THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

LOCAL BRIEFS.

Lecture on Cliff Dwellers—Prof. Byron Cummings will lecture on the "Cliff Dwellers" next Thursday evening, in the Y. W. C. A. parlors.

A. L. Steele Promoted—Arthur L. Steele, head salesman for 15 years with the Utah Implement company, has been advanced to the position of manager of the sales department.

Leave For Scotland—Mr. and Mrs. Arthur Willis, Mrs. John Jacobs and Miss Mary Hamilton left today, for Scotland where they will visit for three months.

High School Boys Band—The high school cadet band will give another concert on the evening of May 31 in the school assembly hall. The boys are doing remarkably well.

Strength of the B. P. O. E.—The Elks are initiating about 20 new members monthly. The order in this city is now regarded as one of the strongest lodges in the entire country.

Forty Families Quarantined—An epidemic of measles is reported from Spanish Fork, with nearly 40 families under quarantine, and the state board is superintending suppression of the disease.

Last Meeting Tonight—The last meeting of the First Congregational Men's club for the season will be held this evening, with Charles Crane as the speaker of the evening. His theme will be the initiative and referendum.

Electrical Engineers—The resident members of the American Institute of Electrical Engineers will meet this evening at the Commercial club to organize a Salt Lake branch. The order has 8,000 members, and has a $250,000 building in New York City.

Implement Branch Deal—A deal is pending whereby the business of the Snake River Implement company at Twin Falls, is to be transferred to the Consolidated Wagon and Machine company. The business at present, is controlled by the Utah Implement-Vehicle company.

Baccalaureate Sermon—Rev. P. A. Simpkin delivered the baccalaureate sermon before 40 students of Gordon academy, yesterday, in Phillips Congregational church. His theme was the benefits accompanying a Christian education. The auditorium was handsomely decorated with palms and potted plants, and the audience filled the house.

Miss Gray's Musicale—The piano pupils of Miss Mary Olive Gray will give a musicale this evening, in the First Congregational church, assisted by Mrs. Charles Daley, sogram will be Helen Woodruff, Miriam gram will be Helen Woorduff, Miriam Love, Henry Love, Marguerite Duvall, Jennie Williamson, Leda Wallace, Valois Peirce, Lucy Quinn.

Laundries Raise Prices—As forshadowed in the "News" some time ago, the local laundries have, with one exception, changed their rough dry rates so that the charge is now by the piece instead of by the pound. The reason for the change is high freight rates from the east on machinery, high wages, high prices for soaps, and high cost of maintenance of delivery wagons.

Elks to Have a Special Train—The Elks decided yesterday afternoon, to occupy a special train on the pilgrimage to the Philadelphia convention, but the route was not decided on. Up to date, some 200 people have signified their intention to join the excursion. Southern Wyoming and northern Colorado lodges will unite with the Salt Lake lodge if the route lies through their territory.

New Drug Company—The Robison Drug company of this city has filed its articles of incorporation with the county clerk. The capital stock of the company is $10,000, divided into shares of the par value of $1 each. E. J. McCleery is president; A. Y. Robison, vice president; H. M. Wells, secretary and treasurer. The company takes over the stock of the Anness drugg store on First avenue.

Fruit Crop Short—Councilman Crabtree who has been looking over the California fruit and produce situation, says that there is only a 10 per cent strawberry crop, and a 20 per cent cherry crop, with peaches and plums very short also, on account of the backward spring and wet weather, and because of a decrease in the acreage. However, there will be plenty of grapes. The orange crop has been pretty well moved. There is a car shortage for fruit, just as there is for lumber, so that shippers have to speak 30 days ahead in order to secure shipments.

Music For Formal Opening—Handsomely engraved invitations are being sent out today, for the formal opening of the Salt Lake Security & Trust company's safety deposit department, Saturday, June 1, from 2 to 9 p. m. There will be an orchestra in attendance, and souvenirs of a practical value given away to visitors. The company has expended $50,000 in the construction of these handsome marble and bronze safety deposit vaults, which are considered among the finest in the country, and a just pride will be taken in showing them.

