Fourth District Court.

The following business was transacted in the Fourth District court Saturday and this forenoon: T. J. Benjamin, Chas. Bishop and Harry Edwards, the men who burglarized Hoorey & Words and the Provo Hardware Co. on the 19th of May, and who were arrested a few days later in Salt Lake City, and the stolen goods recovered in an old building near the Rio Grande Western depot, pleaded guilty to an information charging burglary. Judge Dusenberry sentenced them to eight years each in the State prison. Their sentence is no doubt heavier than it would have been had not a knowledge of their attempt to break jail come to the court.

A few days ago a fellow prisoner, Thomas Leeper, was released from the county jail. He promised to push some steel saws through the window to the burglars. The saws were procured and pushed through, but were discovered by Jailer Wilkins before they could be used. Leeper was arrested Saturday night in Springville and will have a hearing to-day on the charge of aiding prisoners to escape.

John Muller pleaded guilty to the charge of grand larceny and was sentenced to two years in the State prison.

Estate and guardianship of T. A. Fillmore, an incompetent person; petition to appoint guardian denied.

The last will and testament of Thomas Edwards was admitted to probate. T. R. Cutler was appointed administrator under $200 bonds.

John Simms and William Asher, both natives of England, now residing in Lehi, were admitted to citizenship.

Notes and Personals.

Mayor Holbrook, Bishop T. R. Cutler and Hon. W. M. Roylance, the committee appointed by Governor Wells to canvass Utah county for jubilee funds, have entered into the work with a will and will no doubt, make a very successful showing.

Elder B. H. Roberts delivered an interesting lecture in the tabernacle Sunday evening, on "The Value of the Book of Mormon as a Witness for God—Objections Considered and answered."

The Fourth of July committee on arrangements meets tomorrow night to appoint sub-committees, etc.

The Scandinavians of Utah county will meet in conference on Thursday, June 24th, in Pleasant Grove.

Mr. George W. Craig, O. S. L. agent in this city, goes to Stateline this week to complete arrangements for a custom mill in that district. Mr. Craig has had the matter in hand in connection with eastern capitalists for some time, and there is no mistake about the mill being built, which will be welcome news for the miners of the Iron county camp and vicinity.

Today is circus day and a large number of visitors are in the city in consequence.

Miss Agnes Josephine, the accomplished daughter of Rev. and Mrs. Jos. Wilks, and Mr. Jas. A. Van Norsdall, a highly esteemed business man of this city, were married today at high noon at the M. E. church, Rev. Doctor Iliff officiating.

The telephone line is being extended from Heber to Charleston in Wasatch county.

Word was brought down from Midway today that Miss Epperson, the 16-year-old girl who was accidentally shot in the head about two weeks ago, died early this morning.

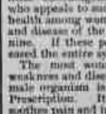
Too many mothers are helpless invalids. A mother's proudest and happiest privilege is to help an ambitious son in his early struggles to attain eminence in his chosen walk of life. To such a son, a robust mother, a grand mother with a healthy mind in a healthy body, is the best counselor and the best spur. Many mothers are sickly, fretful, helpless creatures tortured beyond endurance by the pains of their own wrecked constitutions. An ambitious youth receives but little encouragement or sound advice who appeals to such a mother. Most ill-health among women is due to weakness and disease of the organs distinctly feminine. If these parts are weak and diseased the entire system suffers.

The most wonderful remedy for all weakness and disease of the distinctly female organism is Dr. Pierce's Favorite Prescription. It allays inflammation, soothes pain and imparts vigor and health to these delicate organs. It makes healthy mothers and capable wives. It prepares a woman for motherhood. It does away with the discomforts of the expectant period and makes parturition easy and almost painless. Over 90,000 women have testified to its virtues, in writing. Druggists sell it.

"It is with pleasure I recommend Dr. Pierce's Favorite Prescription to suffering ladies," writes Mrs. J. Ferguson, Box 20, Douglas Station, Selkirk Co., Manitoba. "After suffering untold tortures I thank God I found relief and cure in Dr. Pierce's Favorite Prescription."

It don't pay—sickness. Constipation often causes it. Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic. They never gripe. They are tiny, sugar-coated granules, forty of which are contained in a two-inch vial. Druggists sell them and have nothing else "just as good." They regulate the Stomach, Liver and Bowels.

SAPONIFIER.



Pennsylvania Saponifier is the original and old reliable Concentrated Lye for family soap making and general household uses. Beware of counterfeits. The success of this article has induced unprincipled parties to imitate it. None genuine unless Pennsylvania Salt Manufacturing Co. Philadelphia, is stamped on the lid. Ask your grocer for it and take no other.
