

THE DEMOCRATIC JUDICIAL TICKET.

Fall Account of the Convention Proceedings at Which it Was Chosen.

THE BI-PARTISAN PROPOSITION.

City Convention Followed by One Candidate Engaging in an Unusually Fight.

For Judges Third Judicial District—
S. W. Stewart,
W. C. Hall,
James H. Hurd,
A. N. Cherry.
For district Attorney Third Judicial District—
Ray Van Cott.
For City Judges—
Morris Sommer,
A. S. Fowler.

The Democrats of the Third Judicial district, comprising Salt Lake, Summit and Tooele counties, met in convention yesterday in Judge Stewart's court room at the city and county building and nominated the above four candidates for district judges and one for district attorney. The convention was orderly and harmonious throughout, and the candidates chosen are fully qualified in every particular to fill the offices for which they were nominated. Judge Stewart and Hall, who are two of the present judges of the district court, were renominated by acclamation. Judge A. N. Cherry served one term on the bench in this district and Mr. Hurd, the fourth nominee, is a member of the well-known law firm of Hurd & Wedgewood. Ray Van Cott, the nominee for district attorney, is one of Salt Lake's brightest young attorneys. He has had considerable experience in handling state cases as he was assistant county attorney of this county for four years.

CALL TO ORDER.
Col. A. E. Ellis called the convention to order at 10:30 o'clock and briefly outlined the purpose of the convention. He then read a petition from about 50 lawyers and prominent citizens of the district urging that the present four judges be renominated. He named Judge O. W. Powers as temporary chairman and C. M. Jackson as temporary secretary of the convention.

NAMING OF COMMITTEES.
Judge Powers, after making a brief speech of thanks, named the following committees:

Credentials—W. G. Nebeker, M. E. Muir, A. J. Weber of Salt Lake; J. L. Boyden of Summit, Robert D. Halliday of Tooele.
Permanent Organization and Order of Business—P. J. Daly, H. A. Anderson, E. A. Wall, of Salt Lake; Dan B. Shields of Summit, George H. Judd of Tooele.

To confer with Republican Judicial Convention—A. C. Ellis, Thomas Marshall, C. C. Dey, J. H. Moyle.
Joseph M. Cohen introduced the resolution which provided for the appointment of a committee of four to confer with the Republican convention in regard to renominating the present four judges. Several delegates objected to taking action on the matter until after the permanent organization had been effected. The resolution was finally adopted and a recess was taken until 11:30 o'clock to give the committees time to draw up their reports. After the recess Col. Ellis reported that the Republican convention had appointed a committee to confer with the Democratic committee and that they would meet at 1:30 o'clock, and be ready to report at 2 o'clock.

REPORTS RECEIVED.
The reports of the committees on permanent organization and order of business and on credentials were received and adopted by the convention. The permanent organization follows:

Chairman—C. C. Dey of Summit.
Secretary—Robert D. Halliday of Tooele.
Assistant Secretary—C. M. Jackson of Salt Lake.
Sergeant-at-arms—Hugh Watson of Salt Lake.

The order of business adopted was: Report of committee on credentials. Report of conference committee. Nomination of candidate for district attorney.

Nominations of candidates for judges. Appointment of a judicial committee of five members.
The credentials committee reported that there were no contests. It recommended that districts 90 and 91, newly created but not included in the call, be allowed to vote in the convention and that the vote of Salt Lake county be called by districts in Summit and Tooele counties by counties. A recess was then taken until 2 o'clock, at which time Col. Ellis reported that the Republican committee had rejected the proposition to renominating the present judges.

ATTORNEYSHIP FIGHT.

Nominations for district attorney were then proceeded with and the following candidates were placed before the convention:
H. J. Dinwiddie, Eugene Lewis, D. B. Hornstead, John Harris, Ray Van Cott by Mr. Thomas, C. A. Callis by Dan Shields.
Mr. Van Cott was nominated on the third ballot by receiving Tooele county's 11 votes and Mr. Dinwiddie, who withdrew from the race. The ballots stood as follows:

	Ballot No.	1	2	3
Van Cott	58	67	85
Hempstead	23	27	39
Callis	29	30	23
Dinwiddie	13	8	—

A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves, and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists.

nomination of Mr. Van Cott was made unanimous.

NAMING OF THE JUDGES.

