam nail, which was exclusively used in shoeing the horse of world's fame. Will be sent to the trade of a kind liberal enough to show, upon receipt of twelve cents, the receipt of a 2-cent stamp for postage, etc.

The sixth volume of the DESERET WEEKLY in the present form is now issued. A limited number of copies of these six volumes can be obtained at the Deseret News Office, Salt Lake City, in bound form at $2.00 per volume. It is the best history of current events to be obtained, and by far the cheapest, and the time is not far distant when they will be eagerly sought after by students of history, anxious to be informed of the stirring events which have transpired within the past three years—the most interesting period of the history of the Latter-day Saints. Every person who can offer it should secure these volumes while they are to be had for future reference, and especially should they be obtained for every Sunday School, Improvement Association and Ward library.
