BASEBALL AND ATHLETIC SPORTS

AUTO PARTY IN DARING JOURNEY

Salt Lakers Arrive at Kanab and Continue Trip to Grand Canyon Of the Colorado.

(Special to the "News.")

Kanab, June 23.—"The daring party of Salt Lake autoists, who are attempting the trip from Salt Lake City to the Grand Canyon of the Colorado, have just arrived and will continue the journey at once."

The above telegram received by the "News" this morning tells briefly of the progress of Edwin G. Woolley, Jr., Mrs. Woolley, David Affleck and four children and Chauffeur Dunlop in the daring trip to the Grand Canyon of the Colorado. The party left here last week in a locomobile and a Thomas Flyer, and will be gone several weeks. Mr. Woolley had long planned such a journey and he was firm in the belief that the great canyon could be reached successfully by automobiles. He studied the conditions of the country, mapped out a route, arranged for supplies along the road, got a party together, equipped the machines and started out. They have made good time so far and apparently have met with no mishaps. If the machines successfully reach the destination picked out by Mr. Woolley it will be the first time an automobile has reached the Grand Canyon.

AUTOMOBILE CONTESTS.

A transcontinental contest by automobiles, like the one in progress to the Alaska-Yukon-Pacific exposition, is by no means a joy ride, for it involves much hard work, not to speak of many privations. Most of the present-day attempts are made by a crew of drivers and mechanics, who can relieve each other. In the early days, however, a single driver was depended on, and a successful journey as a triumph indeed. The last record of this kind was a few minutes less than 33 days, but in the summer of 1906, L. J. Mueller, of Cleveland, made the trip from San Francisco to New York on an Indian motorcycle in 31 days and 12 hours, beating the one man auto record by 35 hours, a performance for man and machine that has never been equaled.

An interesting comparison was offered at the recent hill-climbing competition on Giant's Despair, at Wilkesbarre. The record breaking Benz auto weighed about 2,700 pounds, and is rated at 120-horsepower. As a matter of fact it is nearer 160, but there is no testing apparatus in this country capable of measuring its power. This machine made the ascent in 1:31 3-5, while the little 7-horsepower Indian motocycle was only 9 4-5 seconds behinds it. Each in its way was a wonderful performance and demonstrates in a gratifying manner, that American ingenuity and workmanship is fully equal to the best produced in any foreign country.

DARING CHALLENGE IS ISSUED BY THE "AD" CLUB

The following communication is not published with a view of stirring up trouble and causing a number of fatalities, but for the purpose of learning whether or not a certain organization called the Press club has any "sand." The communication is self-explanatory:

The Salt Lake Ad club does hereby challenge a so-called organization, known under the alias of the Press club, but in reality a gambling den, where bets of 5 cents and under are taken, and some of the members even betting each other that they are dead ones. A few of the members were even born with coppers on their eyes. The clubrooms are in reality a living burying ground for the left-overs and never-wases of this city.

To show these so-called sports that there is a bunch of live ones near them, called the Ad club, we hereby express our desire to give said goats a chance to see if they have any yellow back of their ears.

In order to give the betting public a line-up on these sports, we might incidentally mention the Press club show, which was the grandest imitation of a rotten show ever pulled off within the city limits. It was so bad it was good, and we might say that even when a corner was created on eggs which were not vaccinated they tried to blame it on the Butchers and Grocers' association (both parties lied out of it). The eggs made a decided hit with the company.

The Ad club was very unfortunately brought into this disgraceful affair for the sake of advertising purposes. We desire to get even on this point by playing a ball game, and in that way can prove what useless citizens they are. So we hereby cast this challenge in their face—either play ball or sit on the bench. We dare you to answer this and will at any time accommodate you for money or marbles. We prefer to met you at Lagoon on July 1, when you will, if fortunate, be granted the privilege of associating with the distinguished members of the Ad club.

Hoping to receive an apology from this so-called Press club, we sign ourselves,

MEMBERS OF THE SALT LAKE AD CLUB.

WHERE TROUT ABOUND.

Big Party Has Successful Trip to Provo Canyon.

Last Sunday a party of 50 fishermen made a trip from Salt Lake City to Provo canyon and according to the tales they tell had a most successful trip. The stream was quite clear and the wily trout were plentiful and hundreds were caught. One of the fishermen landed a six and three-quarter pounder, the record catch of the day, and many others got two and three pounders. A number of the party said this morning that none came back empty handed. Another big party will go out next Sunday.

IF YOU ARE WORTH $50,000 DON'T READ THIS.

