OFFICERS-ELECT FILE BONDS.

New County Officials Enter Upon Their Duties Tuesday, January 3.

DEATH OF MRS. ARCHIE H. PETT

Bride of 14—City Council Session—Board of Education—The Ebberson Damage Suit Compromised.

As Monday is a legal holiday the new county officers will not take the oath of office till Tuesday. As at present arranged there will be few changes made in any of hte offices. County Clerk-elect David Matson, who succeeds Charles R. Hollingsworth and who is the only new county officer elected, will retain all the present deputies and some of the clerks. John V. Bluth, Thomas B. Farr and Miss Eva C. Erb will be reappointed as deputies, and W. R. Swan, Miss Evelyn Hendershot, Miss Jeanette Bingham and Miss Edith Reid will be appointed to clerical positions in the office.

In the office of Dan Ellis, county recorder, Mrs. Evelyn West, J. B. Wallace and Miss Annie Brown will be the assistants.

It is expected that Frank Chapin will be chief deputy again in the office of Assessor Edwin Dix.

In the county treasurer's office it is expected that Mr. Chambers will retain George M. Hanson and H .W. Naisbitt, Jr., as deputies. A federal plum is apt to come within reach of Hanson ere long, and it is probable that John D. Hooper of Hooper will find a place in the treasurer's office.

It is not probable that Sheriff Bailey will make any changes in his office force, and G. A. Sebring, Joseph Belnap, Sam Cave and Robert Shaw will likely retain their positions.

Most of the officers-elect have already filed their bonds. Sheriff Bailey has filed his bond for $10,000, his sureties being Thomas D. Dee, Adam Patterson, George H. Matson, Thomas E. Mercer and Charles H. Kircher.

The bond of Commissioners Stanford and Madsen were approved by Judge Rolapp. The bonds are for $8,000 each. The sureties for Mr. Stanford are David Eccles and Thomas D. Dee; for Mr. Madsen, T. P. Terry, Charles Ziemer and R. T. Hume.

The bond of District Attorney Halverson for $5,000 was also approved by Judge Rolapp. The signers are John Pingree and S. F. Halverson.

County Recorder Ellis has filed his bond, his sureties being W. B. Wedell, W. G. Wilson of Huntsville and E. W. Wade. The amount of the bond is $10,000.

County Attorney Hulaniski's bond for $5,000 has been approved by the county board. His sureties are J. D. Wood and Joseph S. Peery.

Alma D. Chambers, the county treasurer, has as his bondsmen on his bond for $15,000 David Eccles, Thomas D. Dee, George H. Tribe, Joseph Clark, W. W. Riter and Adam Patterson.

A BRIDE OF 14.

Ralph Dawson, 24 years of age, and Miss Edna McGovern, aged 14, both of Butte, Mont., yesterday secured a marriage license at the office of the Weber county clerk and hastened away to get married. The couple have had considerable trouble in getting the license, owing to the extreme youth of the bride. They first appeared Dec. 27, but as the parental consent is necessary for all brides under 18 years of age, the license was refused. The application was finally forwarded to Butte, Mont., and attested by the county clerk of Silver Bow county. It was also returned with affidavits that the little girl was past 14 years of age. These were sufficient and the license was issued.

CITY COUNCIL SESSION.

The meeting of the city council held last night was to close up the business of 1904. The council allowed the estimates on paving, sidewalk construction, etc., amountaing to about $14,000. They also allowed a special payroll, submitted by the engineer and transacted considerable other routine business. Another meeting will be held Tuesday night.

BOARD OF EDUCATION.

Three members of the board of education held a regular meeting last night, transacting the usual routine business. Another meeting will be held Tuesday night to wind up all the business of the present board. The first meeting of the new board is scheduled for the Friday following. H. H. Thomas, the only new member elected to the new board, met last night with the others to familiarize himself with the business.

LIVELY CONTEST FOR STOCK.

There is a lively contest among prospective buyers for the possession of 55 shares of stock in the Shupe-Williams Candy company, now belonging to the estate of Daniel W. Shupe. The matter was before the probate division of the district court yesterday, when the petition for the confirmation of the sale of the block at $200 per share was brought before Judge Rolapp. A bid was made in open court by Mrs. Pearl Decker of $12,150, a raise of $1,150 over the bid of Joseph Scowcroft, and which bid the administratrix of the estate had petitioned the court to accept. James Pingree thereupon raised this bid $350 making a total bid of $12,500 for the block of 55 shares. The court then took the matter under advisement and to take it up again today in order to give other bidders a chance to offer advanced prices.

DAMAGE SUIT COMPROMISED.

The suit of Mrs. Christine Ebberson against the Union Pacific for the death of her husband in the railroad wreck at Azusa last November was settled yesterday afternoon by stipulation. The action was brought for $15,000, but the claim is surrendered on the company paying the widow $3,000 without further litigation.

MUNICIPAL JUDGE QUALIFIES.

John D. Murphy, municipal judge-elect, filed his official bond, which was approved by the mayor, the sureties being Joseph Carlson and E. M. Conroy.

