Arrange For Exhibition—The Retail Merchants' association and the Manufacturers' association will meet Wednesday evening in the Boyd Park building, to arrange for the Food and Industrial exhibition to be held in the Auditorium building on Richards street next week.

Snow After Delinquents—Willard Snow, county road commissioner, is preparing a list of delinquents on poll tax this year and will file suit to collect the tax with costs unless the residents of Salt Lake county pay up within a month. During the summer he has collected about $11,000.

Taking Prisoner East—Allison A. George, convicted in the federal court of stealing cattle from the Uintah Indians and sentenced to one year and one day in the federal prison, left yesterday for Ft. Leavenworth, Kan., in the custody of United States Marshal James H. Anderson and Deputy Clem Horsely.

Wants to Visit Home—The application of Hom Clean, an Ogden Chinaman, who desires to pay a visit to his oriental home and then return to this country, was the cause yesterday of a visit of Immigration Inspector V. Jastinen to Ogden for the purpose of investigating Hom Clean's bill of political health.

Red Rose Wins—The "War of the Roses" inaugurated by the Y. W. C. A. for an increase of membership, was brought to a close Monday evening, the Reds, under Mrs. H. J. Fitzgerald scoring 427 points, against 195 for the Whites under Mrs. Olive Havens, a total of 622. This means a gratifying increase in membership, though the exact figures are not yet given out.

Men's Guild Officers—At Monday's meeting of the Men's Guild of St. Paul's parish J. W. Gates was chosen president, W. Clinch vice-president, Porter Fitzgerald secretary, W. E. Howard treasurer. These with John D. Scheid, C. A. Crabbe and George Jacobs were chosen an executive committee. Mr. Fitzgerald gave a talk on Chicago church matters, followed by refreshments.

Corporation Tax Due—The corporation tax became due yesterday and Charles S. Tingey, secretary of state, took in about $5,000 making a total of $20,000. Between now and December 15, it is expected that the tax will come in fast. After that date corporations that have not paid the tax will be declared delinquent and the charter revoked. It is estimated that the tax will amount to $70,000.

Nine Bonds Redeemed—The board of education took up nine of the bonds issued in 1892. The issue at that time was for $450,000, the amount of the bonds being $1,000 each and bearing interest at 5 per cent. With the $9,000 taken up Monday by the board it has redeemed $72,000 of that issue up to date. The money for the redemption of bonds is being taken from the sinking fund as fast as it will permit.

Institute Satisfactory—Prof. W. M. Stewart of the state university remarks that the standard of the teachers' institutes held over the state has been materially raised since their direction was vested in a committee consisting of the state superintendent, the principal of the state normal school, and the county superintendents. The last institute held, the one in Beaver county, Prof. Stewart says was very satisfactory.

New Protest System—On account of the unsatisfactory method of receiving protests from property owners on proposed public improvements, a new scheme is being worked out by the city recorder. A circular letter will be sent to all the property owners affected by the improvement. On the bottom of the paper will be attached a perforated slip on which a protest may be made and returned to the city recorder.

INFECTED MEAT SHOWN.

City Inspector Says Five Per Cent of Slaughtered Meat Is Affected.

After council meeting last night the members of the city council adjourned to the office of the meat inspector, J. W. Treman, where they were given an opportunity to see some tubercular infection in meat condemned by the city inspectors in the local slaughter houses. Dr. Treman showed the councilmen the test for tuberculosis before the animal was slaughtered by the use of tuberculin. City Food Inspector Walter J. Fraxier declares that 5 per cent of the cattle inspected so far by the city and government inspectors in this vicinity have been affected with tuberculosis.

KILLS HER FOE OF 20 YEARS.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan of Haynesville, Me., "was Dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For Indigestion, Loss of Appetite, Kidney Trouble, Lame Back, Female Complaints, its unequalled. Only 50c at Z. C. M. I. F. AUGUSTUS HEINZE REACHES SALT LAKE

Noted Mine Owner Will be Present at Initial Run of the Ohio Copper Company's New Mill.

After an absence from Salt Lake for about three years, F. Augustus Heinze reached the city about 5:30 Monday afternoon on the Butte train. He was met at the train by Manager Colin Mackintosh of the Ohio Copper company and taken to the Wilson hotel, where he will stay during his sojourn in Salt Lake.

Mr. Heinze is looking well and expressed pleasure at being in this city once more. The object of his visit is to be present at the starting up of the Ohio Copper company's mill, which will take place in a few days. Speaking of the mill, Mr. Heinze says the company will handle 1,500 tons daily as a starter, though this will be increased to 3,000 eventually, as soon as the other half of the mill is completed. Altogether the plant will cost $1,300,000, more than three-fourths of which amount has already been expended. Mr. Heinze is especially proud of the transportation facilities of the company, which include 14,000 feet of tunnel railroad, with only about 5,000 feet in the open from the portal of the tunnel to the mill. Production will therefore not be affected by the weather as is the case in some mines.

The condition of the Davis-Daly mine at Butte is said to be very fine. The company has several hundred thousand tons of ore blocked out, and although the management is only taking out ore in development, amounting to not more than 150 tons a day, Mr. Heinze says the company will be shipping from 500 to 600 tons about the first of the year. The ore will then be sent to the reduction works at Basin, which is owned by Mr. Heinze. At present shipments are made to the Washoe smelter.

The Lexington mine at Butte has disclosed large bodies of zinc ore, and some of Mr. Heinze's interests at Deep Creek are said to be looking well. From here Mr. Heinze expects to go to Callan, Ida., where he is interested in a lead property.

GOOD COUGH MEDICINE FOR CHILDREN AND GROWN FOLKS, TOO.

"W could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Lloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks, too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by all druggists.