This will not interest you if you are worth fifty thousand dollars, but if you are a man of moderate means and cannot afford to employ a physician when you have an attack of diarrhoea, you will be pleased to know that one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy will cure it. This remedy has been in use for many years and is thoroughly reliable. Price, 25 cents. For sale by all druggists.

SALT LAKE TEAM WINS FROM BUTTE

Sykscrapers Take First Game of Series—Umpire McKibben Mobbed by Angry Boise Fans.

HOW THEY STAND.

	Won.	Lost.	P.C.
Helena	27	13	.675
Salt Lake	25	15	.625
Butte	18	22	.450
Boise	10	30	.250

Hammond's Skyscrapers took the first game of the series from Butte yesterday afternoon down at Walker's ball pasture by a score of 5 to 3. Butte had a couple of chances to win but the locals played gamely and maintained their lead. Four pitchers were used in the game, two for Salt Lake and two for Butte. Hunt started out well but in the fifth the Miners solved his delivery and began to bat him all over the lot. Hammond took Hunt out and put Thomas in the box, who kept the visitors puzzled all the time.

The Skyscrapers started to do things to McAdams in the first and he lasted only four innings when Dunn took his place.

About the only feature of the game was Hammond's clever catch of a difficult fly near the foul line. The fielding was good but devoid of sensational play. The detailed score follows:

BUTTE.

	A.B.	R.	H.	P.O.	A.	E
Turk, r. f.	5	0	1	1	0	0

Left on bases—Salt Lake, 4; Butte, 7. Innings pitched—McAdams, 2; Dunn, 7; Hunt, 5; Thomas, 4. Hits—Off McAdams, 4; off Dunn, 4; off Hunt, 4; off Thomas, 1. Stolen bases—Fortier, Lussi. Sacrifice hits—Hammond, Hunt. Time of game—1:25. Umpire—Carney. Attendance—500.

ANGRY MOB AT BOISE.

A mob of angry fans made a cowardly attack on Umpire McKibben at Boise yesterday and he would probably have been seriously injured had it not been for the assistance of Managers Huston and Marshall and two or three policemen. McKibben gave some bad decisions and one wherein he called a Helena runner safe who was out by several feet, so angered the fans they attacked him after the game and he received several blows.

Huston and Marshall defended him and the police were called and the umpire kept under the grandstand until the crowd left the park.

The game was won by Helena, the loss being Marshall's fault. He made an error that let in the winning run. The score follows:

BOISE.

YALE, 5; PRINCETON, 2.

New York, June 22.—Yale defeated Princeton today at American league park, 5 to 2, and thus won the deciding game of the series. Yale was better at the bat, in the field and in the box than Princeton. Handicapped by poor support, White pitched a fine game for Princeton. Van Vleck pitched for Yale for seven innings, giving way to Merritt in the eighth.

Score:	R.	H.	E
Yale	5	11	1
Princeton	2	5	2

Batteries—Van Vleck, Merritt and Sweeney; White and Dawson.

BATTLING NELSON WHIPS JACK CLIFFORD

Oklahoma City, Okla., June 22.—Battling Nelson was awarded the decision over Jack Clifford in the fifth round of what was to have been a 15-round bout tonight.

Referee Dave Porteous stopped the fight when Clifford had been knocked to the floor by a heavy jab in the stomach. He said he feared Clifford would be hurt, and the authorities interfered. Clifford arose after the count of five, however, and demanded that the fight continue.

The abrupt ending of the match angered the crowd of about 4,000, which hissed and jeered the fighters. The disappointed crowd swarmed the box office demanding that their money be refunded.

The fight by rounds:

Round 1—Clifford drew blood from Nelson's nose almost at the start with a straight right. Clifford landed twice on Nelson's face any they clinched. Nelson swung to the face and both exchanged.

Round 2—Both clinched at the start. Clifford landed right to the face, but received right and left to the kidneys. Nelson rushed, playing on Clifford's body. Clifford missed right to the face as the gong rang.

Round 3—Clifford landed both right and left to face, and rushing, planted on body with right, bringing cheers from the crowd.

Round 4—Clifford landed on Nelson's body, but Nelson got both right and left to Clifford's face. They exchanged light taps and Clifford caught Nelson with a right to the jaw. Nelson ducked a vicious right and swung to Clifford's face.

Round 5—They clinched and Nelson had the better of the succeeding in-fighting. Nelson jabbed Clifford in the stomach, sending him to the floor. Porteous waved the men apart and gave the decision to Nelson.

BASEBALL SCHEDULE MAY BE CHANGED

In all probability the baseball schedule will be changed so that we will get three weeks of ball instead of two. This week was supposed to finish Salt Lake's home engagement for some time, but arrangements are being made to have Boise switched here after the series with Butte and have Helena go to Butte to play with that team there. No definite action has been taken but Manager Hammond stated this morning that this change would, in all probability, be made.

