LOGAN.

Logan, Utah, May 25, 1895.

Cache County Happenings.

Sam's Brother's circus performed here on Saturday to a moderate crowd, and all who attended were well satisfied. The show is efficient for its size, and many compliments were paid the boys. We understand they are doing a good business in this county.

The price charge made was a matter of comment in the newspapers, not at the ticket wagon, but in the tents and on the grounds. The Lewiston Herald has the idea, as far as small towns are concerned, that the show was worth the money charged, namely, from 25 cents for the cheapest seat to $1 for the best seats. Those who did not patronize the show had the privilege of seeing the circus parade, which added a good deal to the business of the city merchants.

Several high class entertainments have been announced for the Opera House in Logan during the month of June, with a view of filling dates. The court was busy last week and the previous week, Judge Maiden presiding. The complaints in the cemetery, which appeared in a recent issue, seem to have been well taken care of, and the cemetery is now in fine condition. The Logan City Band is playing in front of the principal business houses on Saturday afternoons. Fully 1,000 people were in attendance last week.

The personnel and general operation of the J. H. Brown Hardware & Drug Co. have recently been changed in a number of particulars, and operations will soon develop beneficial results to the people. The Bee has commenced to use the telephone and is prepared to do all orders.

A company with a capital of $[illegible] has been organized at Richmond for the purpose of building a flour mill over Bear River. The company is to incorporate under the name of "Richmond City Mill and Elevator." The building will be erected in the city.

Eight horses and four wagons arrived in Logan on Saturday morning, loaded with merchandise from Ogden for some of our merchants. By using a fast wagon and four horses many days are saved to those who make quick sales, paying with the money collected.

The price of wool has advanced. Now it is worth within 2 cents of last year, and many farmers who were holding for a raise are disposing of their surplus. Goods are selling at a still higher price.

A concert of Logan's musical and elocutionary celebrities will take place in a social to be given in the Presbyterian church on Thursday evening.

The Y. M. M. I. A. conference yesterday had a fair attendance. The following officers were sustained to be tendered to the Logan Ward.

A number of vagrants are serving short sentences in the city jail.