The following nominations for judges were then made:
S. W. Stewart by O. W. Powers, W. C. Hall by E. A. Wall, E. A. Wilson by Mat. Thomas, Joseph H. Hurd by J. H. Moyle, D. S. Truman by Will Wanless, Charles Baldwin by Eugene Lewis, A. N. Cherry by H. J. Dinwiddie, W. H. Wilkins by Richard Hartley, C. S. Varian by E. D. Hoge.
The nominations of Judge Hall and Judge Stewart were made by acclamation. The name of C. S. Varian was withdrawn upon the statement of his son that he would not accept the nomination. The first ballot was then taken, which resulted in three men receiving more than a majority of the votes cast. The ballot resulted as follows: Cherry, 58; Hurd, 67; Wilson, 85; Wilkins, 23; Baldwin, 27; Truman, S. Cherry and Hurd receiving the highest number of votes were declared elected.

JUDICIAL COMMITTEE.

The following judicial committee for the next four years was named by acclamation: A. C. Ellis, Jr., Bernard Stewart, Salt Lake; Dan B. Shields, Summit; A. J. McCulliston, Tooele.
A resolution of sympathy and respect for the memory of Dennis C. Elchorn, deceased, the late district attorney, was then introduced by Joseph M. Cohen and passed by a rising vote. At 4:15 o'clock the convention adjourned.

THE REJECTED PETITION.

The petition submitted to both conventions requesting that the present four judges be renominated and which was turned down by the Republican convention, is as follows:

To the Republican and Democratic Judicial Committees of the Third Judicial District:

Gentlemen:—We, the undersigned, members of the bar of said district, respectfully urge such combined action upon your part as will secure a continuance of the four district judges now serving.

We believe this suggestion, upon reflection and consideration, will commend itself to you, and generally to the voters of the district.

1—These four judges have given faithful and efficient service. They have been tried and found qualified.
2—Good and safe judges are made only by long continued service and experience on the bench.
3—Judicial officers should not be changed without grave reasons.
4—The selection and election of judges, so far as possible, should be non-partisan. Judicial positions should never be the subject of scramble or political maneuvering for party service.
5—Judges who shy and faithfully perform the duties of their official trust are the safeguard of the people in their rights of property and liberty, and should receive the respect, support, and co-operation of all good citizens, and be given to understand that they will be permitted to serve so long as their duties are well and uprightly performed.

We make this request with the sincere desire of maintaining and raising the standard of qualification for this most important office in this district, which has great property rights and interests at stake, and of keeping our judges aloof from political methods and combinations.
Frank C. Dey, Benner N. Smith, Charles C. Dey, Benner N. Smith, Frank B. Stephens, John A. Street, L. R. Rogers, A. L. Hoppaugh, J. B. Stewart, E. M. Allison, Jr., Valde, Mar VanCott, Snyder, Bismarck Snyder, J. H. Snyder, Bismarck Snyder, Dickson, Ellis & Young & Moyle, C. S. Zane, Charles Baldwin, Geo. H. Smith, P. L. Williams, Rich, W. Young, Edward S. Perry, S. and W. Young, Edwards, Thomas H. Lewis, J. L. Hawkins, Thomas H. Marshall, Rollin W. Dole, John C. Royle, James H. Moyle, Ray Van Cott, J. H. Bailey, Jr., William H. King, John W. Bristol, William H. Thomas, E. D. Hoge, G. F. Putnam, Eugene Lewis, G. F. Putnam, William B. Bradley, William Pischel, F. S. Richards, J. T. Richards, Willard Hamer, Geo. G. Buckley, H. P. Henderson, D. Olson, C. Ogden, Hilos, C. D. Thompson, P. Looftbourow, E. D. R. Thompson, W. J. Robinson.

THE CITY CONVENTION.

Immediately after the district convention adjourned the Democratic city judicial convention was called to order by Chairman Muir of the city committee. Mr. Muir was the permanent chairman and C. M. Jackson permanent secretary. Nominations were then made as follows: Alexander S. Fowler by Ben D. Luce; Morris Sommer by Fisher Harris; Alexander McMaster by Matt Thomas; E. A. Walton by Judge O. W. Powers. Upon motion of Fisher Harris, the nomination of Morris Sommer was made by acclamation.

AN OFFENSIVE CANDIDATE.

The serenity and harmony of the convention were interrupted by a personal conflict between E. A. Walton and Thomas Williams, a delegate. When Thomas Williams was placed in nomination by Judge Powers, Williams, who was sitting beside Walton, but who was not acquainted with the nominee, remarked that he would not vote for Walton. The cause he gave was that Walton had turned as quick as a flash and struck Williams a number of blows in the face with his open hands. The delegates were finally separated, but they sat together during the remainder of the convention, but had no further trouble.

WITHDREW HIS NAME.

