LOCAL AND OTHER MATTERS.

THERMOMETER 0 degrees F. in the shade, at 1 p. m. to-day. Fine day.

GRAHAM'S BENEFIT.—We understand Mr. John C. Graham purposes leaving for Europe about the middle of next week. His friends will have a fine opportunity of testifying their regard for him to-morrow night, at his benefit, when a fine bill will be presented. He never fails to have a good house at his benefits, and it is presumable that on such an extra occasion as that of to-morrow night previous to his departure for distant lands, the house will be jammed.

As the leading man in the comedy business he has become decidedly and deservedly popular with the theatre-going public. Those who are fond of genuine fun should attend the theatre to-morrow night.

SCANDINAVIAN CONCERT.—Do not forget the Concert to-night in the 14th Ward Assembly Rooms, given by the Scandinavian Choir, to aid the season's emigration from their native land. The programme is attractive, the object most praiseworthy, and the price of admission low—only fifty cents for grown folks, and half that for children. It commences at 8 o'clock.

FLOWERS.—This morning our reporter was shown through the greenhouses on the grounds of Mr. Warren Hussey, 7th ward, by the latter's gardener, Mr. Joseph Hardman. The collection of flowers there is very fine and embraces a great many very choice varieties. Mr. Hardman is a florist of large experience, having been a gardener for over twenty years. Mr. Hussey's grounds are consequently handsomely laid out, and kept in excellent trim.

Many admirers of flowers are probably not aware that a great deal of means is unnecessarily expended on imported plants in this City, it being not unfrequently the case that parties pay as high as three dollars apiece for double geraniums brought here from California, when plants equally as good in every particular, raised here, can be purchased for seventy-five cents.

PREACHING.—Bishop L. W. Hardy will leave on a preaching tour through the southern portion of the Territory on Monday next. He will visit the settlements of Sanpete and Sevier Counties, and expects to go as far south as Fillmore before he returns.

NO SMALLPOX.—There was a rumor afloat a day or two since that a son of Mr. Bassett had been taken down with the smallpox, and that the contagion had been acquired by associating with a member of Dr. Crockwell's family. Dr. Crockwell assures us that the report is entirely without foundation, that his house and every member of his family have been entirely free from the disease for six weeks past, and that his residence was thoroughly disinfected ten days before the commencement of the General Conference on the 6th of last month.

IN TOWN.—Gen. C. C. Rich, of Paris, Rich Co., reached town this morning to attend Conference tomorrow. He was accompanied as far as Ogden by Bishop Badger, who will reach town to-night. Things generally are prosperous in the Bear Lake country, and the people are busy putting in grain. Most of the old snow had gone, but about three inches fell on Monday night last. The stock is in good condition.

ACCIDENT.—Just as we were going to press we heard of a little girl having her leg broken by the falling of some lumber upon it at Thayne's lumber yard.

OGDEN.—Yesterday afternoon a boy about eight years of age, while leading a horse, at the north end of Ogden Lane, was kicked in the face by the animal. His nose and left cheek were terribly lacerated. Dr. C. G. Williams was summoned for medical assistance, and relief was at once given to the unfortunate lad. Under the care of the Doctor the patient is improving, but his wounds are so serious that time will be required for his recovery.

A young man named Morley was brought before Alderman Thomson this morning for plying a vocation on the platform of the railroad depot. He was fined $7.50. Persons are not permitted to buy and sell railroad tickets on the premises of the Companies, and if they will persist in so doing, must take the consequences.

This afternoon another person named George Clark was arrested on a similar charge. The company are determined to enforce the regulations.—*Ogden Junction, May 1st.*

ADJOURNED CONFERENCE.—According to adjournment of April 8th, the Forty-third General Annual Conference of the Church of Jesus Christ of Latter-day Saints, will re-assemble to-morrow morning, at ten o'clock, at the New Tabernacle. As the weather looks now as if it would continue fine and special trains will be run for the convenience of country visitors, it is probable that there will be a full attendance at the meetings. It will be remembered that at the first session of Conference, President Young announced that the First Presidency of the Church would commence their home missionary labors to-morrow.

PLEASANT.—There were May-day Sunday-school parties in the 20th and 16th Wards yesterday, the children enjoying themselves in the afternoon and bigger folks in the evening, all of which passed off very pleasantly.

