OGDEN, UTAH, - JULY 2, 1903.

MRS. ANDERSON GETS $900

In Her Suit for $15,000 Damages Against Rio Grande Western.

Joseph E. Hart Sues Union Pacific for $7,500 Damages—In the Justice's Court—Wedding.

Kate Bridewell Anderson last evening obtained a verdict against the Rio Grande Western for $900. The jury was out 24 hours. They did not agree on a verdict until they had been out 20 hours and when they announced that they were ready to report, Judge Roslapp was at Farmington holding court and they were obliged to wait until his return.

The case has occupied the attention of the court for five days and was hotly contested by both parties to the suit. Mrs. Anderson claimed $15,000 damages for personal injuries sustained last November while she was riding in one of the defendant's passenger coaches. At the time when she met with the accident she was accompanying her sister to Ogden, and as the train was entering the Union Depot grounds in this city it struck a freight train loaded with beets, throwing Mrs. Anderson against the car seat, injuring her internally. Judge O. W. Powers of Salt Lake City represented her in the case and E. M. Allison, Jr., represented the railroad company.

ANOTHER DAMAGE SUIT.

Joseph E. Hart has filed an action in the Second district court against the Union Pacific Railroad company to recover $7,500 damages. The complaint alleges that the plaintiff on January last was walking across the defendant's railway tracks near the corner of Twenty-ninth street and Pacific avenue in this city, when without warning by the ringing of bells or the blowing of a whistle plaintiff was struck by the engine and knocked some distance, breaking his leg and injuring him about the head and neck; that plaintiff is without funds and has been unable to work ever since the accident and is now being cared for by the county at the infirmary. Therefore plaintiff prays for judgment against the railroad company for $7,500.

OLSEN-DEE NUPTIALS.

Charles O. Dee and Miss May J. Olsen, both of this city, were granted a marriage license and were married by Rev. Alfred Brown. They are both popular in Ogden. They will spend their honeymoon in California, returning to Ogden to make their home.

IN THE JUSTICE'S COURT.

Before Judge Howell two very important cases were tried in the municipal court.

The action brought by the city against Wong Lee and Joe, proprietors of the Grand Pacific restaurant, was heard. The defendants were charged by Chief of Police T. E. Browning with violating the city ordinance regulating the management and conducting of restaurants. The only testimony introduced went to show that the defendants run a restaurant on Twenty-fifth street, that in the rear part of the same they have small partitioned off apartments with doors or screens so that the public cannot see into the rooms, which is contrary to the city ordinances. The city was represented by Atty. Bagley and the Chinamen by Atty. Henderson. The attorneys argued the proposition at length, the city contending that the little rooms were often used for immoral purposes and should be open, while the defense argued that the Chinamen have a right to conduct their business to suit themselves. The court took the matter under advisement.

The other case heard was that of Ogden city against John Smith, the barber, who was charged by W. W. Schofield, president of the Barbers' union, with violating the Sunday ordinance by keeping his place of business open Sunday, June 14.

Mr. Smith was the only witness examined. He admitted the charge, but his attorneys, Henderson and MacMillan argued that the place of business was kept open by Mr. Smith at the request of the depot company to accommodate their passengers and was a necessity, and that the inter-state commerce act protected him in it. The court stated that he did not agree with the defense but if they desired he would take the matter under advisement, if they could furnish him with any proof to substantiate their arguments. The court reserved his decision until Monday, July 6.

PROVO.

PROF. TRUEBLOOD'S LECTURES

Damage Suits Dismissed — Wedding — News Briefs.

Special Correspondence.

Provo, Utah Co., July 2.—Prof. Trueblood in his lecture before the summer school, yesterday forenoon, discussed the subject of emphasis. He defined emphasis as the distinction given to words in relation to each other in regard to their value in expression. It is the purpose of emphasis to disclose the exact meaning of what the speaker intends to say. The strong word or words of a passage are found by seeking the central thought. When a word introduces or becomes an important part of an idea it is emphatic. When an idea is presupposed, or if it has been expressed or implied recently, unless it is repeated for emphasis, it is unemphatic.

A number of illustrations were given by the professor in elucidation of emphasis.

At the afternoon session, Prof. Trueblood delivered an excellent lecture on action in elocution, which he defined as that part of expression which appeals to the eye. The purpose of action, he stated, is to enforce thought. It must be graceful and appropriate, otherwise it is useless. If it calls attention to the speaker instead of to the thought, it is wrong. It is just as bad to display gesture as a pompous voice. Impulse must be considered. Mere grace and beauty without impulse are useless.

The following laws of impersonation were given:

A speaker should personate only when he has the direct words of the speaker.

Distinguish between the reciter and the actor.

Do not use literal action in figurative language.