C. J. Bengtson secured the floor at once and demanded that Walton's name be withdrawn from the convention. Judge Powers then withdrew Mr. Walton's name and the convention proceeded to the first ballot, the vote being: Fowler, McMaster, 47. The convention then adjourned.

A GOOD REPORT.

Government Official Compliments Salt Lake on His Work.

The following complimentary letter has been received by County Auditor Fisher from the government statistician at Washington concerning the report of Salt Lake county's finances for the year 1903:

"Your printed financial report of Salt Lake county for the fiscal year of 1903 has been received. Permit me to thank you for the same and congratulate you upon the general arrangement of the report. It seems to be thorough in every detail and is apparently as complete as such a report can be.

"Later on I shall give it a more careful and critical study, and I doubt not that I shall be even more pleased with its character. With best wishes, I am, very respectfully,
"E. G. POWERS,

IDAHO GIRL GONE.

Meets a Wealthy Buckeye Citizen in Salt Lake and is Now His Wife.

The facts of a pretty romance have just come out in publication of the marriage yesterday, at Cincinnati, of Miss Frances Walsh of Mackay, Ida., to John McArthur of Springfield, O., one of Ohio's wealthiest horsemen. A little over a year ago, Mr. McArthur stopped over in Salt Lake City, en route to the coast, and registered at the Wilson. While buying a paper at the hotel news stand, he encountered the sweet smile of the presiding divinity, who was none other than Miss Walsh. That smile did the business, and an equally sweet voice "clinched the nail." Mr. McArthur came, saw and was carried into Cupid's camp a helpless, willing prisoner. "One word led to another," and the visit was left town, with Miss Walsh's address in his pocketbook, and her profile distinctly outlined in the limba penetralia of his affections.

Epistolary interchanges "followed as a matter of course," and less than a change of moon ago Landlord Fred Wey was waited on by Miss Walsh, and with the ruddy red rays of rubicund embarrassment radiating from posey pink cheeks, the saccharine divinity from Idaho, with ultra poetical coyness informed him that she wished to leave—to get married. It was therefore necessary for him to ring up a new presiding genius for his news stand. Then Miss Walsh faded away, in the direction of Ohio, and entangled upon the hymeneal shades yesterday afternoon. She is now Mrs. John McArthur of Springfield, O., with horses "to throw at the birds," and an elegant mansion to live in. Her friends wish her a long and happy life, for she left many friends and admirers in Salt Lake.

A FOOT RACE

Minister vs. Boy.

"Facts are facts and stubborn things indeed," says a Michigan clergyman who had a memorable foot experience. "The fact is when a man gets all out of sorts physically because of a derangement of the stomach so that his heart action is bad, is very nervous and owing to physical organs impaired and nothing he can eat of an ordinary kind will properly assimilate, it is time to call a halt. Such was my case two years ago last March when I commenced using Grape-Nuts according to directions and have continued their use up to the present time with the result I am in better health physically and mentally than I have been for many years, having passed my 42nd year."

"To demonstrate this fact I proposed a foot-race with my 11-year-old boy who was very fleet on foot and he being barefooted imagined he could outrun his Pa but I was beating him handily all the way. My foot on a muddy place caused me to stumble and I found myself rolling in the mud 'a the road. I soon found my foot' again undamaged and had to go on a good hearty laugh with my wife and daughter. "Why should I not recommend Grape-Nuts to my friends when the food has done so much for me for I am confident that had it not been for the help this excellent food supplied I would today have been past recovery. Instead of growing old now I feel younger than I have for years with more mental strength as well as physical and can preach better sermons than ever before." Name given by Postum Co., Battle Creek, Mich.
Grape-Nuts makes far healthier, keener brains. A dull worn out brain can be remade on this food. There's a reason.

REPUBLICANS LAUNCH TICKET.

Morse, Lewis, Armstrong and Ritchie the Nominees of the Convention.

THREE BALLOTS NECESSARY.

Fred C. Looftbourow Defeats Benner X. Smith for District Attorneyship Nomination.

For District Judges—C. W. Morse, T. D. Lewis, George G. Armstrong, Morris L. Ritchie.
For District Attorney—F. C. Looftbourow.

After a struggle, which at times bade fair to arouse personal animosities, the Republican judicial convention yesterday afternoon nominated the men named above for the positions indicated.

When the "News" report closed the convention was in the midst of nominating candidates. Following the nomination of Judge Lewis and the unsuccessful attempt to dispose of it by acclamation, J. E. Darner presented the name of D. H. Wenger. Grant H. Smith the name of M. L. Ritchie and John W. Smith of Draper that of H. S. Tanner.