FINE ASSESSMENT MAPS.

A very complete set of assessment maps of Weber county covering the assessment of all properties in the city and couty have been prepared by Deputy County Clerks W. R. Swan and Julia Marks. They are a creditable piece of work, and will prove of much benefit to the county officials and public in general. The maps are placed in a cabinet that is hung on the wall in the county commissioners' room. Rollers are arranged in the cabinet for the maps from 1896 to date, and there is place for six more years. The maps contain a complete assessment of all classes of property, besides a great amount of other useful information. It has been a difficult and tedious job to prepare the maps, but they will be of great use for reference purposes in the future.

JIM MARTELLO DISCHARGED.

Jim Martello, an Italian, who has been confined at the county jail for several weeks past, awaiting trial on the charge of assault with a deadly weapon, has been discharged as there was insufficient evidence forthcoming to take the case to trial in the Second district court. Martello was charged with having threatened the life of a woman with whom he was keeping company at Mariotts settlement.

FOUNTAIN GREEN.

HEAVY SNOWFALL.

Mrs. Janet Crowther Closes Eventful Life—Prosperous Season for Farmers.

Special Correspondence.

Fountain Green, Sanpete Co., Dec. 29.—The first snow this season began falling here Dec. 24 and continued on the 25th, during which time about one foot of snow fell. We have now about 8 inches of snow on the ground, and sleighing is good.

There have been two deaths this month, J. N. Madsen's oldest son, about 12 years of age, died on the 3rd inst., and Mrs. Janet Crowther died on the 22nd. She was one of the early converts to "Mormonism" in her native country, Scotland, joining the Church in 1841, and coming to America about the year 1854. Crossed the plains with a handsart company from Iowa city in the year 1856. With her husband, George Crowther, she has lived here since 1867, coming here from Sevier county, at that time when the settlements in Sevier county were abandoned on account of Indian troubles, then existing. She leaves two sons and four daughters and about 40 grandchildren. She was devoted to her religion and respected by all.

The holiday season has been enjoyed by both old and young, in theaters, dances, etc., and our people look forward to the new year, with bright hopes before them. The season just passed has been a prosperous one to the farmers, who reaped good crops and received a fair price for their products. The wool growers and stockmen have also fared well, and our merchants are doing a good business.

Sheriff-elect James B. Whitehead of this county, will appoint ex-Marshal Harry D. Goldsbrough of Nephi, deputy sheriff at the county seat on Monday next. No deputy will be appointed for Mammoth at present.

SWEET CHARITY.

Several of the citizens of Eureka have contributed $500 for the relief of the children of the late Mathew A. Gardner. The parents of the children died a few weeks ago within eight days of each other and left nine little ones, the youngest but a few weeks old, in destitute circumstances. The good people of Eureka will look after their welfare.

City Councilman Herbert Hopes who was elected for the four-year term at the last city election, will tender his resignation to the city council tomorrow night, so he can assume his duties as representative-elect of this county to the State Legislature.

ST. GEORGE.

THINGS DOING IN DIXIE.

Holiday Festivities Galore—Basebal Matches—Weather Delightful.

Special Correspondence.

St. George, Washington Co., Dec. 28.—There are things doing in "Sunny Dixie." Nowhere in the state are people having pleasanter holidays than we. Santa Claus brought us a delightful shower on Christmas eve, clarifying the air and settling the dust that has been accumulating since August. Our relatives and friends, students, teachers, miners, cattlemen, ranches, farmers, etc., etc., have come in upon us from north, east, south and west—all bringing good cheer, and endeavoring, seemingly, to make the season the liveliest and most joyous for years. They are succeeding admirably, and that's the reason we want to tell others about it.

Schools closed the first semester's work on Friday last with appropriate Christmas exercises. They will resume work on Tuesday, Jan. 3. The early advent of spring and summer renders extended midwinter holidays inopportune.

Home dramatic companies, dancing parties and social gatherings are the order for evening entertainments, while baseball attracts hundreds of people to the public square during the day time.

The prettiest game of baseball that has been played in many years was fought out on Monday between the Woodward (St. George) schoolboys and the Normal (Cedar) schoolboys. The score, 15 to 2 in favor of the normal boys, hardly suggests the evenness of the contest. The disparity in score was a result of one or two bad plays by Woodward boys, who became frustered through excitement—none having ever been in a contest game before. Boys from both schools played splendid ball, and a spirit of rivalry which will be very beneficial to both schools has been awakened.

On Tuesday a wilder game between the Normal boys and town boys of St. George was played, resulting in a score of 30 to 23 in favor of the latter. Thus matters are evened up and both sides are satisfied.

An enumeration of the "prominents" in town at this season would call for too much space, but you may be interested in knowing that there is a great influx, too, of our Lamanite friends, who come in to participate in the Christmas spirit of—no, not giving, but receiving.

The health of the people is good, the weather is delightfully pleasant, just cool enough to be exhilarating.

WEST WEBER.

SARAH J. WILSON DEAD.

Sunday Schools Celebrate Christmas Holiday—Santa Distributes Presents.

Special Correspondence.

