## A NEW SILVER PLAN.

Chandler's Scheme for the Remonetization of the White Metal.

A WORLD'S SILVER CONGRESS.

His Proposition to be Introduced in the Senate Soon After the Beginning of That Body.

WASHINGTON, Dec. 27. — Senator Chandler, Rep., N. H., is about to come forward with a scheme looking to the remonetization of silver. The senator proposes very to deal without delay in bringing this about. He contemplates the introduction in the senate, after the convening of Congress, of a resolution which he will advocate, asking the United States to invite all the countries of the world, silver, western and eastern, to an international conference. The new feature of the proposed conference is that it shall not be restricted to the European gold standard countries, but shall include Southern American and central silver standard countries. Moreover, the invitations to the conference are to contain a declaration of the United States that the purpose of the conference shall be the establishment and maintenance of an international ratio, with the specific understanding that the United States cannot be expected upon it will be the purpose of the United States to adopt a single standard and that the silver will not be gold but silver. By taking this extreme position, all of yet advanced to Congress, even by the radical silver men, Chandler thinks that the heads of the gold standard countries not now treating cordially with the western world can be induced.
