BASEBALL AND ATHLETIC SPORTS

VANDERBILT CUP RACE OCTOBER 30

Course This Year to be Shortened to Little Less Than 15 Miles.

New York, Sept. 14—The Motor Cups Holding company, which was recently incorporated to consider the feasibility of holding another Vanderbilt cup race, have just decided to hold such a contest and have fixed the date for Oct. 30. W. K. Vanderbilt, Jr., the donor of the cup, and other members of the committee, canvassed the automobile manufacturers of this country and Europe and they have received assurances that between 30 and 35 cars will be entered in the coming contest, thus making it the largest in point of entries, of any yet held. The course this year will be shortened to a little less than 15 miles, but the distance will remain the same. In shortening the circuit, the dangerous turns have been eliminated, so that the course as now planned will be ideal.

Official announcement of the holding of the race will be issued in a few days, and it is expected that within two weeks thereafter the foreign and domestic car manufacturers will announce the names of their drivers and establish quarters along the course, so that a long season of training may be had.

OGDEN RACES STARTED WITH GOOD ATTENDANCE

Best Ogden turfites prefer running horses to harness events was conclusively shown by the attendance at the track yesterday afternoon when six running events were given under the direction of W. M. Murray. There was an additional day of the fair but this did not interfere with the races. The first race was one of the best of the day, Roberts, a heavily played favorite, winning from Charles J. Harvey by a narrow margin. Jockey Collins was assessed $15 for rough riding. Judge Blum also made Merkle, owner of Charley Paine, sit up and take notice when he fined the owner $100 for using bad language.

The fifth race was an exciting one, the finish being decidedly close between Elfite and Charlie Dougherty, the former winning by a nose. There was a large crowd from Salt Lake and they found a good thing in Chitterlings in the third race.

MISS WILLIAMS RETAINS TENNIS CHAMPIONSHIP

Miss Kate Williams, by defeating Miss Margaret Hutchinson, 6–4, 8–6, in the finals match yesterday afternoon, retains her title of state champion. Though defeated, Miss Hutchinson played a classy game, and there were many who say the match who predict she will be the champion within a year.

There was a default in the men's doubles and there remains to be played the final in singles between Garnett and Frank Roberts and the winner will play a challenge match with Sam Neel. This match will probably be played on Saturday.

ARMSTRONG DUE TODAY.

There is still a chance that Pete Sullivan, the local lightweight, and Bird Leg Collins will yet come together in the roped arena. Jack Armstrong, manager for Sullivan, is expected back from Idaho today and will try to make arrangements for the match. There is also a probability that Sullivan and Young Corbett will be matched at Pocatello.

HORSES AT BUENA VISTA.

An even dozen speedy ponies were added to the big string stabled at the Buena Vista track yesterday. There are now more than 100 race horses quartered at the track and many more are coming this week. The horses to arrive yesterday were:

Madeline Musgrove, Lord Nelson, Marlingo, Furnace, Prometheus, owned by S. A. Chopton.

Jolter, Kerry, Airs, Sir Barry, owned by Joe Quinlan of Ogden.

Genova and Camera, owned by J. W. More.

FOUR OF THE LEADING PITCHERS IN THE MAJOR BASEBALL LEAGUES.

In sizing up the most successful pitchers in the major leagues this season to date one finds Christy Mathewson of the New Yorks tops the list in the National league. The sensational twirler of the Giants won 23 out of the first 28 games pitched. In fact, Matty is really entitled to two more games, they having been lost by his teammates with inexcusable errors. Howard Camnitz, the Pittsburg Pirates' leading slab artist, is next to "Big Six," having won 20 out of 26. "Three Fingered" Brown, the Chicago Cubs' great delivery clerk, is next on the list, having captured 24 out of 30 games twirled. In the American league Krause, the Philadelphia Athletics' phenomenal youngster, heads the list of winning pitchers, having defeated his rivals in 16 out of 20 games. This recruit won 10 straight contests. Mullin of Detroit is second on the list, he capturing 24 out of 33 pitched. Frank Smith of the Chicago Americans leads both leagues in the number of games twirled. He has taken part in 39 and has won 22 of them.