BELLIGERENT.—Between eleven and twelve o'clock last night, Mike Garvey drew a pistol on Tom McQuin, but was prevented from doing harm by by-standers. The two met again shortly afterwards, on the side walk, opposite Reid's building, when Garvey again drew his weapon, and his example was followed by McQuin, the latter drawing in self-defense. Officer Andrew Smith stepped up disarmed Garvey, and placed him under arrest. While the officer was getting the pistol away from Garvey, the hammer of the weapon, which was cocked, fell upon Mr. Smith's finger. Had this obstruction not been presented, the pistol would probably have been discharged, and somebody might have been perforated by a bullet.

To-day Garvey was fined $25, which he paid. As with most other matters of the kind, whisky was the principal cause of it.

EXCURSION.—The following, by Deseret Telegraph, came to hand too late to be published until to-day:

"BRIGHAM CITY, May 1st.

Editor Deseret News:

"Four cars, jammed with May-day excursionists in best attire, arrived at 12 m. from Cache. They go to Junction and return. All, old and young, appear joyous and happy. A. M. M."

MESSAGES.—There are messages at the Deseret Telegraph Office for Jas. D. Deagler, G. L. Turner, Miss Josie Roland, John Gray and John Simmons 2.

SANPETE.—We learn that there are now only two cases of smallpox at Mount Pleasant and two at Moroni, and that the general health of the people in the County is improving.

The late storm in Sanpete was very severe, and the snow fall heavy.

CHARLESTON.—N. C. Murdock, of this settlement, which is situated in Provo Valley twenty-two miles from Provo and six miles from Heber City, called yesterday afternoon. He states that Charlestown consists of about twenty-five families and that there is considerable farming land there still open to pre-emptors. A new brick meeting house is in process of construction, and will shortly be completed. A small co-operative store is doing a good business, taking the produce of the people for goods and re-exchanging the produce again in other markets. Brother Murdock has charge of the store. There is no postoffice at Charleston yet, although it is on a direct mail route, but an application will soon be made by the people, to the department, for that very essential convenience.

Provo Valley is a good place in which to raise wheat, oats, barley, peas and potatoes. Bishop Abram Hatch, by adopting a sound financial policy, is laying an excellent foundation for the material prosperity of the people.

LATEST BY TELEGRAPH

WASHINGTON.—General Sherman has received a copy of a letter addressed to General Canby by the Governor of Oregon, dated February 6th, expressing the utmost confidence in Col. Wheaton's conduct in the Modoc campaign, and saying that his plan of the attack, January 17, which resulted disastrously, was approved by all the most experienced frontiersmen present.

NEW YORK, 2.—The coopers' strike is becoming more extensive, and the men in this city and neighborhood are evidently co-operating. Time or wages does not enter into the present contest, the men only striking against eastern made barrels, which are furnished in New York much cheaper than they can be manufactured here.

ROME, May 2.—Garibaldi is reported alarmingly ill.

NEW YORK.—Two hundred troops have been ordered from here to San Francisco.

A bill of exceptions was filed in the case of Nixon, sentenced to be hanged on the 16th of May; to-morrow a motion to stay proceedings will be made.

WASHINGTON, D. C., 2.—The remains of James Brooks will leave on Saturday, a. m., in charge of his son, and will be placed in Grace Church, New York, from which the funeral will take place Sunday p. m.

BRUSSELS, Ont., 2.—Mrs. Redby, a resident of Grey township, yesterday drowned her three children, while temporarily insane, and subsequently attempted to drown herself.

MADRID.—The Carlist prisoners on one of the Canary Islands mutinied some days ago; the guard fired on them and many were killed and wounded.

A dispatch from Barcelona says that Gen. Velalde has issued an order granting amnesty to all Carlists who surrender within eight days, except those who deserted from the Spanish army and leaders, and requiring the inhabitants of Berget to pay $10,000 for allowing the Carlists under Seballo to enter the town.

