KESLER STILL HOLDS ON.

He Holds a Brief Session This Morning and Then Hies Him-off to "Liberal" Headquarters.

Police Judge Kesler continues to ignore the action taken by the City Council on Friday night in relation to his removal. He declares that the removal was illegal and Lawson not legally and that he will not vacate his office until a court decision rule one or should incident him. The case is becoming more complicated and is giving Mr. Kesler considerable annoyance and anxiousness, notwithstanding his effort to appear unconcerned or unmoved. When court opened this morning he was not in the best of humor, and was quite impatient and cross. In fact opposite the counsel of the contending parties and been into the way of Lawson's daughter—to whom the claim of that lady's counsel is addressed—he was seen to leave place for the morning session of

"Bailie Hunter, you are charged with being drunk."

"I am guilty!"

"Five dollars and costs."

"Henry P. Lloyd, you, too, were drunk?"

"So it seems."

"It will cost you $5 or five days; take your seat."

Mike Boyle came forward and plead to being drunk.

"Yes, sir, I took a glass of beer or two."

"That is enough, Mr. Bulgin, the jailer, will attend to your wants for the next five days."

John Doe, what have you to say for yourself?"

"Nothing, only that I was a little full, your honor."

"It will cost you $5 to get your liberty."

Steve Charles, a diminutive working man, was discharged on promising to leave the city immediately. His offense was drunkenness.

Louis Waite and J. F. Wooding both forfeited $5 for failure to appear and answer to the charge of intoxication.

W. A. Nelden, arrested for maintaining a nuisance, was released on a promise that he would atone it immediately.

A LIGHT DAY IN THE COURTS.

Work in the Criminal Calendar Has Been Slightly Delayed.

Criminal business was to have been taken up in the Third District court this morning, but the case of John J. Cushing et al. vs. John Beck, which began on Friday afternoon, being unfinished, the hearing was resumed and criminal matters went over for the present. The action in question is with reference to a contract for trees.

The first case for trial on the criminal calendar is that of the man Fitzgerald, indicted for an assault upon an aged woman in the rear of the Cactus saloon.

James Hanford, an Englishman, now a resident of this city, was admitted to citizenship this morning by Judge Zane.

The grand jury were in session this morning. Among the cases investigated was that of Fowler, charged with criminally assaulting his 10-year-old step-daughter.

The appointment of Postmaster Benton to the post of United States Marshal is very favorably commented upon in court circles today. Marshal Parsons himself regards the selection as a good one.

Assistant District Attorney Stephens spent some time in the grand jury room this morning.

A Sad Bereavement.

The biggest funeral that Riverton ever witnessed since the ward was organized, was held at that place September 21st, 1892. This ward was called to mourn the death of one of our most esteemed and intelligent young ladies, Grace May Walker, the daughter and only child of Edwin A. and Lavina Walker, born in Deseret, Millard County, September 8th, 1877. The funeral services lasted about three hours. Many excellent remarks were made over her remains, which were laid away in a beautiful white bronzed plush casket.

The great was the respect for the deceased that not only Riverton but Herriman, Bluff Dale, and South Jordan were there, turned out to pay their last token of love to the deceased.

A fine composition of poetry, composed and written by Wm. H. Rolfe, on the occasion, a young man in the ward, was read at the services.

The Last Sad Rites.

The funeral services over the remains of Elder James W. Burbidge were held in the seventeenth ward meeting house yesterday (Sunday), beginning at 11:30 o'clock a.m. There were many of the deceased's old time friends and associates present to pay their respects to his memory.

The speakers were Elders James E. Talmage, John Henry Smith and Bishop Tingey. They dwelt briefly upon the nobility of character and purity of life of the deceased and the general respect he held in the community in which he had lived so long and usefully.

The floral offerings were numerous and beautiful and the body was followed to the cemetery by the longest line of carriages seen at a funeral in this city for some time. The family of Brother Burbidge extend their sincere thanks to all who assisted them in their sad bereavement.

Place of Worship Dedicated.

The dedication of a meeting house at the Dry Creek branch of the Draper ward took place yesterday, September 25th, by the Presidency of the Salt Lake Stake. The speakers were President Angus M. Cannon and Stake-president Superintendent Thomas Griggs. There was a good attendance and an excellent spirit prevailed in the meeting. The house has been erected at a cost of $1500 and is sufficiently large to accommodate the Saints of the branch.

Afternoon services were held at Draper. The people of this ward have laid the foundation of a new meeting house, the dimensions being 50 by 40 feet, to be completed as soon as circumstances will permit.

THE B. A. & M. SOCIETY.

A Meeting of the Directors in Discussion Fair Matters.

The directors of the Deseret Agricultural & Manufacturing Society held a meeting Saturday night to discuss matters of importance connected with the coming Territorial Fair, Mr. Maeser president. Ten members were represented by Messrs. Happy, Howe, Bamberger, Fox, Peters, Timmins, Dr. Park and H. Pyper.

A communication was presented from J. A. Hebe, chairman, and P. J. Moran of the City Council and Chief W. A. Stanton, stating that the City Council had decided to erect a fire engine house in the northwestern, southwestern and southeastern portions of the city, and the city constable on the case of the organization, in looking for a suitable site in regard of favorably the commodious corner of the block occupied by the society, which was the Tenth ward square. If $4,000 of this could be donated to the city for the above described purpose it would be a great protection to the valuable property of the society now existing and to be erected in the future. It would also be one of the most beautiful of the edifices