PRESIDENT TAFT WILL USE CLAYTON AUTO

"Commodore" Harry Elliott, a wellknown local automobile man, is in receipt of a letter from Chief Wilkie of the secret service department, asking that arrangements be made for an automobile to be used by President Taft on the occasion of the chief executive's visit to Salt Lake City. The president has a White Steamer in Washington, so Elliott arranged with I. A. Clayton, who owns a similar machine, for the use of his automobile, and it will be used by President Taft.

AQUATIC EXHIBITIONS.

An exhibition of fancy swimming and diving will be seen at the Y. M. C. A. tomorrow afternoon at 4 o'clock. Alvin Moore, an expert from New Haven, Conn., is due here tomorrow from the coast and will give an exhibition.

NO CHAMPIONSHIP BASEBALL SERIES

There was a meeting last evening of managers of various baseball teams in the office of John F. Tobin, and the proposition of arranging a series of games to settle the state championship question was discussed at length. Word was received from Park City and Heber to the effect that there is an abundance of snow at both places, in fact, so much that baseball games there are simply out of the question. It was finally decided to call off the championship series, so the teams claiming the title will have to wait until next year to fight it out on the diamond.

AMERICA WINS CUP FROM ENGLISH TEAM

Philadelphia, Sept. 13—America won today from Great Britain in the third and decisive match of the Davis lawn tennis cup play on the courts of the Germantown Cricket club. R. D. Little and H. H. Hackett defeating in the doubles J. C. Parke and W. C. Crawley, 2–6, 6–4, 6–4, 4–6, 8–6.

This decides the preliminary tie and makes America the challenging nation against Australia, which now holds the coveted blue ribbon of the tennis world. Tomorrow the single matches will be continued, with Larned meeting Parke and W. J. Clothier playing C. P. Dixon. The result of these matches, however, will not affect the championship.

The veteran Little seemed to be the main objective of the visitors' attack, and they subjected him to a merciless bombardment of drives and smashes. Parke seemed the best of the Englishmen, although he was uncertain overhead and his errors in this respect were largely responsible for the loss of the final set.

Parke and Crawley showed fine form in the first set, but the Americans steadied down in the second set and won it, 6–4, making the match one all.

Little and Hackett won the third set, 6–4.

The Englishmen took the fourth set, 6–4, making the match two sets all.

The Americans won the fifth set, 8–6, and the match.

It is unlikely that any member of the American team will go to Australia, as it is understood none of them cares to make the trip. It is generally understood that the two California experts, Melville H. Long and Maurice F. McLaughlin, will be selected to go to the antipodes. The third member may be Beals C. Wright, who went to Australia last year with F. B. Alexander.

National Champion Sargent arrived at the Skokie club yesterday, and the first time out registered a creditable 75.

Will Anderson, however, had the best score of those who appeared for practice, registering a 72. Otto Hackback of St. Louis, in making a 75, reached the 375-yard eighteenth green, in a drive and an iron shot.

GEERS' HORSE WINS.

Syracuse, N. Y., Sept. 13—The Harvester, Ed Geers' unbeaten 4-year-old stallion, at the opening of the Grand Circuit meeting today, won the Chamber of Commerce, a $2,000 stake for 2:09 trotters, in straight heats. Genteel H. and Zomalta furnished contention, but the crippled Geers had to hold tight to keep the stallion from losing his field. Results:

The Chamber of Commerce, 2:09 class trotting, three in five heats, purse $2,000—The Harvester won in straight heats. Time—2:08½, 2:16¼, 2:09¼. Genteel H. and Zomalta also started.

2:13 class pacing, three in five heats, purse $1,200—Hoosier Prince won in straight heats. Time—2:08¼, 2:07½, 2:07¼. Hallie Direct, Flora Coffee and Glaista also started.

LONG IS DEFEATED.

Philadelphia, Sept. 13—Wallace F. Johnson of the University of Pennsylvania defeated Melville H. Long, the Pacific coast and western champion, for the intercollegiate tennis championship today.

The match went to five sets, the last set being won by Johnson.

Both men displayed improved form and a warm battle for the title was waged. Johnson surprised everyone by winning the first set, 6–4.

He fell off slightly in the next two sets, which went to Long, 6–2, 7–5.

The fourth set was six games all, both men exerting themselves to the limit, and there was enthusiastic applause when Johnson finally won the set, 8–6.