NEW YORK, 2.—The Trainers' and Drivers' Association has unanimously adopted a resolution, requiring all members to abide by rules, on and after May 3d, that no driver in the Association shall drive or enter a horse on any track governed by the rules of the National Association. Among drivers and trainers who voted were McMann, Mace, Doble, Roden, Parfer & Lovett. The National Association had previously refused a conference to consider rules beneficial to all concerned.

NEW ORLEANS, 1.—Secretary Belknap and General Sheridan and party left for Washington this evening, *via* Louisville.

Felix Ducross, a well-known stock, money and exchange broker, is reported to have absconded with a hundred thousand dollars belonging to his patrons.

NEW YORK, 2.—O. S. Dawson, according to the *Tribune*, says he offered to furnish the whole amount of beef wanted for the Indian agencies at $462,375 less than the contract price, made last evening, and that his bid was ostensibly rejected for a technicality, but really because of Indian ring influence.

DETROIT, Me., 2.—The straits of Mackinaw are now fully open. Several steamers passed through, from Michigan, last night.

The State debt of Alabama is estimated to be about $85 for every voter.

OUR FATHER'S HOUSE—THE UNWRITTEN WORD.

BY DANIEL MARCH, D. D.—*Author of Night Scenes in the Bible.*

THIS Earth is one of the Mansions of OUR FATHER'S HOUSE and all the forms and forces of the physical universe are revelations of God's UNWRITTEN WORD. The author, in this new volume, goes from room to room in the great house that God has built, showing us the riches and splendors stowed in every department, making the whole journey of life a happy walk of children with their Father, going out into open fields, listening to the singing birds, the whispering winds and murmuring forests; looking with ceaseless delight on green landscapes and grazing flocks, on beautiful flowers and springing grass, gazing with awe at the wonders of the mighty deep, walking beneath the shade of ancient mountains and climbing sacred heights. Wondering at the great Earth wheel turning beneath our feet, watching the storm with cloud on cloud in billowy darkness rolled, lightnings answered in thundering voices, and again the beautiful bows hung out on the retiring cloud.

Cure for All!—Never Despair!

E. L. PLANT.

Bronchitis, Diptheria, Coughs, Colds, and all Derangements of the Throat and Chest.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment twice a day upon the neck, chest and back, and in all stages of influenza, settled coughs, and wheezing at the chest, the same treatment may be followed with efficiency and safety.

Bad Legs, Bad Breasts, Old Sores, Wounds, and Ulcers.

By rubbing this Ointment perseveringly upon and around the affected parts twice a day, it will penetrate to the tissues beneath, and exert the most beneficial influence; the inflammation soon diminishes, the pain becomes less intolerable, the matter thickens, and a cure is soon effected. In all long standing cases Plant's Pills should also be taken, as they greatly assist in expelling all depraved humors from the body.

Skin Diseases of all Kinds.

In this class of complaints, no matter the age, the sex, the place, or under what name the disease may be classified, immediate ease, and ultimate cure, may with certainty be procured, if this Ointment be plentifully rubbed upon the part affected, while Plant's Pills are taken in appropriate doses, night and morning, to purify the blood.

Gout, Rheumatism and Glandular Swellings.

Every one suffering from these excruciating complaints should have recourse to these purifying remedies, as they have rescued thousands from a life of torture, after all other means had failed to give them relief. The Ointment and Pills used conjointly will act so searchingly and certainly, as to effect cures in the most hopeless cases.

Piles, Fistulas, and Internal Inflammations. Persons afflicted with these distressing complaints will find in this wonderful Ointment instant means of relief, and all can effect their own cure without explaining their infirmity to any one. Plant's Pills, if taken in small doses, greatly assist the Ointment, as they purify the blood and regulate the stomach in an extraordinary manner.

Both the Ointment and Pills should be used in the following Complaints:

Bad Legs, Bad Breasts, Burns, Bunions, Chilblains, Chapped Hands, Contracted and Stiff Joints, Corns (soft), Fistulas, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Sore Nipples, Scalds, Sore Throats, Skin Diseases, Scurvy, Sore Heads, Tumours, Ulcers, Wounds.

The Ointment and Pills are sold at Professor Plant's.

The Ointment is sold in pots at $1 and $5: the smallest Pot of Ointment $1; the smallest Box of Pills $1, which contains four doses. Sent to all parts. Full printed directions are affixed to each Pot and Box.