Prof. Trueblood severely criticised that school of elocution which advocated impersonation where the direct words of the speaker were not given, and which placed the work of the actor on the reciter. In description, impersonation has no place. In the "Chariot Race" of Lew Wallace, for instance, the reciter should not endeavor to impersonate the drivers, but should be content to describe the scene. Impersonation under such conditions might be vivid, but it is not art.

DISTRICT COURT NOTES.

The following orders have been made in the Fourth district court:

State vs Sam Newton; defendant allowed to pay $15 on fine, balance to be paid by July 20.

Samuel Morgan vs Utah Valley Iron Mining and Manufacturing company; dismissed on motion of plaintiff. The suit was brought to collect $4,000 for injuries sustained by plaintiff while he was at work in the company's mines Jan. 31, 1903. The plaintiff, however, failed to connect the iron company with the operation of the mines, as they are being operated by lessees. Thereupon Atty. Truman for plaintiff, moved for the dismissal of the case.

Minerva Race vs Utah Valley Iron Mining and Manufacturing company a suit for $10,000 damages for the death of William Race, father of plaintiff, which occurred in the same place and at the time of the accident to Mr. Morgan, was also dismissed by plaintiff for the same reason as the Morgan suit.

LOGAN.

CONFERENCE OF HIGH PRIESTS

Opposition to Purchase of Old Electric Light Lines.

Special Correspondence.

Logan, Cache County, July 1.—The conference of the High Priests of Cache stake was held in Logan tabernacle Sunday, two interesting sessions were held, and reports of the quorums were made as follows: James Chantrell for Benson, Peter C. Larsen for Greenville, L. C. Peterson for Hyde Park, James Quayle for Logan First ward, George F. Stratton for Second, Lars C. Larsen for Third, Rasmussen for Fourth, Andrew King for Fifth, John Deacin for Sixth, Emer Crockett for Seventh, John F. Madison for Providence.

The other speakers during the sessions were Presidents B. H. Roberts, Joseph Morrell, Isaac Smith, E. W. Smith, Patriarch Lorenzo Hatch, Elders B. M. Lewis and L. R. Martineau. Their remarks were upon the duties of High Priests particularly and Saints generally and upon doctrinal subjects.

LECTURE BY B. H. ROBERTS.

Elder B. H. Roberts lectured before a large audience in Logan tabernacle Sunday evening on the subject of "Revelation." It was, as usual, a most eloquent and interesting address, covering that important subject.

OPPOSE PURCHASE OF OLD LINES

Since the decision of the Logan city officials was reached to make the Hercules company an offer for its street lines, the matter has been the subject of frequent discussions among business men, and it is learned that there is a strong sentiment against the proposed purchase. It is contended by those who take this attitude that the people voted to buy and equip a new plant and they do not wish an old one retained in use. They further state that the present street lines have been in use many years and are therefore in bad condition and not in a state in which their utilization would be profitable or successful.

Those who take this view have decided to call a meeting of citizens to be held in the county court house next Monday evening, July 6, to consider the matter and taken such action as may seem proper. City officials and citizens generally are invited to be present.

Mayor Hansen has returned from Baker City, and states that he succeeded in procuring lumber at such a rate as will save a considerable sum to the city. A portion of the lumber has already been shipped.

SCHOOL BOARD MEETING.

A meeting of the Logan city school board was held Monday evening, at which considerable routine business was transacted. Prof. J. C. Thomas of Logan applied for the appointment as superintendent of city schools, and the matter was taken under advisement. No bids were received for the improvements on the school houses, and the matter was referred to the building committee with power to act.

Mrs. Laura Farrell Musser, who has resided in the Philippine Islands the past three years, is visiting relatives in Logan.

Archibald J. W. Barrett has begun the erection of a large rooming house just north of the old time Lindquist hall. The structure will contain 18 rooms and every modern convenience.

Prof. Brown of Springville, who had been partially engaged to direct the New Jersey academy next season, has decided to go to Tucson, Ariz., and Prof. Smith's successor has not yet been appointed.

Beginning July 1, the Cardon & Burnham Furniture company becomes the Logan City Furniture company. The partners now are Messrs. W. W. Hall, W. K. Burnham and N. A. Larsen, who are all courteous and enterprising gentlemen and fully deserving of the large share of success which they hope for.

SALEM.

JAMES J. DAVIS DEAD.

Veteran and Pioneer of 81 Laid To Rest.

Special Correspondence.

Salem, Utah Co., July 1.—James J. Davis, after an illness of about three months, departed this life June 25, 1903. He leaves a wife, 13 children and a host of grandchildren and friends to mourn his death. The deceased was born Oct. 22, 1829, at Monroe, Overton county, Tenn. In 1841 he left his birth place, with his father's family and went to Nauvoo. Was expelled from Nauvoo with the Saints in 1846, and journeyed toward the Rocky mountains. He drove an ox team for Orson Spencer, and arrived in Salt Lake valley Sept. 23, 1849. He lived in Springville and Salem since that time and filled many prominent positions in these wards; was always faithful and on hand to help defend the people during the Indian troubles, and build up the waste places of Zion.