At this juncture Daniel Harrington secured the floor and in a few well chosen remarks explained to the convention that owing to the "talent" already presented, he had been dissuaded from entering the race and that he therefore took great pleasure in seconding the nomination of Judge George F. Goodwin.

LEWIS AND ARMSTRONG.

Nominations being closed, the convention proceeded to ballot with the following result: Thomas D. Lewis, 52; George G. Armstrong, 52; George F. Goodwin, 67; Morris L. Ritchie, 71; H. S. Tanner, 67; C. S. Kinney, 39; D. H. Wenger, 48; C. S. Patterson 9. Necessary to a choice, 75.

Judge Lewis and Deputy County Judge Armstrong being nominated, a second ballot was necessary to decide the fourth. This resulted in no nomination, Judge Tanner receiving 54 votes, M. L. Ritchie 49 and George F. Goodwin 34.

RITCHIE BEATS TANNER.

In the interim the names of Wenger and Kinney were withdrawn, and in the third ballot were taken, and in the midst of spirited lobbying between the friends of Judges Tanner and Ritchie, the announcement was made that Judge Goodwin had withdrawn in favor of Judge Ritchie, a remark which caused great excitement and defeated Judge Tanner by 20 votes. The ballot resulted: Ritchie, 55; Tanner 66.

LOOFTBOUROW WINS.

Nominations for district attorney were then called for and four names were presented—L. R. Baker by W. S. Marks; Benner X. Smith by H. A. Smith; Fred C. Looftbourow by H. E. Booth, and M. M. Kaighn by Theodosius Botkin. The ballot resulted: Looftbourow, 59½; Smith, 27½; Kaighn, 27; Baker, 11. Mr. Looftbourow's nomination was made unanimous.

JUDICIARY COMMITTEE.

The following were then named as members of the judiciary committee:
First Precinct—A. B. Adler.
Second Precinct—G. H. Backman.
Third Precinct—H. A. Smith.
Fourth Precinct—C. S. Price.
Fifth Precinct—J. M. Thomas.
County Outside the City—O. W. Carlson of Mill Creek.
Summit County—J. M. Lockhart.
Tooele County—L. B. Baker.
After a vote of thanks to Mr. C. V. Anderson for donating the hall, the convention adjourned.

FRANCHISE RE-GRANTED.

Given Again to Independent Telephone Company on Account of Mistake.

The county commissioners have re-granted the franchise to the Utah Independent Telephone company to construct and operate telephone lines throughout the county. The franchise was first granted in January, but the company, through an oversight, failed to accept it within the required time. It became necessary to grant the franchise again.
The company is required to keep the poles within the curb line, to furnish the county with three free telephones; and to allow the county to string wires on the company's poles.

IF YOU HAVE DYSPEPSIA, READ THIS.

The old way of taking Pepsin, bismuth, etc., to cure dyspepsia, is all wrong. They may be put up in tablets or in liquid, the result is just the same. The object is to create artificial digestion, but this does not make a cure. Stop taking the pepsin, etc., and you have your dyspepsia or indigestion back again. People use cocaine or opium for nervous troubles and sick-headache, it does not cure, stop taking the drugs and the pain and distress return. The only Common Sense Method is to drive out of the system the cause of dyspepsia and sick-headache, by cleansing the stomach and bowels, at the same time using a medicine that will act on the liver. This forces through the glands of the stomach the digestive fluid that nature intended. In this way you cure dyspepsia. The medicine that cures dyspepsia by this method is called Dr. Gunn's Improved Liver Pills. Druggists sell these pills at 25c per box. It only takes one pill for a day.

PRESIDENT POLK'S NIECE SAYS: "PE-RU-NA IS WOMAN'S FRIEND."

Minnie Lee Collins, of Tennessee, says Peruna cured her of female trouble after the best physicians had failed to cure her.

Mrs. Minnie Lee Collins, Grandniece of the late President James K. Polk writes from 912 High Street, Nashville, Tenn.:

"For several years I experienced a severe attack of female trouble. The best physicians prescribed for me, but without avail. Two years ago I began to take Peruna at the advice of a friend. I noticed a perceptible improvement at once; after taking several bottles I was cured. I hold Peruna in high esteem and am always ready to say a good word for it."—MINNIE LEE COLLINS.

This is the same old story told by a thousand women in a thousand different ways. Female trouble; doctors fail to cure; Peruna, as a last resort, a happy relief from a dreary servitude to aches, pains and a complication of physical anguish that can never be described.

These women all tell the same story. Pains all gone. Dragging sensations gone. Quivers and throbbings and tremblings and dizziness and nausea and the irregularities and painful periods—all gone. In their place has come vigor and vivacity, health and hope, peace and patience, grace and gratitude.