FATE OF CLUB NOW HANGS IN BALANCE

Horsemen Plead for Ten Days Extension and Present Strong Argument—Davis County Scheme.

"Ten days more or close on the 25th ¾" That is the question now confronting the horsemen, officials of the Utah Jockey club, the bookies and devotees of the turf.

A meeting is being held this afternoon by the directors of the State Fair association and when it has adjourned the fate of the Utah Jockey club, so far as a 10-day extension is concerned, will have been decided. The lease on the fair grounds expires on Friday, but the club had an option for 10 days more and an additional 20 days in the fall. President J. G. McDonald announced in the "News" some time ago the cancellation of the options and since then horsemen have been busy trying to induce the association to grant the extra 10 days and expressed willingness to forego the fall meeting.

At today's meeting the horsemen are represented and prepared a strong argument in favor of the extension. The main point urged is that the horsemen, many of them, brought horses here at great expense, with the understanding that the meeting would run 40 days and that the meeting was so advertised and contracts let and accepted with that understanding. Also, that some of the horses were brought here only for the big July stake events, in which about $15,000 will be hung up in purses.

On the other hand, strong pressure has been brought to bear upon some members of the board to close the track on the 25th. Following is a petition sent to Gov. Spry and members of the fair association:

PETITION TO CLOSE.

Salt Lake City, Utah, June 11, 1909.

To His Excellency, Governor William Spry, and the Directors of the Utah State Fair Association of the State of Utah:

Gentlemen: We, the undersigned citizens of the State of Utah, respectfully petition as follows: That

Whereas, the said Utah State Fair association has leased the fair grounds in Salt Lake City, Utah, to a racing or jockey club for a period of 30 days, ending June 25 next, with the right of renewal for 10 days immediately following said date, and with the right of a renewal of 20 days in the fall of the year, at the option of the directors of said Utah State Fair association; and

Whereas, the operation of said jockey club entails and necessitates the making of bets and selling of pools; and

Whereas, such betting and pool selling makes a serious monetary drain upon the community and entails sorrow and suffering upon many unprotected people.

Therefore we, the undersigned citizens, do hereby petition that the contract now in operation be not extended either for the period of 10 days following June 25 or for any other period.

Respectfully submitted.

Charles Read.

SAMUELSON ORDERS NEW MOTORCYCLE

T. M. Samuelson has ordered from Meredith a new N. S. U. motorcycle, and it is expected here tomorrow morning. The new machine is seven horsepower and in a test has gone a mile in 1:46 4-5 and has done 10 miles in 8 flat. Samuelson proposes to smash a few motorcycle records on the local saucer and will make the arena fans climb to the high places when he gets the machine going.

WORLD'S OLYMPEAD.

London, June 23.—Behind the announcement that William A. Brady, the American theatrical manager, is arranging for a sportive week to be called the world's Olympiad for professionals, with the London Olympia as its scene next month, is said to lie a scheme to decide the pugilistic championship of the world, a match having been made between Jack Johnson and Al Kaufman for a fight to a finish.

GOOD RACE CARD AT SAUCER TRACK

Pye and Samuelson Break Records—Iver Lawson Defeats Gordon Walker in Match Race.

Undoubtedly the best program of bicycle races of the present season was that witnessed by 4,000 cheering fans at the Salt Palace saucer track last evening. Two world's records were smashed and the finishes were so hot they brought the crowd of its feet cheering wildly. Iver Lawson demonstrated his superiority over Gordon Walker, the speedy Australian, by taking two out of three heats in their match race, Walker won the first, a half mile, but Lawson was there with his famous sprint in the other two heats, the three-quarter and the mile.

Ernie Pye started after the two-mile unpaced record and landed it, much to the surprise of the officials and spectators. He covered the distance in 4:03 2-5.

In the three-quarter-mile open Samuelson again distinguished himself by smashing the record. The race was a fast one from the crack and with a lap and a half to go the Provo boy jumped from the field and beat them all to the tape, making a record of 1:26 2-5. The three-mile lap handicap professional proved a most exciting event. Pye demonstrated his plugging ability and nearly won the race. Four laps to go Samuelson started from the field and Walker took after him. At the finish, however, Downing came up with a rush and the judges awarded him the race.

A summary of the events follows:

Match race, best two in three heats—Walker won first heat, half mile; time, 58 2-5. Lawson won second heat, three-quarters mile; time, 1:31 2-5. Lawson won third heat, mile; time, 1:58.

Mile handicap, amateur—Herman, 50 yards; Hume, 40 yards; McCormick, 45 yards; time, 1:56 2-5.