West Weber, Weber Co., Dec. 28.—Sarah J. Wilson pased away Dec. 22 after a few days' illness. Her sister, Lillian Wilson Hunter, died in this place on the 17th inst., thus making the two deaths in one week, which is a great shock to the widowed mother.

Sister Wilson was born June 13, 1861, at Relloe, Durham, England, came to Utah in 1875, with her mother, and settled in West Weber, where she remained until her death. She has been a most faithful worker in the Sunday school, Primary association and since 1883 has been secretary of the Relief society. All these positions she filled with honor. The largely attended funeral and the many beautiful floral tributes, which were laid on the casket showed the high esteem in which she was held by those whom she had been associated with in the different organizations.

The services were presided over by Bishop R. McFarland. The speakers were Wm. Purrington, H. C. Jacobs, N. Hawkes and G. H. Hunter and Bishop McFarland.

The two Sunday schools in this ward celebrated Christmas in the real old fashioned way. An excellent program was rendered in the morning at which time Santa and his wife appeared and gave gifts to the children. There was also dancing in the afternoon and evening for young and old.

COUNCIL SESSION.

The city council met Dec. 27. Mayor Stratton presiding. A communication was read from the Oregon Short Line Railroad company, relative to the condition of the wagon road to the west of the Oregon Short Line tracks near the Taylor-Brunton sampling works, in which they stated that within a week or 10 days the company intended to put that portion of the road which it changed, in good condition, by covering it with gravel.

A protest from Albert H. Grice, (colored), relative to the action taken by the council last week in revoking his appointment was received. Mr. Grice was present at the council meeting and made a good talk in behalf of himself.

He presented to the council his card of instructions, which he received from the marshal at the time he accepted the office of deputy marshal, showing that he was instructed by the marshal, to act in that capacity among his own people and when ever necessity demands the attention of an officer among others. The mayor and council did not know, at the time they took action against Mr. Grice that he had received those instructions from the marshal. After being duly considered the action against Mr. Grice was reconsidered, and on motion of Councilman Birch, Mr. Grice was reinstated as deputy marshal to act in that capacity among his own people without compensation.

POLICE NOTES.

Thomas Russel, Fred Bird and Alfred Peterson were arrested on Saturday night for disturbing the peace. Russel was released by J. W. Cahoon offering to go his bail but was instructed to appear before the justice on Monday. Bird and Peterson were retained in the city jail until Sunday morning, when they were also released to appear before the court. On Monday Justice McOmie severely reprimanded them, after which they were released.

Bartul Alivojiodic—(and so forth) was arrested on the 26th for carrying concealed weapons. He was released on $20 bail, which he forfeited.

Joe Johnson was arrested Wednesday for drunkenness and disturbing the peace, but being a cripple he was released on Friday evening.

WOLFE PLAYED HAVOC.

On Wednesday last Dr. C. S. Olsen swore out a warrant for the arrest of P. J. Wolfe, who is manager of the Wolfe House Moving Co., charging him with malicious destruction of property. The warrant was served on Mr. Wolfe the same day in Salt Lake City by Marshal Mauss. The defendant was brought before Justice McOmie and pleaded not guilty, whereupon his hearing was set for Saturday afternoon. On Saturday last Wolfe and Co. started to move a large refrigerator, which weighed about 50 tons, from Murray to the slaughter house near Hustler's mill. By Tuesday noon they had succeeded in getting it to the corner of Murray and State streets, where they stopped for dinner. During the noon hour it is reported they took advantage of the conveniences of the Phoenix saloon. By the time they were ready to start work again they were feeling rather jubilant, so when they once got the refrigerator moving they failed to stop for wires or anything else. Lying along the road after they had passed were coils of broken electric and telephone wires left hanging to the main line, endangering the lives of passers by. Dr. Olsen protested against their actions, and for his pains he was shamefully abused by the officials of the company. When no redress could be had from the offenders he turned to the city officials. The Independent Telephone Co. has presented a bill against Wolfe for $17.50 as well as the Bell telephone, besides the electric light company bills. In all probability is will cost the house movers in the neighborhood of $150 for their jollification. After the case in the justice's court is settled, Dr. Olsen intends to enter suit to recover damages for the inconvenience he was put tot.

THE TRUTHEUL FISHERMAN.

The late Senator Quay, himself a great fisherman, used to enjoy telling of the tall stories recounted by the West Virginia anglers along the banks of the Cheat River

One day a stranger from Maryland, in search of sport, asked one of the natives whether there was good fishing in the vicinity.

"None better anywhere," was the reply.

"What kind of fish have you hereabouts?" asked the stranger.

"Oh, most all kinds."

"I hope there are some game fish to be had," continued the man from Maryland. "Tell me, what was the weight of the largest fish ever caught in this region?"

"Well, sir," responded the West Virginian, "we don't never take no weighin' machines with us when we fish, so I wouldn't like to say, being an honest man, just how much that last trout of mine did weigh. But, stranger, I don't mind tellin' you that when I pulled that fish out of the water the river went down a foot!"—Harper's Weekly.