Will Lead Discussions—The program of the sessions of the National Educational association to be held in Los Angeles, contains the names of three Salt Lake teachers who are to deliver addresses during the convention. J. S. Walsh, supervisor of grammar in the city schools, will lead the discussion on oral reading and oral grammar; Prof. Joseph E. McKnight of the university, will deliver an address on kindergarten curriculum; Miss Mary C. May of the kindergarten department of the city schools, will have charge of the kindergarten department at the convention.

Banquet at Price—Some 15 or 20 prominent lights of the Abraham Land and Improvement company will go down to Price this afternoon, to take part in a banquet to be given that evening, preparatory to the opening of active construction operations the following day, on the big system of irrigation. The entire work calls for an investment of $300,000, and includes 50 miles of canals and laterals, and a reservoir three miles long, one mile wide and 125 feet deep. The grand canal will be 16x20 and 4½ feet deep. The system will cover 25,000 acres of fruit lands.

Slander by 'Phone—Portions of the community are much wrought up over the actions of unknown persons who of late have been using the mails and the telephone as a means of carrying slander and defamation. The latest instance was brought to light yesterday, when Miss Bessie Hulse was informed over the 'phone that her fiance, Irwin C. Gammer, was about to be married to another woman. The informant did not give her own name, but spoke to Miss Hulse familiarly, calling the latter by her first name. Endeavors were made to find out at the telephone office from what source the call had come, but without success. But detectives have been put upon the various cases of this character that have been brought to public notice, and it is thought that at least in one or two instances the guilty parties are known and will be called upon to answer for their conduct.

DANCE AT SALTAIR.

Contestants on Cummings Field Complete Day With Grand Ball.

All the visiting track teams taking part in the big track meet at Cummings' field Saturday wound up the day by attending the ball at Saltair in the evening. During the progress of the dance the winners in the field events were presented with medals, and those taking second and third places were presented with ribbons. A feature of the ride to the lake was the new electric lighted cars on the Saltair railroad, and the new chair cars now included in the road's equipment.

RELIEF FROM RHEUMATIC PAINS

Among the troubles that beset mankind rheumatism is one of the most aggravating. "I suffered with it for over two years," says Mr. Rolland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by all druggists.

GOOD WORDS FOR CHAMBERLAIN'S COUGH REMEDY.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Blarclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy when ever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by all druggists.

CANADIAN BANQUET.

Queen Victoria and President of United States Are Toasted.

The second annual banquet of the Canadian association of Utah was given Saturday evening at Masonic hall, corner of West Temple and Second South streets. The affair was a complete success. In the absence of President M. V. Rice, in Nevada, Charles Crane presided. The decorations consisted of the Canadian national emblem, the "Maple Leaf."

Regrets were received from ex-Senator Kearns, who left for California the same evening, and David Keith, who accompanied W. A. Clark to Ophir. Several artistic musical selections were rendered and encored.

Toastmaster Crane, in a brief speech, toasted the memory of Queen Victoria. H. M. Childs responded to the toast, "The King." W. E. Sharpe responded to "The President," which toasts were drunk standing.

Rev. Mr. Eddy was assigned the toast "Canada," and said that within twenty years the Washington government would deal more respectfully with Ottawa delegations than was their wont now, on account of the rapid growth of the Canadian country.

A baritone solo was rendered by E. M. Ermatinger, who sang a song, playing his own accompaniment on the guitar. F. B. Scott, secretary of the association, responded to the toast, "Anglo-American Union."

The affair was brought to a close by all singing "The Maple Leaf," "God Save the King," and "America."

RHEUMATISM

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop., Sullivan House, El Reno, O. T., writes, June 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c, and $1.00. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main St. B

PEDERSON RECITAL.

Pupils of Music Teacher Appear at All Hallows College.

The musical recital of Prof. Pedersen's pupils, drew a large audience at All Hallows college Saturday night. A feature of special interest was the contest for a gold medal by six boys playing cornet, alto and baritone horns, Nelson Hogan with a cornet winning the first prize, Van Hogan taking the second, and O. Hogan the third.

The program was successfully carried out, with Prof. Pedersen in immediate charge. The violin players all showed the marks of a steady, persistent training in production of tone and accuracy of technic, fields in which their instructor is an acknowledged master. The audience was much interested in the little Critchlow girl aged 9, who played her violin in a way that promised much for performance in later years. The entire program was much enjoyed.