Four-mile unpaced record trial by E. A. Pye; time, 4:03 2-5. Former record, 4:08 1-5.

Three-quarter-mile, open, professional—Final: Samuelson, Downing, Wilcox, Nesbitt; time, 1:23 2-5. Former record, 1:26 2-5.

Two-mile open lap, amateur—Wright, McCormick, Hume, Myer; time, 4:01 1-5.

Three-mile lap, handicap, professional—Downing, 80 yards; Walker, scratch; Nesbitt, 50 yards; Wilcox, 75 yards; time, 5:52.

TAME BOXING BOUT.

Boston, June 23.—Joe Jeanette and Sandy Ferguson put up such an inferior article of fight at the Armory A. A. last night that the crowd took a hand by demanding that they be taken out of the ring. Jeers accompanied the demands, which were in evidence throughout the go. It was a 12-round battle in which Ferguson did most of the work. Sandy knocked his man down in the first round, but otherwise the contestants was featureless. Ferguson received the decision, but many spectators declared the decision should have been a draw.

CHAMBERLAIN'S COUGH REMEDY THE BEST ON THE MARKET.

"I have used Chamberlain's Cough Remedy and find it to be the best on the market," says E. W. Tardy, editor of The Sentinel, Gainsboro, Tenn. "Our baby had several colds the past winter and Chamberlain's Cough Remedy always gave it relief at once and cured it in a short time. I always recommend it when opportunity presents itself." For sale by all druggists.

A man's collar

Is one of the most important parts of the man's wearables—from the standpoint of looks.

Smooth edges, clean cut work, perfect shaping—that's the way collars are laundered here.

Our wagons call everywhere.

BECOMING A MOTHER

Is an ordeal which all women approach with dread, for nothing compares to the pain of child-birth. The thought of the suffering in store for her robs the expectant mother of pleasant anticipations.

Thousands of women have found the use of **Mother's Friend** robs confinement of much pain and insures safety to life of mother and child. This liniment is a God-send to women at the critical time. Not only does **Mother's Friend** carry women safely through the perils of child-birth, but it prepares the system for the coming event, relieves "morning sickness," and other discomforts.

There Are Two Kinds of Endurance

No matter what else a salesman may say, he will swear that his car has "Endurance."

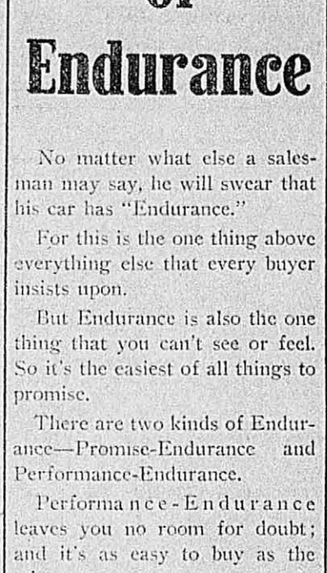
For this is the one thing above everything else that every buyer insists upon.

But Endurance is also the one thing that you can't see or feel. So it's the easiest of all things to promise.

There are two kinds of Endurance—Promise-Endurance and Performance-Endurance.

Performance-Endurance leaves you no room for doubt; and it's as easy to buy as the other.

Ask the salesman to prove that his car has Endurance. Then measure his proof by the proof shown by this stock Thomas Flyer.



Thomas Flyer

This car has recently reached Seattle in good condition, completing a total of 20,000 miles under its own power.

THE GREATEST OF ALL PERFORMANCES.

This 4-60 Thomas Flyer won the breakneck race from New York to Paris from five of the best cars of Europe. This meant 88 running days of inconceivable punishment—a terrible total of 13,000 miles. And this without once being in a repair shop.

On its return to America, without further repairs, it ran another 1,000 miles.

Later, during last winter, it was driven 2,000 miles further.

In March, still in good condition, it was chosen as the 'Pathfinder" to lay out the 4,000-mile route for the forthcoming New York-Seattle Endurance Contest.

The car, as every newsreader knows, reached Seattle with no repairs other than those made on the road by the crew.

THIS IS PERFORMANCE-ENDURANCE.

This is the kind you want. This is the Thomas kind. No piece of machinery that the world ever saw has borne half of what this grand old stock car has endured.

With all this Endurance, the Thomas Flyer has Style, Comfort, Refinement, Distinction. No car ever made has more Class.

Judge Class with your own eyes. Judge Endurance by Performance, "Thus you will unavoidably choose the right car"—the Thomas Flyer.

PRICES.

Thomas Flyers are made in several models at different prices. This 'Round-the-World, 4-60 model, in Touring Car, Tourabout or Flyabout, costs $4,500. In Limousine or Landaulet, $6,000.