The funeral services were held Sunday in the Salem meetinghouse. There was a large turnout. The speakers were: Elders A. Engberg, S. P. Christensen, Philip Boyer, Charles Brewerton and John Boyer. Each spoke of the good deeds and worthy examples of the deceased.

The crops generally are good, especially the lucern. The grasshoppers are making their appearance in the dry places. The water is becoming scarce for irrigation.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, Calif., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Z. C. M. I. Drug Store.

JUNCTION.

BOUNTY ON GRASSHOPPERS.

Board of Equalization Completes its Work — Better Crops.

Special Correspondence.

Junction, Piute County, June 30.—The county commissioners yesterday finished their equalization business, the Annie Laurie Mining company being the only one cited to appear to show cause why its assessment should not be raised. This raise, amounting to about $20,000, was seemingly satisfactory, as no objection was made to the raise.

An order has been made by the county board, allowing $1 per bushel for grasshoppers in this county for this year, as the pests are becoming alarmingly plentiful in some few places.

Of this $1 the state will pay 40 cents.

Walter Gleave has given notice of his intention to resign as commissioner on account of its being very difficult for him to leave his children on the ranch alone now that their mother is dead.

The crops in the vallew are better than an average. The lucern is now being harvested.

Safeguard the Children.

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Mr. Frank Riggs, of Franklinville, N. Y., in speaking of this remedy said: "I have found it expedient to have a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. It has been a family safeguard and while especially beneficial to children, it is equally good in adult cases. I recommend it cheerfully and without reservation." For sale by all druggists.

DON'T GET IN A SWEAT

Perspiration—"sweat" is what the Bible and we common people call it—is a way nature has of driving out of the body refuse that has no business there. We sweat more in summer, because, in the overheated bowels, undigested food ferments more quickly than in winter and produces irritating acids and gases. The bowels, overworked, try to relieve themselves by violent convulsions, causing terrible gripes and colics, and diarrhoeal discharges so acid as to make you sore, and leaving the intestines weak and worn out. Nature assists body-cleaning by sending the filth out through the pores of the skin. It is not safe to stop perspiring altogether but most of the impure matter should be sent out by natural movements of the bowels, and the offensive, ill-smelling, linen-staining sweat done away with. Keep your bowels strong all summer with the pleasant, candy cathartic CASCARETS, that clean the system and don't allow the excrement to be sweated out through the pores. Take a tablet every night, before going to bed. They work while you sleep and make you feel fine and cool all day.

ZION'S SAVINGS BANK & TRUST CO.

Notice to Depositors.—Notice is hereby given that at a meeting of the Board of Directors of Zion's Savings Bank & Trust Company, held on the 6th day of May, A. D. 1903, and also at a meeting of the stockholders thereof, held on the 1st day of June, A. D. 1903, Article No. 16 of the By-Laws of Zion's Savings Bank & Trust Company was amended to read as follows:

"As the deposits must be loaned out in order that interest may be earned upon them, the Company will only undertake to repay depositors when there is money on hand which the Board of Directors may not deem it necessary to reserve for other payments. As long as this is the case, the Cashier will repay depositors after the expiration of the following notice:

For sums of $100.00 and less, thirty days.
For sums over $100.00 and not exceeding $2,500.00, sixty days.
For sums over $2,500.00, six months.

On all amounts exceeding $3,000.00, such longer notice as may be agreed to between the depositor and the President or Cashier of the Bank. As a matter of indulgence, however, the Cashier of the Company may allow deposits to be withdrawn without requiring such notice. In case the depositor who shall have applied for a deposit shall not come forward to receive his money within 10 days after the term of notice shall have expired, the application shall be considered as withdrawn.

When the money on hand, together with the estimated current income of the Company shall be deemed by the Board of Directors insufficient to pay all the deposits applied for, they shall make no new loans; and if the demand shall, in their judgment become excessive or general they shall have power to set aside all applications previously made, which may not have been satisfied, and to order an apportionment of all the funds, as they may be got in, and at such short intervals as they may judge proper, among all the depositors in proportion to the amount of their deposits, and shall hold the sums apportioned to each depositor until called for by him.

But the Directors shall in all circumstances have power to provide for the expenses of the Company, and for any other lawful payments which they may deem necessary, including dividends already declared, and loans previously contracted for, before making an apportionment."

Depositors will take notice that all deposits are held subject to the provisions of the foregoing by-law and deposits will be paid only in accordance therewith.
