EUREKA.

Growth and Material Prosperity of the Town—Meeting House to be Moved.

Special Correspondence.

Eureka, Nov. 22.—Fred Stauffer, the mayor, may well be proud of Eureka, with its assessed valuation of over half a million, its $12,000 school house, its modest but convenient city hall, and fire department well supplied with hose carts, chemical apparatus, ladders, buckets and appliances for fighting fire. About seven years ago Eureka experienced a small blaze, in which some fourteen buildings went up in smoke. At present the business portion of the city is in rock and brick; small stores and stables adjacent are put up with corrugated sheet iron, that Eureka may be safe. The innumerable neat dwelling houses in all shades of color, and various designs, that dot the hillsides, are of wood. Eureka is more than a great camp, it is a city that has possibly produced twenty-five million dollars worth of the precious metals.

The members of the "Mormon" Church are making preparations to move their meeting house from its present site between the Beck mill and mine up on the hill, to a plat of ground on Main street a little beyond the Methodist Church as you go towards Knightsville—the workingmen of the community will subscribe $5 each for the purpose of purchasing the ground and moving the building.

The present site was once desirable, but the wonderful expansion of the Beck mine unthought of at its selection, and the encroachment of the huge pile of dirt composing its dump, now a mountain itself, has injured the site materially. The removal of the meeting house will greatly benefit the owners of the mine, giving them more space for their dump.

President James W. Paxman was here last week and collected some $50, a subscription to the Pioneer Monument—at the first call the people here responded with $100, which makes the total $150 from the people of Eureka.

All the institutions of the ward are in a flourishing condition. President Donnelly of the Mutual Improvement association, with his counselor, David Stevenson, are doing a good work, and preparations are being made for a Sunday school celebration on a big scale to take place on Dec. 10th, 1899.

OUR NEIGHBORS.

WESTON, IDAHO.

Forty Per Cent Coop—Surprise on Primary President—School Meeting.

Special Correspondence.

Weston, Idaho, Nov. 22.—The little town of Weston is situated on a hill in the northwestern part of the beautiful valley of Cache. Its dry streets form a nice contrast to the towns in the lowlands, that after the heavy rains of last week are ankle deep in black, sticky mud, where any load at all takes a four horse team. There are about forty families in the town, but the ranches are scattered for miles around. Water and timber are very scarce, and most of the farming is on the dry system. The crops this year average fort per cent of the usual yield, but none of the grain was frozen. The price only is frozen, viz.: Through the rise in freight and the tactics of middlemen wheat is only thirty-eight cents per bushel, with a promise of thirty cents, so the farmers are scanning the heavens and the earth watching for the prosperity that is so much heard of, but so slow in showing up.

PRIMARY ASSOCIATION.

On Monday evening last the children of Weston Primary association came to the home of Mrs. Hannah Mickleson, who has so faithfully presided over them for nineteen years, and with arms and baskets loaded with the good things of earth, gave their beloved president a surprise. As they entered the home their little voices raised in unison in singing the Primary hymn, "We thank Thee, O God, for our Primary."

After a pleasant evening the children presented their teacher with a beautiful set of china and glass ware.

SCHOOL MEETING.

On Tuesday evening the county supertendent of schools, John E. Dalley, for Oneida county, who is visiting the schools of the county, called the parents and teachers together for a friendly talk on the great cause of education. Professor John E. Dalley, is an old-time educator of Utah, and is doing a splendid work in this county. Professor Webber and C. C. Shaw, who is an old-time pedagogue, also adressed the large audience.

POCATELLO, IDAHO.

Blind Man Hurt—Serious Cutting Affray—Jail on Fire.

Special Correspondence.

Pocatello, Idaho, Nov. 22.—On Friday the 17th, what might have been a serious accident, happened to Wm. Owens, the getleman had occasion to go to the Idaho Furniture Company's establishment and entered at the back way, instead of going in the main doors, and being blind, missed his footing and fell down the elevator shaft to the basement below, a distance of 12 or 14 feet. His injuries consisted of a broken nose and a few bad bruises.

A CUTTING AFFRAY.

Two of our young men got into an altercation, and decided to settle matters in regular fistic order, hence repaired to a secluded spot for the purpose, when D. R. Trapp, one of the combatants, flashed a knife and cut his opponent twice, in the back and across the temple. Prompt medical attention saved serious results. The wounded young man, Fred J. Schell, then had a warrant sworn out for the arrest of his would-be slayer, but he has left town.

TYPHOID AT DEMPSEY.

Doctor C. N. Rooker, recently returned from the Philippines, is kept very busy making trips to Dempsey, some 35 miles east of here, on account of several bad cases of typhoid fever.

JAIL ON FIRE.

Yesterday about 4 p. m., the old county jail had a narrow escape from destruction by fire. Prompt action on the part of citizens and fire department, however, saved the building.

OLD FOLKS' BALL.

Last evening the old folks' committee gave an old folks' ball in the Latter-day Saint's assembly hall. A good enjoyable time was had by all present. Old time dancing being the order of the occasion.

The health of the town and its people never was better.

MESA, ARIZONA.

KIDNEY DISEASE KILLS.

Its Victims Are Numbered by the Hundreds of Thousands.

If you are suffering from Kidney or Bladder disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back? If so, your Kidneys or Bladder are diseased."

Try putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is a sediment, or a cloudy milky appearance, your Kidneys are sick.

Dr. David Kennedy's Favorite Remedy will surely relieve and cure even the most distressing cases of these dread diseases, and no physician can prescribe a medicine that equals it for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation. It will promptly correct the bad effect of beer and whiskey. All drug stores sell it for one dollar a bottle.

By sending your address to the Dr. David Kennedy's Corporation, Rondout, N. Y., and mentioning this paper, a trial bottle, together with pamphlet of valuable medical advice, will be sent you free; postpaid by mail. Our readers can depend upon the genuineness of this offer.

These Numbers Describe Kidney Disease.

A MOST DANGEROUS disease it is, too, if allowed to run its course, for when the kidneys are entirely broken down, the impurities that accumulate in the blood remain, to poison the system and breed disease.

The kidneys are the filters of your system, therefore they are most important organs.

If you have pains in the head, Fig. 1; puffiness under eyes or swelling of eyelids, Fig. 2; a dry, clammy mouth, with excessive thirst, Fig. 3; pain and weakness in small of back, Fig. 4; pain in limbs, Figs. 5–5; swelling of ankles, Figs. 6–6; a pale or sallow complexion, or with general weakness of entire system, then take warning.

These symptoms, one and all, indicate kidney trouble, and call for HUDYAN; for HUDYAN strengthens and rebuilds the kidneys.

If your kidneys are weak, "take HUDYAN," for HUDYAN stimulates them to perfect activity.

HUDYAN is an admirable remedy in Bright's Disease and Diabetes, and has cured in many instances where physicians failed. HUDYAN will bring back the glow of health. HUDYAN cures, and permanently. HUDYAN is for men and women.
