CITY ENGINEER.

The city engineer reported for the same year receipts in the sum of $1,[illegible] and disbursements in the sum of $23,[illegible]. He believes that the sewer will cost excess of estimate, $[illegible], or $[illegible] less than the estimated cost. He estimates that 31 per cent of the whole work is completed and the cost to December 31, 1893, was $181,[illegible]. In continuation attention is called to the desirability of continuing the work under the present contract, as it will cost the city not less than $30,000 if the contract be cancelled and a new one let after the profitable portions of the work have been completed. Filed.

TEN—YEAR 30 CLAIMS—ORDINANCE.

The ordinance requiring persons who have claims against the city to present to the same was passed on a vote of ten to five.

SEE INCREASED SCHOOL BOARD.

The following resolution was offered by O'Meara:

Whereas, There is pending before the Board of the School District of Salt Lake City an increase the located subdivisions, and

Whereas, It is impossible for one cent should be used as a school district, and possibly therefore, be it

Resolved, That the Board, the Mayor, the Legislature, Hon. [illegible] and the Governor of the State of Utah, be requested to pass an act of the Legislature of Utah, the school district, [illegible] and a school of not more than [illegible] school in the district.

Very respectfully yours,

[illegible]

The resolution participated a great deal of discussion and was strongly opposed by Clawson, Robertson and Young and the latter moved to amend so that the Mayor could not be left out therefore voted against which the resolution was adopted.

TO REGULATE SPRING VACANCY.

The following joint resolution by Newell and Morris was introduced:

Whereas, The municipal election in the city of Salt Lake City, Utah, is the right to consider and decide upon all appointive offices of the city government, belonging to the Council, now and for the Mayor, therefore, be it

Resolved, That
