THREATENING LETTERS.

They Are Received by the Governor, Chief Justice and Mayor.

The Opinion Was Current—The Letters Could Not Have Come in Up Mail.

Governor West, Chief Justice Merritt and Mayor Morris each have been recipients of postal cards making threats against their lives. The messages on the cards are couched in the most disgusting language and show that unless the officials named leave the city within four days they will be killed. If possible one is to be sent to reflect the officials.

THREATS OF THE CLOSE KIND.

The news received this afternoon that a mob was being organized in Ogden, headed by men who have been prominent in influencing Gentile votes, to overthrow the officers in Davis county, occasioned some uneasiness in official circles, and if such lawlessness is attempted it will be dealt with seriously.

BAD MOVE ON.

The Infantilists at Davis county this week notified today that there was no intention of entering there or in the Territory. If they wanted to go through peaceably they might do so, but a further devastation of the property of the Davis county people would not be permitted. They also were told that the way was open to the whole body to go up Weber canyon unmolested. It is not unlikely that the "army" will break up into small squads and proceed that way along the U. P., though if they go east this step will be necessary.

County Teachers.

The regular meeting of the County Teachers' association was held at the University today at 10:15 a.m. The program consisted of brief addresses upon "Permanently" by V. M. Brown; upon "Mathematical Symbols" by Prof. Kerr, and upon "Cause and Effect in Education" by Prof. Stewart.

Brief City Items.

Beginning tomorrow and until Decoration Day the Union Pacific will run a train daily to Garfield Beach.

An open meeting of the Literary Men's association will be held at the county court house tonight at 8 o'clock.

A cavalry company was enrolled and mustered at the Executive building last night by Adjt.-Gen. Ottinger. The election of officers resulted as follows: John Q. Cannon, captain; Elias A. Smith, 1st lieutenant; G. Hom Nagle, 2nd lieutenant.

An inter-mountain convention was discussed last evening by the Chamber of Commerce directors, and the transportation committee submitted its report. A rate of one fare for the round trip was secured, and many leading citizens have agreed to subscribe. An adjournment was taken until Tuesday evening.

A teamster with a load of brick was thrown from his wagon by the wheel going into a church-hole yesterday near the Quinn's school. His right hand and shoulder were badly bruised.

A meeting of the miners of the Hot Springs mining district will be held at the recorder's office, 40 east Second South, on the 28th inst., at 7 o'clock, to revise the by-laws and elect a recorder. The call is signed by J. J. Good, recorder of the district.

Prof. F. S. Halford, of Oakland, Cal., who is to deliver a lecture in the First Presbyterian church tomorrow, Sunday, evening, made a pleasant call at the News today. The gentleman is highly spoken of as a lecturer. His subject for tomorrow night is "Our boys and girls."

THE "LABOR PROBLEM."

Hon. F. J. Cannon to Speak on this Great Question at the University.

Friday evening next, at 7:30, Mr. Frank J. Cannon will deliver an address on the Labor Problem. Mr. Cannon recently returned from a trip to Europe during which he was brought in contact with one of the most exciting labor agitations that has probably ever been experienced in England. He has also had a good opportunity to observe the workings of the "industrial betterment" in the principal cities of the East and on the coast, so that his lecture promises to be intensely interesting and instructive. The world at large, and particularly the United States, has probably never before experienced the desperate state of affairs now existing, and any light that can be thrown upon the situation is a thing to be desired. The lecture is free and the public is invited.

To Entertain Physicians.

A meeting was held last night by the Salt Lake Medical society for the purpose of making arrangements to entertain the delegates of the American Medical society, who will pass through this city on their way to San Francisco where a convention is to be held. The doctors will skip off some half a hundred on June 1st, and are sure to be entertained. The society voted $100 of its funds for the purpose named, and most of the physicians will contribute to wards paying the expenses incurred locally. Several committees were appointed to make arrangements for entertainment at the Tabernacle, a trip to Saltair and to picnic with the Chamber of Commerce. They will report at the regular meeting of the society Monday evening.

Buried Indoors.

A sacred concert will be given in the Tabernacle tomorrow, Sunday, evening for the benefit of the Pioneer Library. The program is as follows:

A prominent gentleman of Silver City wishes to be secretary of the chamber for information concerning mines, a large amount of which he sees in his business. Any person owning secular mines in the Territory will render a favor by notifying Secretary Colburn of it, with particulars.

Marriage Lines.

The county clerk this morning issued a marriage license to John R. Moore, 21, and Julia Mill, 19, both of Pleasant Grove, Salt Lake county. Miss Mill being "under age," her mother attended and gave the required written consent to the marriage.

Closed Down.

The sliding room of the Morgan hotel has been closed down, and will not be reopened for some time. It will probably be on the first floor, if it is decided to again issue menus, but the prospects are not encouraging. For some reason or other the electric lights were shut off last night, but they will be as brilliant as ever this evening.

Home Missionary Meeting.

The regular monthly meeting of the home missionaries of the Salt Lake Stake of Zion will convene in the Social Hall, Salt Lake City, Wednesday, May 30th, at 7:30 p. m. If any of the brethren are unable to attend the meeting, they are requested to send written reports of their labors for the month past.

All the affairs are set for 8 o'clock in the evening at the Social Hall.

Merrill's New Waltz.

Frank W. Merrill, the rising young composer, has just issued not a new waltz, which has been handsomely printed and copyrighted by Calder & Sons. It is named "The Clarice Waltz," after a young lady, we opine, resident not a thousand miles from the News office, and it is sure to be a "go" with young piano players.

WHY WOMEN WEEP

Is explained when men are foolish enough not to supply the household properly.
A poor Lawn Mower brings tears.
A second grade Lawn Hose brings tears.
A shoddy Garden Tool brings tears.
In fact anything brings tears
to the sex that is not genuine. Many of these calamities can be avoided by purchasing everything the household needs in the way of hardware or house furnishings at the
